

Heartland Gaming Convention Consignment Shop

Have gaming items that you no longer want in your collection: RPG materials, board games, miniatures, TCG lots, video games? There will be a consignment area at the Heartland Gaming Convention this year on May 31-June 1, 2025. We'd love to help you sell your gaming items to other gamers.

WHAT MAY BE SOLD IN CONSIGNMENT SHOP:

Please only bring items that are complete and in good, clean/working condition that directly relate to gaming. Examples include board games, card games, miniatures, terrain, video games, video game consoles, RPG books, dice or any gaming accessories. We will have a display case for smaller items this year. While we do not have a limit on the number of items you may bring, please keep it manageable for pickup and transportation. Note that this is not to be used as an alternative to acting as a vendor and that HGC staff and volunteers have the right to determine that any item is inappropriate for sale in the consignment shop at check-in and refuse to place it in the consignment shop for sale. If you have questions or a concern as to whether a particular item that you are considering bringing to sell in the consignment shop is acceptable, please contact us at heartlandgamingcon@gmail.com.

CHECK-IN OF CONSIGNMENT ITEMS:

Check-in of consignment items begins when the convention opens on Saturday. Items will stop being accepted for check-in on Sunday at 11am at the latest but HGC reserves the right to close check-in earlier if the consignment area is full.

Each consignment item must be clean and labeled with a completed item slip (found on the second page). **To expedite your check-in process, you should print and pre-fill out the slips and have them attached to your items before coming to the convention.** Please print legibly when filling out the item slips and attach them to your items with painters tape or rubber bands to limit damage to them. If you don't have your items labeled prior to check-in, you will be provided blank labels and asked to fill them out at the convention.

Note that for a greater chance of selling your item, there is a separate "Sunday Price" if you want to offer your item at a lower price on Sunday. Our volunteers will do their best to get all of your items displayed and sold, but please be aware that space is limited so our volunteers will use their best judgement on what items will be displayed and how they will be displayed.

You must sign the consignment agreement form at check-in.

CASH-OUT & PICKUP OF UNSOLD ITEMS/DONATION:

The convention will take a commission of \$1 + 10% on each sale. Standard pickup of unsold items and cash out for sold items is scheduled for 2-3pm on Sunday June 1, 2025. If you must cash-out/pickup earlier, please be patient with our volunteers if they are busy with customers. Remaining unsold games/items must be picked up by 3pm on the Sunday of the convention or they will be donated to local gaming groups.

DISCLAIMERS: This consignment shop arrangement does not create a bailment. While there will always be someone on duty in the consignment area, we are not responsible for any damage to or loss of your items.
