## HOW TO MOVE AROUND IN NAFPLIO

Nafplio is a very friendly city for those who don't have a vehicle, given that cars and motorcycles are not allowed in the historical center.

If you don't have a car but you still want to book your accommodation in the center, you can use a bicycle for free (available by Nafplio's Municipality) or rent one on your own, for your transport to/from Fougaro. Another option if the weather is good, is to explore the city on foot!

## HOW TO COME TO NAFPLIO

Nafplio is more or less a 2 hours drive from Athens and 1,5 hours drive from Kalamata. Coming from abroad means flying to Athens and then renting a car or using public transport ([intercity bus](#)) to reach Nafplio. For everyone interested we will be sending an email with a carpooling app in order to find others and travel with them.
