ACCOMPLISHMENT REPORT
MFII Pasidungog 2021

Recognition is a very rewarding experience for an excellent classroom teacher. Recognition for teachers builds off some of the well-known extrinsic and intrinsic motivational theories. It offers hope for meaningful recognition to the other teachers working to improve student-learning outcomes. It also brings pride and support from the teacher's students, administration, governing board, and public.

Great teachers deserve great rewards, and nothing is more effective than praise and recognition in the form of a district teacher award. The Manolo Fortich District II headed by the Public Schools District Supervisor Sir Neil A. Improgo, Ph.D. instigated the Distrito Dos Pasidungog 2021 together with the active participation of the school administrators.
