

Re-meeting Evelyn

//You can only re-meet Evelyn if you didn't leave the first time. Evelyn stays gone for a week after you meet her.

[Evelyn]

//tt:Oh, the door to Evelyn's room is slightly ajar. Déjà vu -- is she inside?

You knock lightly at the wooden door, calling out for her. "Evelyn? Are you here?"

"[pc.name]? Is that you?" a voice calls from inside. "Come in."

You enter the room, closing the door behind you, and the first thing you notice is the sheer amount of tomes lying around. The next thing is just how striking Evelyn is in her dress despite her obvious tiredness. Has she been lugging stacks of books up and down the stairs all day?

"Hello again," Evelyn says, smiling at you as she straightens her back and sighs. The effect it has on her bust is mesmerizing. "This is good timing -- would you help me put these books into the bookcases?"

There's several new bookcases in her room that weren't here the last time. She's evidently <i>really</i> keen on books.

[Help Her] [Do It All]

[Help Her]

//tt:Put the books away together with Evelyn.

"All right, I'll get these," you say, crouching down and picking up a few volumes. Alchemy, magic, various flora -- there's a breadth of subjects amongst these. "Do you want them somewhere in particular?"

"Oh, no, put them wherever you like," Evelyn says, waving a hand. "It's all the same, I'll read them when the fancy strikes me."

With the two of you working together it doesn't take much time to get all the books away, though Evelyn is appreciably slower. She doesn't seem very accustomed to physical work, seating herself on the bed with a tired sigh when you're done with it all.

"Would you like a back massage?" you offer, nodding at her. "You look like you could use one."

"That would be wonderful," she says softly, closing her eyes as if to imagine it. "Let me just get out of this."

Before you can reply she's opened her eyes, stood up, and stripped out of her dress. The sight of her luscious body renders you speechless, a demure smile on her face as she turns away to lie on the bed face-down. Her immaculate breasts and pink nipples are not sights you'll soon forget, not to mention her curvy ass -- you had thought the dress flattering, but now you can see it only hid the truth of her beauty. You're [pc.cockVagBoth|hard|wet|hard and wet] before you even climb onto the bed atop her, gazing at her perfect pale skin. Even her back is pretty, smooth and unblemished.

You reach down and gently rub Evelyn's shoulders, earning an appreciative murmur from the naked woman that makes <i>you</i> shiver a little. You'd like to hear that noise from her lips more often. Shifting your hands to her shoulder blades, you begin working on the knots you find there.

"Oh, [pc.name]," Evelyn purrs, one leg coming up to softly touch your lower back with her heel. "Are you just good at everything you do?"

"I do okay," you say, smiling. "Does this feel good?"

"So good," she sighs. "It feels like all of my worries are fading away."

"That's good," you murmur, rubbing her smooth skin. It's astonishing how clean she is -- you don't think you've seen someone this well-kept since... well, maybe ever. "Do you have many worries, Evelyn?"

"Certainly more as of late," she says lazily, eyes closed, head resting on her forearms. "Getting some of these books was a handful. At least I should be around more often now, and hopefully you'll be around to take my mind off the rest of the world. You do that very well."

"Thank you," you mumble, blushing slightly. Evelyn certainly has a way with words. "Would you like me to go lower?"

"Oh, yes," she replies, a smile on her face. "Keep going."

You work lower and lower, rubbing and caressing Evelyn's back until you're touching the curvature of the incredibly shapely butt you've done your best to ignore up until now. Unfortunately, it's almost a given that she's noticed [pc.hasCock|how hard you are anyway. You're so stiff it feels like the air around your [pc.cocks] must be several degrees warmer.|how wet you are. You're not quite sure if she can tell that what's dripping between her thighs isn't sweat, but either way your [pc.pussy] feels so hot she must surely be able to sense how warm the air is around you.]

"Let me turn over," Evelyn says, her voice neutral.

You shift aside, your cheeks flushing as your state is revealed to the beautiful woman below you in its totality -- and then stifle a gasp as you see how thickly erect her penis is. The vein running along its underside is so swollen you can't help but stare, tracing its length all the way to the pumped-up, angry-looking head of her stiffened cock. Was she harboring this beast of an erection the entire time?

"The way you use those hands of yours is really quite special, [pc.name]," the well-endowed woman asks you, smiling up at you as she crosses her arms behind her head. "Would you continue?"

