

Dear Parents/Guardians of Students in Grades Primary to 3,

For the upcoming 2026–2027 school year, students in Grades Primary to 3 will need to bring the following items from home:

- Bookbag/backpack
- Lunch box or lunch bag
- Indoor sneakers

Teachers will collect a **\$30 fee per student** to help offset the cost of classroom school supplies for students in Grades Primary to 3.

Fees can be paid through SchoolCash Online, our preferred method of payment. SchoolCash Online allows parents and community members to pay school-related fees safely, quickly, and easily.

Registering for SchoolCash Online is simple and secure. To create an account, please visit: <https://ssrce.schoolcashonline.com/>.

If you experience difficulties registering or making a payment, please contact the SchoolCash Online Parent Help Desk by visiting: schoolcashonline.com/Home/Support.

A special thank you to our School Advisory Council (SAC) for generously purchasing a communication folder, glue sticks, and a whiteboard with markers and an eraser for every student.

We hope you enjoy a restful, playful, and safe summer!

Thank you for your continued support. We look forward to welcoming your child(ren) back in September 2026!
