## Plenary Teaching Workshops (Masterclasses)

- All are welcome to observe, just like all other plenary sessions.
- Sign-up if you'd like to sing in these masterclasses.

## Dining

Q: How does payment for the dining halls work?

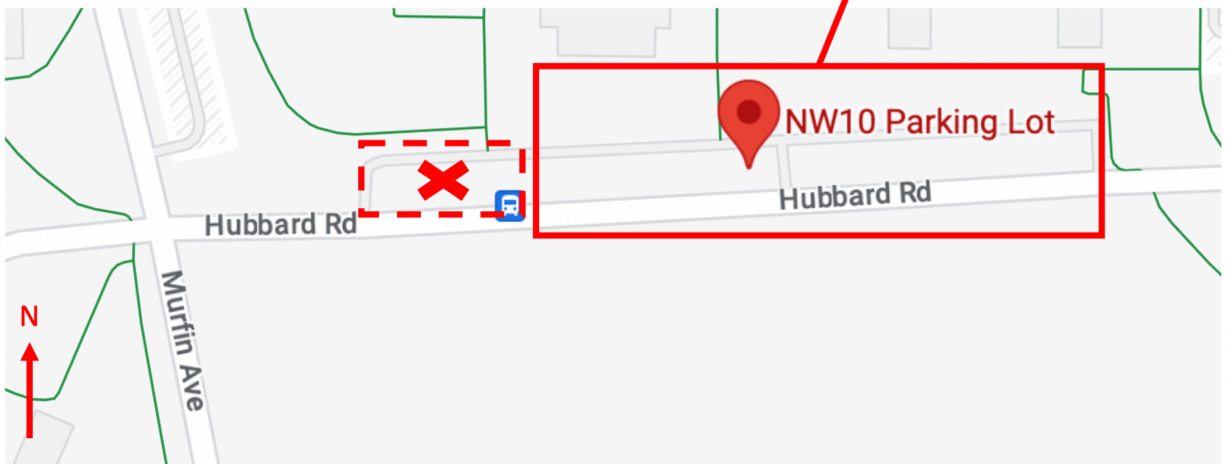

A:

- Bursley Dining Hall: please provide your name to the dining hall staff and let them know you are with the Acoustic Vocal Pedagogy Workshop (instead of swiping with your M-card). The dining hall staff will track the number of meals you ate and we will invoice you at the end of the workshop at \$7 for breakfast and \$12 for lunch and dinner.
- Pierpont Commons: please pay with cash or credit card directly.
- You are always free to explore dining options off campus.

## Parking

Please park in the “Northwood Housing” (east) side of the NW10 parking lot.

(The small section marked “BLUE” is for university housing staff only.)
