Key v36

“And he took the seven loaves and the fishes, and gave thanks, and brake [them], and gave to his disciples, and the disciples to the multitude.”

We should be willing to give up what we have for the Lord and for other people. Even if you think it looks insufficient to you, God can bless it and make something much greater out of it than you think.

Application

Sometimes it seems like the amount of time that I have is too little to get anything of value done. Then I might be tempted to just waste the little bit of time that I have because I feel like it couldn't get anything done in that amount of time anyway.

When that happens, I'll give the little bit of time that I have to the Lord, and do what I should with it. Then we'll see what the Lord can do with that.
