

We have to publish one thing (one direction!!!)and proofread and check our finished documents

Title- Would You Survive? finished

Article 1- List of important stuff and why they are so done important.

Article 2- Advertising page done

Article 3- What special skills do animals have to help them survive? And what animals have eg how long animals can live with no food compared to humans etc

Article 4- Interveiw with Joe Simpson -partly done

Article 5- Quiz asking questions about most important things to see if you would survive.

Article 6- Survival story of Joe Simpson maybe? basically fiished

What- Our magazine is going to be about giving people tips on how to survive outrageous events and information and facts.

By Claudia, Shannon.N and Brittany

today we typed out and finished our survival story. Me and Brittany also got questions and answers for our quiz. Shannon has just finished our interview and I have found some info for another article now all we have to do is a couple more articles and publish and finish. A few to :)

Everything is on computer 9 and claudias memoty stick it is also on miniserve the folder is called claudia
