Dear,	
This year, I am joining UDance Dance Marathon , the largest philanthropy at the University of Delaware, to raise funds and awareness for the fight against childhood cancer, while instill hope in children suffering from these diseases. Our year-long effort culminates with a 12-hou dance marathon in April. Throughout the past few years, we have been faced with countless adversity, but with each challenge faced came a solution that overcame it. This year, we are seeking to continue this resilience, and we need your help.	ing
UDance partners with The Andrew McDonough B+ Foundation to provide <i>direct</i> and <i>immediate</i> financial aid to families affected by childhood cancer while also funding cutting-edge research. Since its inception in 2007, UDance has raised over \$21.9 million, and April 2025, the UDance community raised over \$1.81 million. Furthermore, UDance offers emotional support to these children, the B+ Heroes, by pairing them with organizations at UDance of the second community raised over \$1.81 million.	
This year, I have pledged to raise for our 12-hour Dance Marathon that will taplace in April, 2026. Our community is so incredibly excited to return back to the Bob Carper Center to commemorate our year-long effort. Please consider contributing to the cause by donating to UDance. Your generous donation will provide hope, encouragement, and immediancial support to children and families nationwide.	nter
You can donate online at www.udancedelaware.org (click donate, search my name, find my fundraising page, and click donate) or you can send a check made payable to "UDance Dance Marathon" If you send a check, please include my full name,	

UDance 019D Perkins Student Center University of Delaware Newark, DE 19716

Please also consider asking your company if they will match your donation to increase your impact, as The B+ Foundation is a 501(c)(3) charitable organization.

UDance believes that college students have the power to end childhood cancer and is determined to do its part in the fight. One day we will dance in celebration. Until then, we dance for a cure. Thank you so much for your support and please reach out if you have any questions!

For The Kids,
