

Abstract**6000-character limit**

Note: The text in maroon color with grey background is for the team's reference to prepare each section.

Previous Application Submission:

Identify whether the proposed project or application has been previously submitted to DOE. If not submitted previously, note as "Not previously submitted to DOE".

Senior/Key Team Members:

List individuals who contribute in a substantive, measurable way to the execution of the proposed project and their proposed roles.

Proposed Subrecipients:

List all subrecipients planned for the award and their locations (addresses).

Proposed Vendors or Subcontractors:

List all vendors or subcontractors planned for the award.

Project Description:

Description should not exceed 200 words and should provide a truncated explanation of the proposed project.
