

Yahweh's Secret Desire: The Cosmic Reconciliation of Heaven and Earth

Pastor John Shane Vaughn — First Harvest Ministries International

Colossians 1:19-20; Ephesians 1:9-10; Philippians 2:10-11; Hebrews 2:14-15

1 So how many of you have ever read a scripture and put it on the hmm shelf? Uh-huh; you know what the hmm shelf is, huh? It's that shelf where you dare not really want to know what it's saying; you're not quite ready to; okay so we've gone over for example baptism of the dead; what? What? What? I mean we're not going to the Mormon church; no; right; so what does that mean?

2 And another scripture that always was on my hmm shelf was when Paul or Peter, one of the two, says that the saints are going to judge the angels; amen; that's right; did that one ever go on your hmm shelf? Yes sir; it did mine; amen; it comes off that shelf today; amen; you won't hmm about it no more; amen; however you may not be ready for the answer; yes sir; and that's why we put them on the hmm shelf because to find the answer you may find that what you previously believed was not true; that's right.

3 Everyone watching me, from elders to saints, is all afraid of being wrong; amen; that's a man's worst fear; that's right; because if you're wrong about one thing it all; you could be wrong about everything; so when a man of Yahweh comes along, a father in the Lord, that says hey, stop playing church and let's really find an answer here; yeah; it's going to require you to listen.

4 Like Elder Sydoc said when I was talking about Yeshua they said the reason we didn't cut you off at that moment and say never again is because we knew you had been right every time so many times before; so I'm going to ask you today; I'm going to say some things; yes sir; that's going to require you to say Toto was right about January the 6th, Pastor Vaughn's been right about everything, I may want to listen; that's right; hear the man out; amen; because revelation always brings the resolution.

5 Yes sir; amen; and if you have a scripture, Brother Alex, that's on the hmm shelf, that's a scripture that Satan can use, right, to torment your mind; amen; and so today we're going to; I look so forward to having dinner with all of you; Colossians chapter 1 verse 19; Elder Morgan, Colossians 1:19-20; Elder Connley, Ephesians 1:9-10.

6 All of our district ministers, would you stand this morning? Amen; all of our district ministers; let's honor these; amen; praise Yahweh; they serve their state elders their regional elders and they are a pivotal part; they're close to the people; Brother Wallak, I get messages every day of

what you do for people; and Sister Jamie loves our people; I'm grateful for these district ministers today.

7 Colossians 1:19-20: for it pleased the Father that in him should all fullness dwell; and having made peace through the blood of his cross; by him to reconcile all things unto himself, by him I say, whether they be things in earth or things in heaven; okay, last line; by him I say whether they be things in earth or things in heaven they shall all be reconciled; amen.

8 Now did you ever read that scripture? We thought heaven was already perfect; did you read that scripture and go; yeah; I never caught it; heaven was not perfect; it had to be reconciled; wow; amen; Apostle; there it is; everything in heaven: the books had to be settled; wow; come on; what is reconciliation? Settling the books; books; all right.

9 Ephesians 1:9-10: having made known to us the secret of his desire; all right; Yahweh's got a secret desire; amen; or shall we say he's got a cohortative desire; come on; amen; he has a strong desire to do something; that's right; read: according to his good pleasure which he purposed in him; let's now find out what his secret desire is that he's always had; read.

10 It's been to administer at the completion of time; whoa whoa whoa; the desire of Yahweh does not come to pass until the completion of time, when time is no more; amen; so if you think you've been waiting a long time for your desires, Yahweh's been waiting for 6,000 years to create man in his own likeness; hallelujah; hallelujah; and somebody would say well why doesn't Yahweh get his desire? Because he sought for a man and could find none; hallelujah; that's right; wow; he does nothing without a man; that's right; a man is Yahweh's coworker; that's right; praise Yahweh.

