

The prayer campaign

description

PLEASE REALLY STICK WITH DOCUMENT, AND READ IT CAREFULLY IN FULL. IT IS VERY IMPORTANT.

Daily reminder. Please everyone pray for Targeted Individual's freedom as a priority right NOW. Please pray for the end to mind control weapons systems & remote microwave harassment being used against them 24/7. **I'M ASKING TARGETS AND MEMBERS OF THE PUBLIC TO PLEASE PRAY IN UNION RIGHT NOW IN THIS VERY MOMENT.**

As part of this daily prayer reminder, I'm asking EVERYONE (targets & public members) to pray as much as you can right NOW. Please pray for 20 minutes (or even 30 if can!).

While 20 minutes is best, please pray whatever you can. Even 1 or 2 minutes will be incredibly appreciated & helpful! **Remote torture and control must stop NOW if we are to protect future generations free will!**

We will pray for 20 minutes at the following times...

- 1) 9am UK time (UTC time). This is 3am Central Standard time (CST) (i.e. the time zone for the central States in the USA)
- 2) 3pm UK time (UTC time). This is 9am CST
- 3) 9pm UK time (UTC time). This is 3pm CST.

If you need to adjust the time for your time zone/ country then please see this link and adjust from UTC time...

<https://24timezones.com/time-zones>

After finding out the difference please write your 3 prayer times down and commit them to memory. Also, please put them somewhere you can see them to remind you to pray at these times (i.e. stick them on your wall!). Then please fully decide that you are going to pray at these 3 times daily and fully commit to doing so. Also, please set your alarm on your watch at these times just in case you forget. You can also set online diary reminders to pop up (e.g. on outlook or wherever). This is the way we will get results with an 'army' of fully committed prayers. **Please do not ignore the above suggestions.** They will really help us get to the point where we do not even need the reminders because we know that each prayer time is coming up! At that point please keep your reminders going (as we are all human and occasionally can still forget!). Commitment and remembering to pray yourself at these times are key.

I WILL ALWAYS SEND TWEETS OUT ON TWITTER AT THE ABOVE TIMES AS REMINDERS. PLEASE USE THEM AS A PROMPT TO JOIN IN AS I AM ACTUALLY PAYING FOR THIS SCHEDULING WITH A SCHEDULING TOOL (BUFFER). I WANT TO KEEP PAYING FOR THIS BUT IT DEPENDS ON THE SUCCESS OF THIS CAMPAIGN.

PLEASE CAN ALL TARGETED INDIVIDUALS AND MEMBERS OF THE PUBLIC AROUND THE WORLD JOIN IN TO COLLECTIVELY TO PRAY AT THESE TIMES NO MATTER WHAT YOUR TIME ZONE. PLEASE MAKE AS MANY AS YOU ARE ABLE TO MAKE. If you miss one or are occupied then please pray at the next one later on or remember to pray as soon as you have finished what you are doing. Even if you are at work or busy you can still pray at these times when you are working by holding the intention/prayer in your mind as you work. **#PrayOnYourFeetToo**

Why pray?

These messages are part of an ongoing prayer campaign to get as many people as possible to pray to end Targeted individuals crimes which includes remote Directed Energy Weapon torture & Mind Control technology abuses. **We need to turn around the energetic advantage they have over us!**

The 'energetic advantage' is the EXACT reason why Targeted Individuals find that nothing good rarely happens. They've amassed more 'energy' behind their intentions. We must turn around this disadvantage by using consistent prayer daily. I want to emphasize that prayer is not religious. Prayer may be used in certain religions but Prayer is spiritual as it is a 'gift' available for ALL. It is simply the same as the Law Of Attraction which we are using all the time anyway whether we are aware of it. The Law Of Attraction simply states that whatever we think about we 'attract' into our reality...