[Next]

Rather than reply by way of words you instead look down from Evelyn's face to her oversized cock and balls, gently cradling the latter in one hand and using your other to grip her immense shaft. A quiet sigh of contentment escapes her lips when you begin to stroke her up and down with a slow, lustful rhythm that has her meaty length throbbing between your fingers. It's nothing like the rest of her -- fat, rugged, and totally out of place on the body of such an elegant woman -- but somehow, the manner in which she wields it and commands your attention seems wholly natural.

"Would you like me to suck it?" you murmur.

"Not today, thank you for asking," Evelyn says with a smile. "I want to feel those wonderful hands on me. Though when you do bring me to orgasm... I'd prefer it if there wasn't a mess."

"Of course," you say, refocusing on your task. She wants you to swallow down each and every load of hot, thick spunk expelled from her pulsing cock when you make her cum. You couldn't be more keen.

She makes a quiet moan as you rub her, running your thumb up her underside and marvelling at the sheer strength with which her cumvein presses out against it while your fingers play along her skin, stretching and caressing her with care. Watching her bountiful chest rise and fall with increasing rapidity as you stroke her hardened cock, cheeks flushing red and sweat slowly breaking out across her fair skin, you find yourself swept up in Evelyn's natural beauty. Straddling her thighs you jerk her off with eager aplomb, feeling her butt clench underneath you.

"Nnf. Keep going, I haven't cum since the last time we met," Evelyn groans, reaching up to rub your shoulders. "Oh. Mmm."

Her obscene prick swells even further in your hand, driving you to jack her off even harder until precum begins to drip from her swollen cockhead, translucent stickiness that beckons you to place your [pc.lips] on her tip. Deliberately avoiding any suction that might distract from her handjob, you instead let your hot, labored breath wash across the surface of her

iron-hard length while you hold your mouth open and let your [pc.tongue] unfurl to catch a drip of her pre-seed.

"Ah, yes," she huffs, hands falling to the sheets to grip them tight and arching her back. "Oh, god. Mmh!"

A hot rope of Evelyn's creamy seed flies from her pulsing cock, splattering across your tongue and jetting against the back of your throat. Swallowing and wrapping your lips securely around her bouncing cockhead to form a seal you continue jacking her off right into your mouth, feeling her writhe and flex in orgasmic release. With your free hand you cradle and massage her taut, bulging balls, each one pressing against her underside as they struggle to offload every last drop of cum held in her reservoirs.

Working hard to swallow her pumping sperm down and ensure she doesn't catch a stray blast all up her heaving chest, you jerk Evelyn hard enough to make each spurt of slick spunk splat against the back of your gullet and drip downwards, rolling into your stomach. Your cheeks fill again and again as you gulp down loads of the panting woman's hot, salty jizz, squeezing her shaft to ensure not a single drop is left behind. When at last it appears you've drained her, you allow yourself a moment's respite before extending your servile tongue once more to catch one final errant spurt.

"Oohh... thank you, [pc.name]," Evelyn sighs, contented. "That's quite a load off, so to speak." She pulls herself up to kiss you on the cheek, smiling as she lies back down. "I am going to get some much-needed sleep. Come and see me tomorrow, okay? Well, whenever I wake up. I don't even know what day it is right now."

"Sure," you reply, smiling back at her. "Let me get the blankets for you."

Dismounting her and ignoring [pc.cockVagBoth|your raging erection|how soaked your thighs are|your horribly aroused state], you let the naked beauty settle into her bed and breathe a sigh of relief as you pull the blankets up to cover her.

"Good night, [pc.name]," she says, unable to silence a yawn. "Oh... see you soon."

"Good night, Evelyn," you murmur, closing the door. As far as you can tell, she's asleep before you've even stepped into the hallway.

//put [Evelyn] option on cooldown for 12 hours with invalid tooltip:Evelyn is sleeping -- don't wake her up just yet.

[Do It All]

//tt:Tell Evelyn to rest while you put everything away for her.

"You look tired, I'll handle it," you tell her, placing a hand on her arm and leading her to the bed to sit. "Do you want them put in particular shelves?"

"Oh, no, anywhere is fine. Thank you, [pc.name]," Evelyn sighs gratefully while she relaxes on the bed, her impressive bust jiggling slightly. "It's been a trying few days, and I appreciate your help."

"Anything to help," you murmur. You turn back to the books and take them all in for a moment. "You really weren't kidding about books for company."

A few are in scripts you can't read, but most are perfectly legible. Tomes about alchemy, magic, and a couple of encyclopaedias about various flora.

