TRY WATER POLO FOR FREE - TEMPLATE EMAIL - 2025

Try Water Polo Athletes & Parents,

Congratulations to all the athletes who participated in the **Try Water Polo For Free** clinic this past weekend. All of the athletes were working hard, learning and having fun. The coaches were so proud of each and every athlete. A big thank you also to the parents who cheered and supported their athletes from the stands. We had a passionate group of athletes at the pool which is fantastic as we grow the sport of water polo throughout our community. This is only the beginning...there will be more water polo opportunities for all athletes this fall, during the school year and beyond!!!

[ENTER CLUB NAME] - Fall Season: The Fall Season begins next week on **[ENTER DATE]** with practices at the **[ENTER PRACTICE LOCATION]**. Athletes will be split into practice groups based on age/experience so please be sure to choose the proper practice group when registering. There will be multiple practices each week for the various age groups, plus competitions for athletes to put their new skills in action. ALL ARE WELCOME at the club...come out, play, practice, compete, learn, and have fun...please spread the word!!!

USA Water Polo Membership: All athletes who participated this past weekend at the **Try Water Polo For Free** clinic received a free one week membership with USA Water Polo. In order to continue to practice/compete with the club, an athlete's membership will need to be upgraded to a USA Water Polo - Bronze Level membership. Please login at the [USA Water Polo website](#) and use this step by step guide on [How to Upgrade Your Membership](#).