11 Read: he wants to gather together in one; okay; what's his secret desire? To gather together into one; that's right; in the Messiah; in the Messiah; everything must be gathered in the Messiah; that's right; read: both which are in the heavens and which are on earth; wait a minute; is it going to take the death of Messiah to make one again? Both the family that's in heaven and the family that's on earth; wow; yes he is; right there; there it comes; it's been in your Bible the whole time.

12 Yes sir; who was the first family? The Benet; Elohim; Elohim; the sons; the first sons of Yahweh; was not us; no sir; they were the angels; amen; now this is important: how many of you has ever been taught that Yeshua died to restore fallen angels? Never; I've never heard it; then what did you do with that scripture? It's in your Bible, Brother Alex; Sister Alex said we ignored it; they just never preached that one to us.

13 Do you know why? Because if you even entertain this thought it opens up a whole another; come on; yes it does; Pandora's box; we like to close those boxes and put them on a neat shelf; but there's a reason: if you don't come to understand the message we preach about reconciliation you're going to miss the whole message; this message has been called to bring forth ministers of reconciliation.

14 What is reconciliation at your bank? What is your bank account if it's not reconciled? It's in a mess; about once a month I sit down with trembling hands to look at my bank account to reconcile it; now some people have to do that every day; make sure the check from the day before went through, right? Yeah; why? You're reconciling a mess; amen; amen; all of creation is a mess; yes sir; yes it is; amen; even the temple of heaven; that's right; even the temple of heaven; amen; because none of those priests up there has earned God's trust; wow; come on Apostle; make it make sense.

15 And yet the Bible said we; by the way I'm going to read you a whole bunch of verses that say the same thing that we've never understood; the purpose of the death of Messiah; yes sir; number one, first of all, was to restore the earth; yes sir; mankind; amen; why did he have to restore us first? Because we would judge the angels; because we would judge the angels; have got to judge the angels; amen; and restore the angels; hallelujah; to their rightful place; hallelujah; hallelujah; in the heavenly temple.

16 See you and I will never serve in the heavens; amen; we will forever serve on the earth; amen; but there must be a reconciliation of the angels in heaven who are now out of trust with Yahweh; where his will must be done; his will must be done on the earth as it is in heaven; why? Because his will is still coming to pass.

17 Through; do you remember where all this started? Months and months ago, maybe a year ago now, I started teaching on the tabernacle; powerful; and that series transformed my life; amen; but I thought when I taught the last class that I was through and that we knew everything about the tabernacle; but the only thing I never taught on was the priesthood from the beginning; amen; the priesthood; we told what the altar of incense represented; come on; we told what the ark of the covenant was; but we never got to the priesthood itself; who's going to be in the tabernacle doing; who's going to be in the tabernacle? We never got to that.

18 And one day the Father spoke to me and said now you've taught on everything, but what about the priesthood? And I was like what about? He said who do they represent? Come on; and they have to represent something in the heavens cuz the Bible said everything in the tabernacle was a shadow of the heavens; yes sir; amen; amen; people walking around in the tabernacle; he said they represent the angels of heaven in the heavenly temple; amen; and that's when my earth was shaken.

19 And he said and the reason they had to be the priesthood is because I didn't have one in heaven; that's powerful; amen; hallelujah; amen; when to bring me the prayers of the saints; there was a forfeiting of the priesthood; and the ones that still serve, they did not fall; they were not in the rebellion, but they could at any moment; come on; yes sir; amen; amen; come on; and they had no empathy; wow.

20 Pastor I don't think any of those angels up there would fall; now did you think some of the angels of this ministry would fall? Come on sir; say it; amen; hallelujah; all it takes to fall, children, is one misunderstanding; yes sir; yes sir; yes sir; amen; I hear you; that's it; all that.

21 My wife told me today on the way to church, she said honey, a video popped up on my timeline of a previous feast; and she said I saw one by one by one by one; wow; and she said I prayed: God don't let it happen to me; come on; amen; don't let it happen to me Lord; hallelujah; don't let it happen to me; hallelujah; angels can fall; yes sir; hallelujah.

