

Coastside CERT, [Neighborhood Group], HMB ARES, SMC MRC, DART and allied agencies would be honored to have all residents of [Neighborhood] participate in the 6th Annual

Great Coastside ShakeOut

Response and Communications Exercise

Coastside residents from the Lantos Tunnel south to Tunitas Creek will be participating in this, the only Coastside-wide earthquake drill and radio exercise. Let's be part of the fun!

Note: There will be two events!

First Event: Earthquake & Tsunami Preparedness Webinar **Wednesday Evening, September 24th at 6:30-8:00 pm.**

In advance of the Saturday exercise, we will all watch a webinar on Earthquake and Tsunami Preparedness hosted by David Cosgrave, Coastside CERT Program Manager. This webinar is open to all who live or work on the Coastside and will give all attendees real-world knowledge about what to do before and after a significant earthquake with an emphasis on how such an event will impact and be managed by residents of the Coastside. To register for the webinar and receive the Zoom info, please use this QR code:

Second Event: Coastside Great ShakeOut Exercise **SATURDAY Morning, 9/27/2025 - 10:00 am to Noon**

Each active CERT neighborhood on the Coastside will have an opportunity to practice vital skills that will be needed in the event of a major earthquake or other disaster. Join us [in/at our Neighborhood Rally Point] for great ways to connect and learn exactly how our neighborhood will respond. [We want this to be family friendly! Our neighborhood will [lead off or follow] the Great ShakeOut with a [donuts, a pizza party, ice cream, etc.]
