

Portage Northern High School

#PACKstrong Parking

Sponsored by the PN Student Senate

What is #PACKstrong Parking?

In order to make our campus come alive and to build school spirit, this year you may reserve your very own personal parking spot for the 2025-26 school year!

- ☐ For \$20, you can buy a regular parking pass.
- ☐ For \$40, you can reserve a specific spot to call your own for the entire 25-26 school year.
If you would like to reserve the same spot you had this year, you may keep your current spot and design for just the \$40 fee.
- ☐ For \$60, you can paint your reserved spot with a painted design.

How will it work?

When you purchase a parking pass for the 2025-26 school year, you can reserve a specific spot by completing the form attached below. If you wish to paint your spot you need to submit a design for administrative approval as well. Parking Passes can be purchased in the Portage Northern Main Office with cash only (sorry, you can't venmo Mr. Lowder!) following the dates below:

- From May 27-29th, Anyone who would like to keep their spot from this year can reserve their current spot for next year.
- From May 30- June 2, next year's Seniors can begin reserving a specific spot.
- On June 3th, reserving a spot open to any student.
- If you wish to purchase a spot over the summer, please call and check office hours to be sure someone is available to take your payment.

#PACKstrong Parking

What else do I need to know?

On August 18th the parking lot will be open from 9 - 3 if you wish to paint your spot - or get someone to paint it for you. From that day forward, your spot is reserved for you during the school day for the rest of the year! Please note that it is not necessarily guaranteed for sporting events or during after school hours.

Design

We want you to be able to show off your #PACKStrong personalities. Designs should reflect your personality and be school and community appropriate. Be as creative as you can! In order to do that, follow these guidelines for designing your personalized parking spot:

- Designs should be positive and use school appropriate language. Use of negative or rude language, double entendres, or trademarks subject to copyright may be rejected.
- All designs must be approved by the office prior to painting.
- If paintings are not approved, they will be washed away and you will lose your space. No refunds will be given.
- No painting will be allowed before or after August 18th, so make sure you are ready to go.

Materials

You will need to provide your own materials. We do recommend coordinating / sharing with others to bring the cost of supplies down. When it comes to materials, here is what you need:

- ☐ You must provide your own paint. The Paint ***must be water-based exterior latex*** (no spray paint or airbrush). Any home supply store like Lowes or Home Depot will help you find the right kind of paint. Before you start painting, you must show your paint to the administrator on duty at the time to make sure it is the right kind of paint.
- ☐ Your own brushes or rollers.

The following items are not required by highly suggested:

- ☐ Painters tape
- ☐ tarps, or plastic sheeting (something to block off the rest of the parking spot with so paint is only on the designated block)
- ☐ an old towel or scrub brush to clean up an area if you make a mistake or spill paint
- ☐ a bucket for water to clean up brushes or any mistakes are recommended.
- ☐ a broom or another way to clean off your space before painting.
- ☐ lots of water and sunscreen (you are on pavement all day!)
