

The Wayzata Girls Basketball Association (WGBA) exists to foster K-12th grade girls basketball development in Wayzata School District, primarily focused on K-12th grade recreational programming and 3rd-8th grade travel programming as well as off-season development for all ages. WGBA also fosters strong connectivity to the Wayzata High School Girls Basketball program to build a sense of continuity and community via reciprocal support.

- 3. What motivates you to coach a Travel basketball team?

I love basketball and I love coaching. As a mom of four girls, I very strongly believe in the importance of young girls having positive female role models and leaders involved in their life that they can look up to.

- 4. What are your coaching goals and objectives for this season? (Include team and personal development goals)

My goal is to teach and focus on improving the fundamentals of basketball, and always emphasize the importance of team concepts and a “we before me” mentality.

- 5. What do you consider your greatest strengths as a coach? Where do you see opportunities for growth or improvement?

I have coached my older daughters (now in 9th and 11th grades) who have been through the WGBA, so I have a lot of experience with the travel program. I am always looking for new ideas and best practices to teach/coach while always keeping it fun for the girls.

- 6. Please describe your basketball playing experience: (Levels played, positions, achievements)

I played high school basketball in West Fargo, ND, and college basketball at the University of Jamestown (ND).
