## Fic Content

- ❖ **Solo character, Specific WoL/NPC, or Generic WoL/NPC relationships.**
- ❖ **Rating will be Explicit** (or at the very least, rated Mature for sexual themes that don't necessarily go "all the way").
- ❖ **POV; 1st or 3rd person.** Ships can be written from the WoL or NPC POV, or switching POV between them.

- ❖ **Up to 3 characters may be involved in the ‘activities.’** If you know what I mean.
- ❖ An additional \$5 fee may apply if: I must do a *considerable* amount of research on a particular character, subject, canon plot element(s), or kinks I know little about - or if I have to juggle many character appearances.
  - As for shipping fics, it goes without saying that I’m the most comfortable with G’raha/WoL, but I’m also open to other Scion characters! I may reject a minor NPC if I don’t feel like I could accurately write them.
- ❖ Remember that this is a NSFW fic, so **while buildup and having some plot is fine, we’re building up so that 1-3 characters can get their rocks off - so that should be the central point of this type of comm!**
  - The less words you commission, the less buildup we’ll have room for. There’ll be little to none between 1 and 2k, but that also depends on how much foreplay and/or aftercare you want to include. We can go straight to the fuckening if you wish. Have it your way at Ninnie’s Noodle Fest.
- ❖ **May not include the following: non-con (mildly dubious is okay), underage or DDLG/age play, bestiality, incestuous, gore/vore, very traumatic themes, extreme kinks, or certain kinks based around inflicting pain on oneself or another person.\***
  - Examples of the latter that I’m okay with can be best described as minimal; spanking, scratching/clawing, hair pulling, leaving marks, general ouchies of rough sex.
  - Examples of the above that I don’t want to write; cutting/knife play, burning/wax play, striking, whipping, torture, and so on.
  - BDSM? - I might be more open to writing light bondage. A little fettering is good but I’m probably not going to be able write a hardcore sex dungeon. :(
  - Other than that, I’m generally open to discussion so don’t be shy to leave questions on your form submission! ❤️
- ❖ **I will NOT write any NSFW with Lalafells.**
- ❖ **Please limit the involvement of characters who are minors (under 18) in plot elements.** They are allowed to be a part of the background story events leading up to something, but they are to be kept away from explicit scenes. This is non-negotiable.

# Additional Terms & Limitations

---

- ❖ **In order to get a NSFW comm, you MUST be 18+ at the time you submit the request form! Non-negotiable!**
- ❖ I will try to get close to the mark on your chosen word count, but **keep in mind I may not reach exactly 2k, for example!** My goal is not to pad the fic with more words than necessary, but **if I am at least 500 words off the mark, I will refund you an appropriate amount.** (And if I go over the word count, I will not charge you extra - some prompts are just easier to fill than others!)
- ❖ **I may decline a commission for any reason**, including, but not limited to; personal discomfort, level of complexity I feel I can't fulfill, kinks that are automatically off the table, or characters/subjects I won't be able to write well enough.
- ❖ Please note that my receiving your form does not mean I automatically accept the commission. I will reach out to you via DM if/when I'm ready to get started!
  - I'll consult with you on things such as whether a plot may need to be simplified, whether the themes are too uncomfy, etc.
- ❖ **Completion time—from the time I accept—may take anywhere from a few days (for 1k fics) to 4 weeks or more (4k+).** I'll check in if I'm particularly busy!
- ❖ If I can't finish your commission for any reason, I will let you know and issue a full refund.
- ❖ **Because of the 18+ nature, I'll only post the link to the fic on my NSFW-dedicated side account (@midnightninnie),** which is a private account. Other than that, **please communicate with me about NSFW comms via DMs and don't openly post about Explicit comms while tagging either of my mains! Thank you for being respectful with regards to social media!**
