Last updated: July 17 2025

These Terms and Conditions govern the use of all music, content, and assets provided by Tubebackr Music, which includes works by both Tubebackr, HiLau and Filo Starquez. By downloading, using, sharing, or synchronizing our music, you agree to comply with these terms.

Key Rule: Authorized Use Requirements

Commercial and public use of Tubebackr Music (including music by Tubebackr, HiLau and Filo Starquez) is only permitted if at least one (1) of the following conditions is met:

1. A valid synchronization license has been purchased from www.tubebackrmusic.com;
2. Proper attribution has been clearly and accurately included at the time the content is published, in accordance with our attribution guidelines;
3. Prior written consent has been obtained from Tubebackr Music.

Any use of our content that does not meet one of these three conditions is considered unauthorized and may result in copyright claims, takedowns, retroactive license fees, or legal enforcement.

Chapter 1: Copyright Protection

All Tubebackr Music content—music, artwork, videos, and logos—is protected under international and EU copyright law.

The term “royalty-free” means you are not required to pay recurring royalties provided you have either:

- Purchased a license;
- Properly attributed the content;
- Or received written permission.

All copyrights remain with Tubebackr Music. Nothing in these terms constitutes a waiver of our rights. We assert our moral right to be credited as the author.

Failing to attribute when required is a breach of this right and constitutes unauthorized use.

Commercial use includes, but is not limited to:
