B. Read the given paragraph based on moral values:

And where there is Truth, there also is knowledge which is true. Where there is no Truth, there can be no true knowledge. That is why the word Chit or knowledge is associated with the name of God. And where there is true knowledge, there is always bliss (Ananda). There sorrow has no place. And even as Truth is eternal, so is the bliss derived from it. Hence we know God as Sat-chit-ananda, One who combines in Himself Truth, Knowledge and Bliss.
