Welcome to Kimberly High School Student Services! This is my fourth year here at KHS and fifth year as a school counselor. I will be working primarily with students whose last names start with Schm-Z.

I was born and raised in Neenah, and graduated from Neenah High School. After high school I attended and played volleyball at Binghamton University in New York! I graduated with a degree in Human Development, which combined my love for psychology, sociology and social justice. After graduation, I decided to come back to Wisconsin and attend UW-Oshkosh to receive my Masters in Professional Counseling with an emphasis in School Counseling.

My husband and I have an 18 month old little girl, Brooklyn and are excited for the arrival of our second baby girl this Fall! Our 5 year old golden retriever, Harper, is super excited to have another best friend to play with. When I'm not at school, my favorite places to be are next to a lake with a book, on a trail hiking/running or in my kitchen baking. In the fall you can find me cheering on my two favorite teams - Go Pack Go and Go Dawgs (UGA)! Please feel free to contact me with any questions or concerns.

I hope you have a great school year, I look forward to working with you!