22 And probably the only reason the rest of them haven't fallen yet is they saw what happened to the ones that did; that's right; that's right; amen; but I don't know if they're there out of abundant love for Yahweh or fear of hell; wow; wow; that's powerful; I need you to hear me children; that's good; parallel.

23 Now there will be angels in hell because the Bible said hell was created for Satan and his angels; but immediately we add to the word by reading ALL angels, right? Amen; see how you added that? Yes; you assumed that means all the angels that fell; but here's the problem; the only angels that were put into prison for the day of judgment is Satan and the watchers; yes; there were only 200 watchers; yes sir; right; amen; amen.

24 The ones that are going to hell is the ones that LED the rebellion, not the ones that were DECEIVED by the rebellion; amen; amen; these are leader angels and to whom much was given; the watchers were sent to earth to watch over the earth; amen; they had the greater sin; they had the what? The greater sin; leadership always has the greater sin; amen; amen; that's why they needed a bull instead of a lamb; amen; amen.

25 So the punishment of these leader angels is eternity because they were in full knowledge of their rebellion; and Satan's tail drew a third of the heavenly priesthood; Pastor, how could that happen? Let me show you how it happens: an angel falls in this ministry they'll always have a tale of a few people that follow; that's right; you got the truth; yes sir; that's the truth; it's called the tale of influence.

26 Come on; that's right Apostle; don't be influenced; and that's why I originally didn't want to raise men up in this ministry with that kind of influence over my saints; that's right; amen; because when an angel falls, the Holy Ghost is speaking right now, you better hear me; hear the warning; when an angel falls their tale brings good deceived people; say that Apostle with them; that's true; amen; amen; there was no rebellion in those people; there was deception; deception; yes sir.

27 Amen; and brothers and sisters there was no rebellion in a lot of the angels that fell; there was deception; yes sir; they heard something; and Lucifer might have been the group they had been hanging out with; that's right; come on; their little clique; that's right; yep; that shared fun times together; yeah; and so when Satan decided that Yahweh was unfair and too authoritative, right? Amen; they just fell right along with him; they didn't mind that Yahweh was God; oh come on; but he had too much authority; oh come on; this is powerful; it's good; it's fire; I hear the parallel.

28 And so Satan tells a few angels we don't even have a voice up here; right? That's all right; come on now; we don't even have a voice; come on; and they began to probably try to defend

God; but what happened? They were so close; so close that when Satan fell he took good angels with him; and Yahweh has a desire; it's been a secret; nobody knew it until today; amen; that's right.

29 He said it was a secret; he had a desire to bring those angels back to their rightful place; reconciliation; hallelujah; hallelujah; amen; to reconcile; Pastor I don't know if I believe this; then hang tight; come on; because you will; amen; if you can hear the word of the Lord instead of your own thinking; that's right; I've come to tell you Yahweh doesn't only plan to restore mankind; amen; but he plans to restore everything that was in heaven; amen; amen; hallelujah.

30 Philippians 2:10-11: that at the name of Yeshua every knee should bow of those who are; hold on now; wait; now we don't have no problem with that; well actually we do have a problem with that verse; we don't like the thought that every knee is going to bow; we thought we were the only ones; come on; is anybody awake today? We have a problem with that verse; yes sir; it says everyone is going to call him Lord; everyone; but now when we finally got okay with that because Pastor Vaughn taught on it so long; yeah.

31 We finally got okay with God not sending everybody to hell except us; we finally, joy comes in the morning, we finally got it; surely we're done; well there's another little line; come on; that we skipped over; why don't you read it? Every knee should bow; those who are in heaven; in heaven; huh? Heaven; ain't no men in heaven; one, Yeshua; there's no men in heaven; so tell me who's going to bow; amen; to the name of Yeshua: every angel, come on, every fallen angel that's been restored by Yeshua, they're all going to bow before man; hallelujah; restoration.

