

Creating a Bookmark Collection.

Open a link you want to save.

Click on the star at the end of the address bar

It will open a small window. Click [More...](#)

Click on **Bookmarks Bar**.

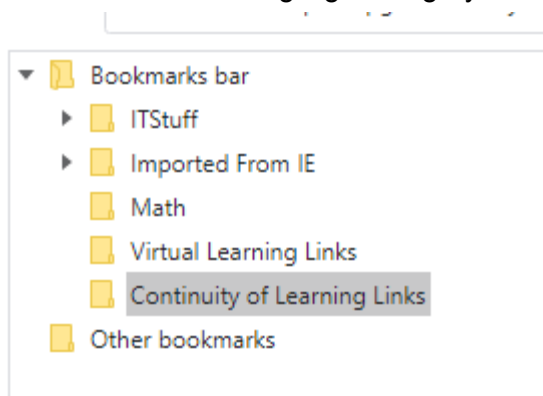

Then look to the bottom where it says [New Folder](#). Click that.

Create a name for the folder (*Continuity of Learning Links*).

Press **Enter**.

Make sure that link is highlighted / grey / selected.

Click **Save**.
