**The Extended June Period is Zooming Along!**

The extended June period is going by so quickly! Before you know it, it will be time to fully enjoy the summer vacation with your families.

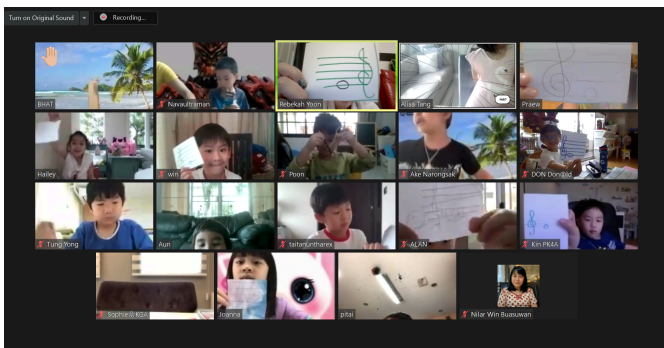

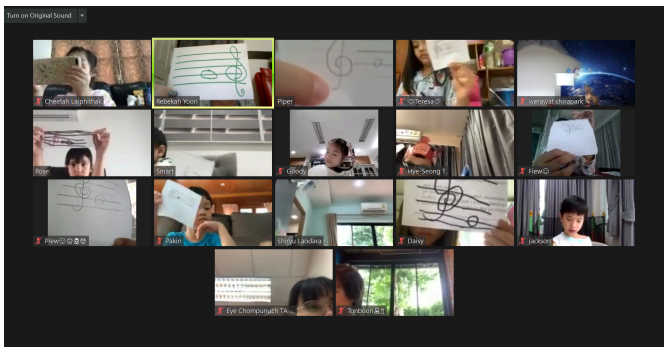

June 22nd, 2021 will be the last day of the extended ECE period. On that day, all classes will end at 11:30am.

Online learning has offered challenges for parents, students, and teachers. Parents have been amazing with the amount of support they have been providing to their children. You are all supporting your children so much.

When visiting classrooms during e-learning, it has been inspiring to see how independent many students have become and how comfortable they are using technology. Being online has brought with it innovative technology related learning opportunities. Students have excelled using these new technology tools.

Our teachers, TAs, and support staff are also doing incredible work everyday. Everyone in the school community has shown a high level of dedication and resilience.

Thank you for all that you do.

What is your favorite thing about school?

My Favorite thing about school is when I go to recess.I play with my friends. I climb in monkey bar, I play slides, hide and seek, running, seesaw and many more. In the soccer field, we run around in the circle, play cat and dog, open the basket, and we play tag. I have so much fun at recess time with
