## Public comment:

This is the time we set aside for public comment or concerns about matters that are not on our agenda. We welcome your participation. However, there are some things that are not appropriate for us to hear at this time. One is complaints about individual employees of the district. If you wish to make a complaint about an employee, we have a complaint policy to follow. Another thing we can't hear about at this time is anything having to do with an individual student. These concerns must be shared in executive session.

The Board will not act on any item not included on today's agenda.

Please state your name and the topic you will be addressing before you begin.