This means as Targeted Individuals we can literally 'attract' our freedom by holding what we want in our minds for as long as possible (i.e. praying). Whether we're saying affirmations, thinking about what we want generally or praying directly it is all the Law Of Attraction and will generate 'energy' to free us collectively and manifest our freedom and reality.

My goal is to get EVERY single target in TI community join in this Prayer campaign & get thousand's of members of public (some of whom may be too scared to take direct action but want to help in some way) to join the prayer campaign & pray at the specified times (and whenever they can).

PLEASE NOTE: There is an even greater power with collective prayer. For example, when 3 people pray together it is greater than 3 people praying separately (even if they are praying for the same thing!). There is even greater strength when they are focusing exactly on the same prayer.

When praying please please remember to adjust for your local time zone if needed. Please also put the times in your electronic diaries/calendars or diary books & set reminders to pop up on your screen. **PLEASE REMEMBER THAT IF WE DON'T HAVE ENOUGH 'ENERGY' IT WON'T HAPPEN NO MATTER HOW MUCH ACTION WE TAKE!** Please put the times in your diary.

EVERYTHING is energy and so by using our thoughts (which are energy themselves) we can literally mould our reality to create freedom for every single Targeted individual worldwide. This is the prayer that I recommend every single Targeted Individual and member of the public use...

The reason I ask ALL people to use this prayer is because the prayer has been designed for maximum effectiveness to free us all and includes all the elements of what's important to make us successful.

If you do not feel comfortable using my prayer then please use whatever prayer you feel comfortable with & pray for as long as you are able. That said, I must remind people that if 20 mins is too long even 1 or 2 mins is incredibly helpful if that's all you can do & is MASSIVELY appreciated! Thanks.

Lastly, I want to really ask ALL my followers to really ask others to follow me including those who are known prayers/Christians/Law of attraction practisers etc or those who simply care about Human Rights & may want 2 help. **PLEASE SHARE THESE POSTS ASKING PEOPLE 2 PRAY & JOIN THE CAMPAIGN!**

We can do this reliably now because I am now on Buffer which is a social network tool (like Hootsuite) where I can schedule posts reliably and consistently 3 times a day for the prayer campaign. This means we can have faith in this to work as an ongoing campaign but we must all join in to help to make it work!

In summary...

Please join in these prayers as much as you can. The more that people get organized the better and more consistent the results will be. The more that people set their own electronic or diary reminders to pray at these times and commit to it the better. **Please remember that even if you are busy at work or doing something else you can still join in collectively to pray in your head while you are working/ busy.** Simply do this by holding the prayer in your mind and the outcome of what we want i.e. freedom for all Targeted Individuals globally (while you work or do whatever you are doing).

Many thanks for joining in! **I PROMISE YOU AS A PROFESSIONAL LIFE COACH THIS IS THE ONE ANSWER WE ARE LOOKING FOR.** Prayer goes straight to the 'source' and is even more directly helpful than action. It also inspires action and gives action power and strength.

YOU DON'T HAVE TO UNDERSTAND IT FOR IT TO WORK!! (Just try it and you will be amazed at the results I promise). DO NOT LET OUTDATED BELIEFS ABOUT NEEDING TO BE RELIGIOUS TO PRAY OR ANYTHING ELSE STOP YOU. JUST DO IT AND WATCH THINGS START TO SHIFT IN YOUR OWN PERSONAL LIFE AND IN OUR COMMUNITY! We can call prayer simply visualization or holding intention if they are better phrases that work for us - it's all the same thing!

This will start to shift things in our favour if we all do it regularly at these times across the community (and pray as much as we can generally!).

PLEASE NOTE: Massive action is STILL needed to free ourselves but if we pray then the right solutions and massive action and determination will come naturally to us as a result of our focused prayers. **THEN WE JUST NEED TO ACT.** That's how it works.

Please help me now by sharing this campaign and asking others who can help to follow too.

God bless, much love and thanks for making this campaign work!

We will free ourselves from this tyranny.