32 Pray when we pray; when we stand on the promise that every knee will bow every tongue confess interceding for the angels; why? Because that is Yahweh's secret desire; reconciliation; amen; balancing the book; setting everything back in order; yes sir; we thought they were so much higher than us but Yahweh's called us to intercede for them.

33 And that's why David said what is man? Yeah; oh; that you're so mindful of him; I'll tell you what man is: he's now the priesthood of the angels; do you understand me? Amen; hallelujah; hallelujah; hallelujah; that's why the fallen angels, that's why the kingdom of darkness fights the priesthood on earth so hard to distract us from our ministry which is restoration of all things; all things; hallelujah; this is fire.

34 David said what is man that you're so concerned about him? And the Bible said you created him a little bit lower than the angels and yet you're going to exalt him above; wow; the last shall be first and the first shall be last; now here's my question to you today: when Paul said that the saints will judge the angels nobody believed those words; nobody; nobody; because we were thrown off by heaven; amen; couldn't fathom it; some people believe people are in heaven now.

35 And that's why the most important message in this ministry is what happens to the dead; that's right; amen; amen; because if you get that wrong you get everything wrong; come on; every tongue should confess that Yeshua is Lord to the glory; because there is a group of angels that are under the earth right now; wow; that's the watchers; they're in Tartarus; and even

those angels are going to have to confess that Yeshua is Lord; thank you Apostle; that made sense.

36 It's all in the book; under the earth too; look, you can get mad at me all you want to; one thing you can't do is unwrite that book; that's right; you cannot erase those verses; you think you know so much; you cannot erase those verses; nope; he's opening the word; Yahweh's secret desire is to restore heaven and earth; and earth; and earth; wow; but the heavens will be restored by the earth; wow; woo.

37 And what happens with me and you? Come on, kings and priests; because brothers and sisters, if Yahweh ever gets a remnant Israel that lives by the covenant and the Torah of their own free will; hallelujah; then he has what he needs to judge angels; hallelujah; oh hallelujah; the priesthood; hallelujah; hallelujah.

38 Hebrews chapter 2 verse 14; you know I've often wondered: how could Satan leave the ministry of heaven? The words of life were there; right; amen; amen; good order was there; yes sir; truth was there; yes sir; and I just wonder what got in Satan's mind to leave the perfect order, right, of the heavenly structure; because he thought he could do it better than Yahweh; he thought Yahweh was doing it wrong; wow; wow; come on.

39 You listen to me: Satan will never try to convince you that God is not real; come on; he will try to convince you God is not fair; wow; amen Apostle; amen; that's it; because if he ever gets you to thinking your leadership is not fair and that there's too much authority then he opens your mind up to how you could probably do it better; come on Apostle; and then Satan takes a third of his friends.

40 Yes sir; you know they probably played heavenly baseball together, right? They were close; they were tight; their friendship to one another, listen, was tighter than their friendship to their Father; come on; say that; hallelujah; amen; no; their Father; when Yahweh gives you a father in the Lord no other friendship is equal to that one.

41 And it won't be long till they'll get you to say; that's right; I had someone send me an email; amen; and said these words: well I can see where they're coming from; first of all, first of all, that's where you just messed up; okay; I wrote this person back and they said but we're staying with the ministry; I wrote them back: you might want to pray again because I don't think you are; by the end of that day they were gone.

42 Why? Listen to me carefully; I know I've been in this thing 40-something years; if there's one thing I know it's people in the church; hallelujah; and the minute you're trying to start seeing it from everybody's perspective you're already out of order; there is only one perspective: it's up; up; up; that's it; hallelujah; and the reason Yahweh is cleaning this place up is because you've gotten too close to your friends.

43 This truth is your friend; I said this truth is your friend; hallelujah; that's true; hallelujah; hallelujah; keep the main thing the main thing; yes sir; Peter told Yeshua you have the words of

life where would we go? And three days later he was gone; come on; wow; yep; that's right; wow; that's right; come on; oh I know how Yeshua felt.

44 When I hear on the same day we'll never leave this and by the end of the day there you; what happens? I'll tell you what happens: deception sets in; you can't see the beauty of the structure; the beauty of the building is overruled by connections to the wrong conversations; hallelujah; amen; this ministry will be standing when you're gone; hallelujah; and I'm going to tell you why: because this ministry is built on truth; amen; and it's built on godly government.

45 And I want you to know today that Yahweh is raising up a people that's not looking around; no; they're looking up; hallelujah; hallelujah; hallelujah; hallelujah; fire; I told my wife one time she says how do you know the next person? I always know who's leaving next; I know it weeks months in advance; I've told my wife everyone that's ever left; I told her weeks before; I know everybody that's leaving; amen; I've already got names ready for the next; I know.

46 Amen; and one of the ways I know is this: I'll be preaching a hard truth like I just preached; yes sir; and I look to see who's looking around to see how everybody else is responding; wow; you're already looking in the wrong place; come on sir; you're already looking in the wrong place; hallelujah; you better know truth when you hear it; and you better hold on to it and love it or you will not survive the storm.

47 Come on now; there's an example called Satan; it ought to scare you to death; every day, Brother Martin, Satan was in the greatest ministry; amen; wow; he was number one; he was a chief elder; wow; amen; and those that he brought with him; I believe that Yahweh's heart is broken over them like mine is over innocent ones that have been swept in the tail; amen; yes sir.

48 And Yahweh said: if you want to know my secret desire it's not for the rebellion to come back; oh no; but for those that were in the tail to be restored and reconciled; that's Yahweh's desire Father; that's his desire; that's my desire; why? Because sometimes people don't leave Yahweh or the ministry out of rebellion; amen; most of the time it's out of deception; yes sir; they got caught up in the tail end; come on.

49 If you don't want to get caught up in the tail, stay close to the HEAD; come on; hallelujah; hallelujah; hallelujah; hallelujah; hallelujah; I'm reaching for somebody today; I'm reaching for somebody today; refocus back to the head of this ministry where we started; the word of Yahweh is all that matters; oh hallelujah; the head of this ministry is the word; that's right; and that word does come through a mouth; yes it does; but the word is the head of this ministry; hallelujah.

50 Hebrews 2:14-15: therefore since the children have partaken of flesh and blood in the same way he himself also shared the same things in order that through his death he might destroy the one who had the power of death, that is the devil, and deliver those who through fear of death were all their lifetimes subject to bondage; Yeshua said I came to destroy Satan so that I might deliver everyone that was destroyed by Satan through fear; wow; there it is; hallelujah; reconciliation; hallelujah.

51 Amen; hallelujah; I'm coming to get them all back except the leader; amen; hallelujah; once a leader shows you their hand believe them; amen; amen; leadership ought to make you the most humble person in the world; amen; amen; leadership scares me; yes sir; oh leadership; I fear the consequences of leadership; yes sir; hallelujah; reverential; hallelujah.

52 This week I watched a man that had been leading a large ministry arrested put away; and I told my wife, I said: see you don't ever have to worry about who the leader is answering to; come on; amen; amen; cuz when he messes it up, come on, his board is in heaven; yes sir; and they never get by with it; come on; amen; amen; ever; ever; I believe it.

53 There's a reason you don't have to control the man of Yahweh; that's right; because he's got a God in heaven that knows how to correct his leaders; amen; yeah; hallelujah; and when people tell me well we think you ought to have a board: so you think you can handle me better than God can? Wow; amen Apostle; you understand? The God of heaven, I've watched him bring preachers down left and right; that's right sir; why? That's the board; that's right; he is the board; he's the board; amen.

