Updates & Upcoming Events

The building is really coming along. The custodial crew has been working really hard over the summer and everything is looking great.

Working with Mrs. Cline and Mrs. Hoffmann on an elementary family recess night for the middle of August as part of our TITLE community outreach. It is in the very beginning stages but tentative plans are for August 21st. We plan to invite families to come play at the playground and invite food trucks to come out and have a fun night.

Admin. team has met to finalize back to school agendas and plan out PD to begin the year. Staff will have a more hands on role this year with planning out the Wednesday PD.

Resources are all ordered and delivered for next year.

All required state trainings are assigned to staff through Vector solutions for staff to start working on. Staff have access to these trainings already but will have some time set aside during teacher inservice days to work on these.
