ESEA Coordinator Calendar

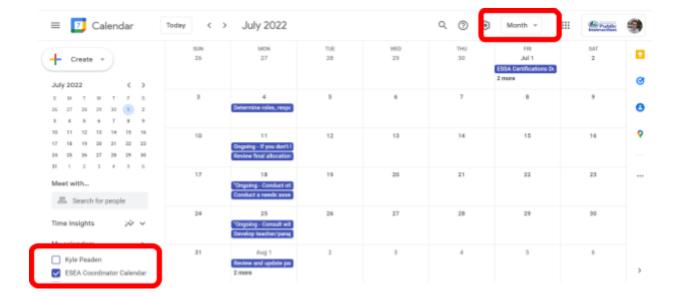

The <u>current ESEA timeline spreadsheet</u> is also available as a Google Calendar from DPI that can be followed and has updates pushed from DPI straight to your calendar. Once the calendar is saved as a part of your options, this calendar can be toggled on and off to change viewing of your activities.

This Google Calendar link allows you to access and add the calendar to your options. https://calendar.google.com/calendar/u/0?cid=Y184ZWkxZnQ3aWk3MGU3ZjZrdTVocTkyMHJ0a0Bncm91cC5jYWxlbmRhci5nb29nbGUuY29t

Viewing Options:

You can toggle the ESEA Coordinator Calendar on and off using the checkbox options on the bottom left.

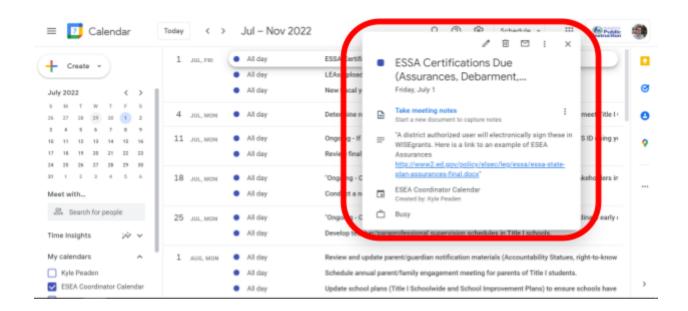

You can also adjust your calendar view by clicking on the options available at the top right. This may be helpful if you are wanting to change from a week, month, or even schedule viewing options.

Details

Details of the timeline reminder are available and can include links to resources and a further description of the actions necessary if a task needs to be completed.
