

Glow and Grow

Through Self-Assessment

A thinking routine to engage learners in their growth and next steps

Looking at your assessment(s) think about:

- What do you see or notice?
- What new things do you see?
- What do you think?
- What makes you say that?
- What else could it be?
- What strategy did you use?
- What did you do well?
- Why do you think it happened that way?
- What would you do differently?

Response Sentence Frames:

- I see or notice...(because)
- I think.... (because)
- I use to think..., but now I know...
- It could be...
- I used strategy (because)....
- This happened because....
- I would....
- In the future...
- Next time, I would...

Glow

What I did well?

Grow

What I would do differently?
