

OBSERVATIONS - K+LE

Dear parents, Please sign up for a 15 minute time slot to observe Ms Crisol and Ms Tanayia's class. These observation periods are intended to aid in your understanding of your child's classroom environment, workflow dynamic, and culture of learning. **Please be sure to read the last page of this document to understand the expectations of any observer joining our classrooms.** Thank you!

Note to Our Visitor

Welcome to our Classrooms at Discovery Christian Montessori. We enjoy having visitors and we hope that you will enjoy watching us work. In order for your experience to be truly meaningful, we would appreciate it if you abide by these requests:

*** Please check your cell phone and personal belongings with Ms Mary at the office before proceeding to the classrooms.**

1. Please remain in the observation chair and do not move about the room unnecessarily.
2. Do not initiate a conversation with any of the children, but if they talk to you please answer briefly and quietly. Kindly remind them that you are there to observe their work in the classroom.
3. Please do not touch the children's work or the lessons in the classroom.
4. If the children offer you refreshments or a piece of artwork, please accept graciously. But try not to engage in further conversation.
5. You may observe the variety of work which is being used by your child as well as the other children. Observe social relations/interactions amongst the children themselves. Observe the children's sense of independence. Observe the children's ability to concentrate. Observe the noise level within the environment. Observe the classroom as a whole. Please feel free to write down any notes or questions you may have.
6. Please follow your allotted time and when your visit is over, please leave quietly. To help ease the separation, please make your goodbye as brief as possible. Let your child know that you will see him/her soon. If your child does get upset, please do not worry, as we will take care of him/her and will keep you posted.

Thank you for coming to see us. If you have any questions after your visit, please feel free to contact us. I or the teachers will be more than happy to discuss with you anything that you have observed. The teachers of the classroom likely will not be able to talk with you at any length during class. They would, however, always be happy to discuss Montessori with anyone who is interested, after school. We hope that you enjoy your visit.

Blessings,

Mary Choi-An, MPS, PhD