54 And now he doesn't do the people that way; but we demand a bull for the consequences of a leader; that's why I tell you I fear leadership just like he did with Hasatan; I understand when the leader falls it affects everyone; right; and that's why I tell all leaders: if you don't understand who your board is; yes sir; I'm not afraid of no board of men; come on; I'm afraid of a board of heaven; hallelujah; I'm afraid of how quickly he can bring judgment; that's right; I've seen it in my own life.

55 Amen Apostle; when you have the fear of Yahweh there is no man you can fear; come on, say that; amen; I have the fear of Yahweh; hallelujah; hallelujah.

56 Hebrews 9:23: it was therefore necessary that the patterns of things in the heavens should be purified with these or cleansed with these, but the heavenly things themselves with better sacrifices than these; verse 24: for Christ has not entered into the holy places made with hands which are the copies of the truth; Yeshua has not entered the tabernacle over in Jerusalem; he'll never enter a third temple in Jerusalem; amen; because he's already entered the third temple; enter the third temple; hallelujah; and it's not made by hand.

57 Melchizedek; come on; which means what? King of priest; Mel = king, priest = righteous priest; you see under the Torah you couldn't be a king and a priest at the same time; that was too much authority; amen; amen; wow; wow; amen; but Yeshua, because he could be trusted with that great authority, is not only a king but he's a priest; he brings the royal line of Solomon together with the priestly line of Nathan; and he has restored Melchizedek; he has restored the original priesthood in heaven; come on; amen; amen.

58 And that's why when the Levitical priesthood ended we don't need it anymore; not that it wasn't any good; it was; amen; amen; everything they sacrificed in the temple was for the forgiveness of sin; yes sir; they did it; yes sir; but the intent, watch this, was never to clean the

earthly temple; wow; clean the heaven; clean the heaven; but first yes we had to clean the heavens; hallelujah; because as it is in heaven so shall it be; oh hallelujah; hallelujah; hallelujah.

59 So before we could bring millennial rain to the earth we had to bring millennial rain to the heaven; come on; and the blood of Yeshua reconciled the temple; wow; put him back as high priest; and now the priesthood in heaven has been cleansed; yes sir; except for the fallen ones; amen; they've got to be judged; and that comes at the end of time; yes sir; amen; which; hallelujah.

60 But their reconciliation does, listen carefully now, does not come by the blood of Christ; come on; it'll come by the judgment of the saints; of the saints; come on; yes sir; hallelujah; hallelujah; hallelujah; and I'm going to teach you today or in a few weeks when I get it: what that judgment's going to look like and how that judgment's going to work.

61 Because not only will there be a hundred years of judgment for fallen men but there will also be a period of judgment for these fallen angels to be restored; not through the blood; amen; but through the word; yes sir; hallelujah; why? Because as we progress in these lessons we're learning something that we have to get together; yes sir.

62 Do you think we're going to judge angels whenever we can't even tell somebody who our pastor is? Hallelujah; hallelujah; amen; fire; well I go to that little Bible study; I didn't ask you that; who is your authority? Me and Jesus; get out; Apostle Shane Vaughn; well who is your authority? Why? Why? Because brothers and sisters until you can say yes sir who you're under authority to, amen, you're not under authority; amen Apostle; if you're a wife and you're Sister Jill Sydoc you can answer that question; Norm, you know who you're under authority to; amen; amen; Satan hates it; come on; order; amen.

63 And when Yahweh gets ready to judge angels it will be by a people that knew they were under authority; hallelujah; yes sir; oh yes; amen; and it's this part of the message; I can preach anything in the world except this part; this gets under people; something's inside of us that has to come out; why? Because when the time to judge the angels comes, I'm going to prove it to you just quickly.

64 The Apostle Paul was so hurt in his heart that he found out that members of the church were going to court against one another; amen; he found out they were going to Facebook and YouTube to expose other members of the church; been handled in the church; and he wrote them and he said my heart is broken that you cannot settle the smallest of matters among yourselves; amen; protocol; and yet you're going to judge angels; wow.

