Winter MAP Test

KINDER- 3RD GRADE: MONDAY, DECEMBER 2ND-20TH

WHAT IS MAP?

It's a computer adaptive test created by NWEA that students take three times per school year. The results provide teachers with information to help them deliver appropriate content for each student and determine each student's academic growth over time.

HOW CAN YOU HELP YOUR STUDENT?

- make sure your student is at school & on time
- get plenty of rest
- eat a healthy breakfast
- Advise your child not to worry about the test—just to do the best they can
- "Show what they know"
- ask your student what their MAP goal is

**PLEASE CHECK WITH
YOUR TEACHER FOR
DETAILS ON TESTING
SCHEDULE**

WHY IS IT IMPORTANT?

- It helps show teachers what students know
- It drives small group instruction It measures what students know
- It's a benchmark assessment
