

**Who am I writing to? Who's my avatar?**

I'm writing to people who want to know how to make money or struggle with making money

**Where are they now?**

Might be tired of being broke or

They might be aware of the hard work they have to do and what it takes to make money

**Where do I want to take them?**

I want to take them to a page that will solve their problem

**What steps do I need to take them where I want?**

I want to grab their attention with this Email, ad or web page with the headline, I must intrigue them, only get them to want to know more with curiosity all the way, unanswered questions, engaged in my email, use kinesthetic and sensory language to play mental movies in their mind make them want to click or make them feel fear of missing out

**DIC:** How to make money like rich people

Hey, want to know how rich people go around using their money.

Well you not the only one, a lot of people don't know how rich people use money

99% of people have no clue what to do when they have money, and I don't blame them for that, cause they were not taught how to use money or make it

There is a lot of ways rich people use and spend money

If you want to know more on how rich people live and be like the 1%

**PAS:** Want to know how to make money like rich people?

Are you tired of just always scrolling on your phone and having nothing to do but just scroll

Sure that's bad enough that you hate it. looking back, I used to do what you are doing

Sitting down just scrolling down the phone and consuming is bad for your health. Always trying to buy things all the time but don't even have money to buy with.

Spending thousands of hours and dollars just on stupid things that I never needed or are important

Now all that is over, I get paid for working on my phone but not everyone can do, only those who are determined can

By using the steps that only 1% know and be ahead of 99% of majority people don't know. Make money from home on your phone

**HSO:** Made 10k a week online and you can too

From just anywhere as long as you have a phone, you good to go.

I had finally started to make money for the first time of my life.

With only hard work and doin what's supposed to be done like how the rich do.

I was able to with just my phone. They help you with all that's needed to get rich.

Step by step process that I followed and got me to be making 10k a week
