

## Student Fees: Overview

### [Student Fees and Activities](#)

Throughout the year, students have the option to engage in a variety of student activities, which take place both on and off Rooted School's campus. ***To participate in these activities, students must be in good cultural and academic standing, and pay a \$100 student activities fee (\$50 per semester).***

Parents may submit this payment to the front office in a lump sum at the start of the school year, or at the start of each academic session. This fee must be paid through Zelle.

***Senior students have a \$200 senior budget fee due by February 15th, 2026. This does not include the cost of prom, which is communicated separately. Prom tickets cost \$75 per ticket, \$125 per couple.***
