

Roll Off Dumpster

[Centex Dumpster Rentals](#) will analyze your waste stream and create a plan to reduce your environmental footprint.

Our company services the Cedar Park, Texas Area, and we are growing every day.

Yes, we strive to be as responsive as operationally feasible by offering same day and next day service to our customers.

Centex Dumpster Rentals realizes that your needs may change and thus we make it easy for you to modify services to reflect your dynamic needs. If you would like to add new services or remove existing services, please contact have us.

We service all types of commercial and industrial waste needs. For items, such as paint cans, tires, appliances, oil or other chemicals, you may need to visit one of our transfer stations to have these items recycled. Speak to a Customer Care agent about your options; we may be able to haul it for you or refer you to an alternate collection station.

As consumers, we all generate waste. Whether it be the daily trash and recyclables we accumulate in our homes and businesses, or special home improvement project materials (like adding a new roof or

remodeling a room) and commercial work site refuse, it all need to be properly removed and transferred to a recycling center or approved dump site.

[Centex Dumpster Rentals](#) has a number of recycling and waste disposal rental options for any sized job. For residential properties, there are 18-gallon containers, 35-gallon carts or a 95-gallon carts for weekly curbside pickup of garbage or bi-weekly pickup of recyclables.

For businesses, metal dumpsters are available for both garbage and recyclables in sizes ranging from 2 cubic yards (72" wide, 36" deep, 40" tall) to 8 cubic yards (72" wide, 66" deep, 80" tall). 2- and 4-cubic yard plastic containers on casters are also available.

For larger remodeling projects and commercial applications, Bay Disposal & Recycling offers rolls off containers ranging from 12 cubic yards (8' wide, 14' long, 4' tall) all the way up to 40 cubic yards (8' wide, 22' long, 8' tall). These can be picked up on-demand as needed. Roll-off containers are also available for recyclable materials including brick, wood, block, concrete, and ferrous (steel, iron) and nonferrous (aluminum, copper) metals.

Which one is right for your specific needs? Give us a call or email us and let's talk about it. We'll be happy to discuss your average weekly usage for regular pickup applications, or what you may need for a remodeling project based on the size of the room or rooms being remodeled and the amount of materials that may potentially be removed from your home or office.

The best way to inquire about services in your specific area is to contact Customer Care at (512) 813-0619.
