Licensing

Plate Mail Games Licensing:

You don't need a license for the following:

RPG related podcast

RPG related Youtube videos or

RPG related Twitch streams

For these activities, you can use our audio, we do ask that you mention us at some point in the broadcast and you place a link to our DriveThruRPG store at

<http://www.drivethrurpg.com/browse/pub/4847/Plate-Mail-Games>

Monument Studios Licensing:

Subject to the terms of this Agreement, MS grants Licensee a perpetual, worldwide, non-transferable, and non-exclusive right to reproduce, distribute, transmit, display, and create derivative works, in whole or in part, with respect to MS' Royalty Free Content identified on MS' invoice, an unlimited number of times in connection with a single End Product, for use in any and all media and for all uses other than the restricted uses described in Section 3. All other rights to the Royalty Free Content, including, without limitation, copyright, are reserved to MS and the copyright holder. Except as expressly stated in this Agreement, this Agreement does not and is not intended to confer rights or remedies upon any person other than the parties to the Agreement.

incompetech.filmmusic.io/ Licensing:

You have to make attribution exactly like this

The attribution of the author is mandatory and not voluntary. The text may not be changed. Copy this text and paste it into the video or on Youtube for example in the description below the video:

[Copied Text Above]

Adobe Audition Licensing:

Your download and use of the content on this page is governed by and subject to the Adobe Software License Agreement ("EULA") for Adobe Audition and other related Adobe software, available at: <http://www.adobe.com/products/eulas/>

Subject to the restrictions stated in the EULA, you may use, display, modify, reproduce, and distribute the associated Content File. However, you may not distribute the Content File on a standalone basis (i.e., in circumstances in which the Content File constitute the primary value of the product being distributed), and Customer may not claim any trademark rights in the Content File or derivative works thereof.
