

## Cold War and NK unit test

### Big Idea for SUMMATIVE test.

1. *To what extent should North Korea continue their nuclear program?*
2. *To what extent is North Korea at fault for their current situation?*
3. *To what extent is the US/SK promoting the North Korean regime to stay insular (Hermit Kingdom)?*
4. *What are the political patterns that North Korea has established since the downfall of the USSR?*
5. How does North Korea use its nuclear superiority in the region to promote its own agenda?
6. What obstacles must North Korea overcome in its drive to be a regional player?