65 You can't follow protocol yourself, right? How you going to judge angels? Step one at FHM: you got a problem with somebody, step one, you go straight to them; nobody else; you don't request prayer; you don't call your prayer partner; straight to them; amen; that's called what? Protocol; and we don't like that; you know why we don't like it? Because the person we're upset about, they may not be the ones wrong; and we don't want nobody to find out it's not them it's us.

66 Come on; come on Apostle; amen Apostle; amen to that; yeah; so we just put it off and say you know what we say? I don't want no drama; baby you ARE the drama; come on; amen; amen; no you don't get to do that; no; not in this house; come on; why? One day Sister Jamie you're going to judge the angels by your knowledge, your life; and if that doesn't put the fear of Yahweh in you then I don't know what will; amen; this ministry ain't no joke; no sir; yes sir; you understand me? Yes sir; we are not trying to build a church; I couldn't care less about a crowd; come on; I couldn't care less; I want to know that judgment has begun in the house.

67 Hallelujah; amen; amen; hallelujah; for example you might hear something you don't agree with or don't understand; judgment has to start in the house; amen; amen; amen; start with me; hallelujah; amen.

68 Revelation 5 and 13: and every creature which is in heaven and on the earth and under the earth and such as are in the sea and all that are in them heard I saying blessing and honor and glory and power be unto him that sitteth upon the throne and unto the Lamb forever and ever; verse 14: and the four beasts said amen; and the four and twenty elders fell down and worshiped him that liveth forever and ever; somebody say every creature; every creature is going to be reconciled; amen; and put back in order.

69 1 Corinthians chapter 15 verse 24: then cometh the end when he shall have delivered up the kingdom of God even the Father when he shall have put down all rule and all authority and all power; verse 25: for he must reign till he hath put all enemies under his feet, under his jurisdiction; amen; everything is coming back into order; yes, it is coming back into order.

70 Now we know in the book of Job that when Yahweh created planet earth all the angels were in order; we know that because the Bible said where were you when I created the earth when all the sons of Yahweh shouted Yamua for joy? Yep; so there was a time when all angels were in perfect harmony and unity; amen; okay.

71 After the rebellion loyalty was lost in heaven; you know I'll be; can I just be totally honest? I think I know how Yahweh felt because here is this great ministry that he created that was so in love; they were shouting for joy at what they had found in heaven; amen; come on; so happy; and then his greatest leaders left and went and set up their own place on Mount Sion trying to replace Yahweh.

72 And it does if you're not careful place bigger eyes on a pastor; suddenly he starts looking at all of his leaders more closely; amen; why? Not that he doesn't love them; amen; but he so desperately wants to trust them; oh yes sir; amen; amen Apostle; and I believe what Yahweh was saying after the rebellion, because we read last week where he said I don't trust him, right; I believe what he was saying is I WANT to trust him; amen.

73 And I need to trust them; and in order to do that the ones that have fallen and the ones that are in heaven he said those are going to have to come under a judgment to prove that they can be trusted; yes sir; to prove that I can trust them; that's right; that's exactly right; amen; and that's where we find the angels now; amen; they can fall; they're not incorruptible; no.

74 That's why Yahweh said they were not pure in his eyes; we read that last week I believe in Job 4:18; he said they're not pure; and in Job 15:15 he said the heavens are not pure in my eyes; amen; but he said he raised up a faithful high priest; listen to what he said: the only one I have in heaven that I can call faithful is Yeshua Hamashiach; amen; amen; Hamashiach; amen.

75 Why? Because I created that boy; he wasn't a god; oh hallelujah; hallelujah; I gave him no special power; amen; just listen to me; this destroys oneness thinking that God wrapped himself in flesh and came; what would be the point? That's right; if you can trust yourself, come on; oh make it make sense; how dumb could we have been? Why would God come to trust his? Come on; makes no sense; makes no sense; a man that learned obedience; oh but he created a little boy and said we're going to create a man in our likeness; amen; amen.

