

Ukulele Club Info.

- ★ The cost of ukulele club is \$70, which covers the cost of a ukulele with carrying bag & a club t-shirt.
 - This will be YOUR child's ukulele to use in the club and take home to practice with. When the club is over it is yours to keep forever!!
 - If you currently own a ukulele and would like to use it for the club, please see Mrs. Orr for more information.
- ★ Ukulele club will meet from January until April on Monday afternoons from 3:10 - 3:45pm.
- ★ Students may be dismissed from the Stribling Ukulele Clubs for the following reasons:
 - bad behavior/refusal to work during rehearsals or performances
 - 2 unexcused absences from ukulele practice. Please let me know if your child is sick or has a doctor/orthodontics appointment. If I don't hear from you, the absence will be marked as unexcused.
 -
- ★ **Advanced Ukulele Club** - this is a group made up of students who were in Ukulele club last year & would like to join again. Your child does not have to join our Advanced group if they do not want to. Cost is \$25 for a club shirt & fees. This group will meet from 3:10-3:45pm on TUESDAY afternoons in the Spring.
- ★ Please be aware that due to the need for small group instruction I will only be able to accept the first 25 students - thank you for understanding. (If you receive a message that the form is closed then we have reached capacity.)
- ★ Sign-ups for Beginner Ukulele Club will be on October 16, 2023. I will send a link to the online registration form at 6:00pm that day. I will only be able to accept the first 25 students that complete the form & bring their club \$ to me.

If you have any questions or concerns, please call, email or send me a note. There is also a ukulele information page on my school website.
