BJA Event:

Feedback statement: Why this talks again for BKA
Broad Audience ca. 120 persons
Realistic informative talk but also highly entertaining
Good impression
A lot of students were interested and want to pursue maybe internship
A lot of questions and exchange (Visitenkarte)
A lot of subjects and also different MINT and engineering subjects were covered
(Maybe approach different research areas)
Maybe put him in the talk list
Free advertisement for them (day to day and also research there)

Internally:

People who didn't show up to the after event
Maybe more precise that we go to the city
Not to precise that we don't get approached

Carrier without labcoat:

Merck guide
More advertisement that it is science and communication
Poster session?

Sanofi excursion:

16.06 as a fixed date,
Werksführung big tour and lunch with experts

Patentanwalt
