

## What happens to my data?

At Regen Labs we take the security and privacy of data we collect very seriously, and strive to be compliant with existing laws about data privacy.

Here is an overview of our security measures and privacy policy.

## Where do you store my data and how is it protected?

- All Regen Labs employees are bound by strict confidentiality agreements to not share personal or business data.
- Your data once entered into Google Forms is secure on our password protected subscription service. We download the data into password protected Google Suite.

## Do I retain ownership of the content I share?

- Yes. Regen Labs has no rights to the data you share. We will not share your data with 3rd parties unless:
  - We share exactly what we plan to do with you first, and you have provided us with written permission.
  - We are required by law.
- As the owner of the data, you have the right to instruct us to delete any records we hold on Google Form or on our Google Suite.
