

## **Corunna Middle School - Virtual Learning Updates - November 9, 2020**

### **Thank you!**

First, I would like to thank everyone for your understanding and support as we have moved to virtual learning. Again, this decision was made due to a staffing issue. Unfortunately, substitute teachers are very difficult to find these days, and we needed more than were available. We look forward to offering face-to-face learning on November 23!

### **Chromebooks**

If you still need a Chromebook for your student to use during online learning, please click on the link to request one: <https://forms.gle/BZyN2raTMi8NTSSH6> The office is open from 7:00 a.m. to 4:00 p.m. for Chromebook pick-up. Parents can use the canopy/main entrance to enter the office and pick up the device. Adults entering the building will need to complete a health screening form at the door.

### **Other Student Items**

Our building will be open Monday-Friday from 7:00 a.m. to 4:00 p.m. Students are allowed to come into the building and go to their lockers and classrooms to gather materials they may need to continue learning from home. Students should also enter the building using the canopy/main entrance but do not need to complete the health screening form.

### **Office Hours**

To help navigate online learning for all of our students, teachers will be offering **Office Hours** throughout the day to help answer questions students might have about the lessons/assignments being pushed out in Google Classroom. Each teacher will be available for two 45 minute sessions in which students can join the Google Meet to get help. These are not required but are strongly recommended for students who need help. Teachers can also be reached by email if additional support is needed.

Office Hours will be offered **Monday - Thursday** during various scheduled times from 9:00 a.m. - 2:45 p.m. Please click on the link below to access specific times and specific links to join the sessions with the teachers to ask questions.
