

Usage Policy:

We request that you credit the artist(s) and song(s) used in the description of your video or livestream.

Space Man Records Music is available for free use by independent creators and their User Generated Content (UGC).

If you would like to remake, remix or make a cover of a track we request that you credit the artist(s) and song in the description.

Please note that the music is not royalty-free, and the rights are still owned by Spaceman Records.
