"It's time to write stories worth writing home about."

1 Sam. 14: 1-15

- He can win a battle...
- The Lord's sign that He will help s defeat them
- The Lord will help us defeat them.

Bad things happen to good people who live life in neutral

- Saul is living in neutral, doing nothing, sitting under the pomegranate tree
- He didn't have his eyes on the mountain-maker, his eyes were on the mountain
- Earlier Saul had done nothing against Goliath

Hebrews 11:1, 6

When's the last time you did something that required faith?

Jonathan knew faith was an action.

Armor-bearer says, "Do what you think is best. I'm completely on your side."

- Many of us won't be Jonathans, but we can all be armor bearers

Matt. 25:24 Parable of the Talents

- You wicked, lazy servant, living in neutral
- Neutral living is defined as wicked

Sometimes we have to stop praying and start obeying.

James 2:17-18

Jonathan's plan is a terrible plan. Story is more about God than anything else.
