

Hello Hannah!

I've run into your business "Meditation Coach & Well-Being Facilitator" on Google Search and I'm quite impressed!

It must be hard with this "niche" to get attention for your shop or getting sales for your right?

I bet I could help you out with that.

My name is Paul. I specialize in online marketing and helping businesses such as yours grow and 10x in revenue.

With your Shop and my skills, I feel we can take your business to the next level. If you're down for a complete upgrade, let me know.

Try this – "It must be hard getting clients to come to your website, huh!"
[State the problem exactly as it sounds in their head]

The problem you've stated doesn't sound personalized. Maybe they don't even know what "niche" means.