76 Hallelujah; hallelujah; hallelujah; and the Bible said that little boy went with his mom and dad; they told him we're leaving tomorrow at 3:00 you be right here; he didn't do it; no; no; nope; and then we read where Yeshua had to grow in wisdom and understanding; that's right; Yahweh can't grow in anything; come on; come on Apostle; and we watch this boy go through life learning obedience; obedience; things he suffered; and how did he learn it? By the things he suffered; by the things he suffered; amen; amen; just like us.

77 Every time you find yourself suffering know one thing: your response to it is building your trust with your heavenly Father; hallelujah; hallelujah; know that; hallelujah; know that; amen; before we went on this 21-day fast, First Harvest, listen to me; this fast, this chat fast, this food; was our response to our hurt; yes sir; amen; amen Apostle; amen; we spoke not a word; a word; hallelujah; overcomers because we realized it ain't personal; it ain't personal; oh hallelujah; amen; we're learning obedience by everything.

78 If we wouldn't have had that happen to us we couldn't have overcome it; come on; come on Apostle; amen; yes; I tell you how bad it was: are you ready? Yeshua the son of Yahweh is preaching; yes sir; he's in a house, some room sort of like this, maybe; he's up preaching and somebody says uh your mama's outside wants to see you; come on; my question is why wasn't mama inside? Right; amen; but anyway; who is my mother? Your; he said who is my mother? Amen; right.

79 I don't have a mama; oh right; who is my brother? I don't have a brother unless they in here; oh hallelujah; the preaching of the word; amen; that was cult language 101; amen; that's some good language; it was a cult; amen; he said if they not in here I have no part with them; that's right; and then he had to overcome the desire to put his own family before the work of Yahweh; yes sir; yes sir; amen.

80 And he was preaching in another service and someone said hey your family's outside and they're telling all of us to run because you're crazy; did y'all know that was in your Bible? Yes sir; yeah; his whole family; the Bible said his cousins his brothers all said he was a lunatic; come on; I want you to; that's powerful; now one part of your mind says they saw the man walk on water; right; right; it doesn't matter how much some people see; people have heard me teach

four years truth they've never heard in their life; it don't matter when Satan enters their heart; that's right; right; yep.

81 How many have told me where would we go? And they're gone; they're gone; over and over; do you know why? Because Satan, the Bible said, enters their heart, their mind, their way of thinking; that's it; that's it; and suddenly what happens is we lose that test; amen; yes; they said you're crazy; he said you know what I think I'm going to do? I'm going to start a Zoom revival then; come on; hallelujah; amen; hallelujah; amen; we're going to overcome; hallelujah; we're not going to be controlled by emotions or feelings but rather by the missional that Yahweh has called me to; fire; powerful.

82 And that's why in Hebrews 3:2: who was faithful to him that appointed him; okay; Yeshua was faithful to Yahweh that appointed him; read: as also Moses was faithful in all his house; see that's why when people tell me Jesus is God I say go read Torah; amen; cuz Moses said Yahweh will raise up from among your brethren one just like me; like unto Moses; amen; Moses was over the first house, the Sarah house; amen; amen.

83 Read: for this man was counted worthy of more glory than Moses; now why did he get more glory than Moses? Moses hit that rock; come on; yes he did; Moses slipped up in a few areas; amen; listen; great man; amen Apostle; but he didn't learn total obedience; that's right; that's why he couldn't go to the promised land; yes sir; and that's why none of you will go till you learn total obedience; oh help me Yahweh; help us Lord; help me Father.

84 Read: in as much as he who hath builded the house hath more honor than the house; a son who was faithful to him that appointed him; now we're going to take a 15-minute; let's do 10-minute recess; let's be back at 3:00 and I'll let you out by 4; amen; and we'll grab dinner; and my intermittent fasting window opens in 10 minutes; so whoever had them donuts; amen; praise Yahweh; hallelujah; let's all take a little 10-minute recess and we'll be right back.
