We concluded the 2023 Chess Club yesterday with a single elimination bracket. This round came down to Blake Tew and Griffin Herrick. Griffin ended up being the champion and decided to share the glory with Blake.

Important Recurring Reminders

“NO PEANUTS PLEASE”

Our amazing student population will include more than one student with a life threatening peanut allergy. We are asking you to start thinking now about snacks and lunch items that you can send to school that do not include peanuts. Attached you will find a PDF with ideas. Our breakfast and lunch menu will be peanut free. Each room in the building will have specific protocols to follow and they may be different. **One way to help is to have your child brush their teeth and wash their hands AFTER they eat breakfast before coming to school.** [No Peanuts Please](#) [Peanut Free Snack Suggestion](#)
