

Luther Wood Memorial Science Scholarship

Deadline to submit to counselor is May 1, 2024.

The applicant should have a GPA of 3. or above. In order to apply, you should be planning a career that is science related. Luther Wood taught science for 30 years at Checotah High School. He continued to volunteer at the high school and alternative school even after that. He was a man who loved learning and never stopped learning. As an applicant, you should demonstrate this characteristic. This \$1,000 scholarship will be awarded to one student. It will be paid to the school the individual is enrolled in and will require proof of enrollment and other information.

- Complete the **attached application** form in **complete sentences**. If the space provided is insufficient, you may attach papers. Make sure to include the question being answered and clearly note additional papers in the application.
- Attach a **seven-semester transcript** from the school.
- Attach an **academic resume** which lists your accomplishments and honors in academics, extracurricular activities, and service/leadership to school or community. **Limit this to one page.**
- Attach **two letters of recommendation** from people who are **NOT related** to you. The recommender should describe how he/she knows you and for how long. He or she should also speak to your strengths both academically and personally and any knowledge he or she may have regarding need for scholarship assistance.

Consider this application page as your **coversheet**. At the bottom of this page, clearly write your **name, address, cell phone number, and email address**. You should have an email other than the one assigned by the school since it will be deleted after you graduate, and we may need to contact you after that time. **Also, please give the name, address, and phone number of a person who will be able to contact you and will know your whereabouts.**
