

South Green Elementary

Library Media Education Program Syllabus

Laura Johnson, Library Media Specialist 270-651-3806 laura.johnson@glasgow.kyschools.us

Vision Statement of the Libraries of the Glasgow Independent School System:

We strive to create an environment where reading is fundamental to interpretation and development of new understandings, inquiry provides a framework for learning, ethical behavior is practiced in regard to information use, information technology skills are taught for now and for the future, and equitable access to all materials is provided for education.

SGE Library Mission

Use Your imagination

Expectations:

(C) CarsonDellosa

Grades:

The Library Media Education Program at South Green Elementary is guided by the assessment of student learning data to drive instruction; however, grades are not given to students.

Supplies: Students may be asked to bring their pencil pouch to the library (pencil, crayons, scissors, and glue). Donations of tissues, hand sanitizer, and paper towels are gladly accepted.

The Library Media Education Program at South Green is aligned with the [Kentucky Academic Standards for Library Media](#). The program also integrates Kentucky Academic Standards for [Math](#), [Reading and Writing](#), [Science](#), and [Social Studies](#), as appropriate.