"They've been some of my dearest friends," Evelyn laughs from behind you. "Especially in recent times."

You crouch down to pick up Evelyn's books, keenly aware of how closely she's watching you. The process proves not to take very long and soon you find yourself sitting down next to the lovely woman on her bed, her shelves neatly stacked with books. Her hand comes to rest against your back, gently rubbing your [pc.skinFurScales] through your [pc.upperGarments].

"Thank you for that, [pc.name]," she says, and when you turn to look at her she's wearing a fond smile. "It means a lot to me that you would help me like this. There is one more thing you could help with, actually."

"Oh?" you say.

Evelyn reaches down and drags the hem of her pretty dress upwards, exposing her milk-white thighs and shifting her butt on the bed to get it further upwards. She has some slight difficulty before she tugs it even further upward and, with a little sigh of contentment, exposes her enormous semi-flaccid cock and the impressive set of balls that hangs behind it. You gaze down at her nethers transfixed.

"I do have to admit," Evelyn whispers slowly, her hand sliding up your back to rub your neck, "that watching you got me a little hot and bothered. I'm still a little sweaty, so would you mind..."

[Next]

"Of course not," you murmur, slipping off the bed.

"Aah, thank you," Evelyn sighs, slipping out of her dress entirely and spreading her smooth legs for you, a gentle hand [pc.hasHair|catching in your [pc.hair] as she runs her fingers through it|stroking your head]. "You really are so attentive."

Kneeling before her, you place your hands on her soft thighs and take a good look at Evelyn's half-hard cock. It's nothing like the rest of her -- fat, rugged, and totally out of place on the body of such an elegant woman -- but somehow, the manner in which she wields it and commands your attention seems wholly natural. Even the scent of sweat heavy upon her bulging nuts is like a luscious perfume to your nostrils, and before you know it you have her stiffening cock in your hand and you're lifting it up to lap at the underside.

"Mm," she moans, her toes dragging across the floor. "That's right, [pc.name]."

She grows thick and hard in your hand as you pay her oral respect, running your [pc.tongue] down her turgid shaft and lapping the sweat dripping from her gorgeous balls while her cumvein begins to throb and bulge under her skin, protruding outwards from her enthralling cock. Planting one long kiss on the base of her overlarge dick, now standing proudly upright, you tilt your head upwards to see her smiling down at you while you hold her cock in place with your fingers and flatten your tongue against her cumvein, slowly dragging it all the way up to her sensitive, swollen head. The sensual moan Evelyn makes in response [pc.cockVagBoth]makes you so hard it hurts.[has you so wet you can feel yourself dripping.]makes you so wet you can feel yourself dripping, and so hard it hurts.]

Her voice grows deep and husky when you start to play your tongue around her tip, freely licking up the warm precum dribbling from her urethra and savoring the saltiness of it. The taste is strong but pleasant, as if her sperm were an indulgence you might make when you want to reward yourself. And when you think about it, is that so wrong?

"Aah... gods -- that's good. I haven't cum since the last time we met," Evelyn sighs, softly scratching your scalp. "Keep it up and you're going to have a lot to swallow, [pc.name]."

She cries out in pleasure when you spread your [pc.lips] and begin to suck her off, hollowing your cheeks and fervently rubbing your tongue against the underside of her cockhead until Evelyn is throbbing in your mouth and pulling her thighs together, clenching her curvy ass and straining under your care. Glancing downwards you can see her sizeable balls pulling tight against her smooth underside, working against her skin and heralding what's to come.

The first rope of Evelyn's hot jizz shoots straight against the back of your throat with such force you almost recoil as she makes a tortured little grunt, fingers tightening around your head before the rest begins to splatter across your tongue.

"Oh. Oh," she moans, leaning back and tilting her head upwards. "Oh, god."

Her lively cock throbs and pounds between your warm lips, spurting glistening seed into your cheeks and down your throat as you work to swallow it all. The sound of her erotic, lusty groans accompanies your work to empty her overfull balls into your stomach, tongue dancing along her pulsing cumvein and tickling the sensitive underside of her cockhead, earning rope after rope of thick, hot seed. You don't miss even a single drop, dutifully swallowing Evelyn's spunk down every time you feel your mouth begin to get too full.

You can feel the heat of her travelling down your throat and into your tummy, warming you from the inside as you finish sucking the last few squirts of cum from her quivering cockslit, leaving her drained and satisfied. Evelyn heaves a sigh of contentment as you return to your original task -- cleaning her of sweat now that a fresh sheen of it has broken out on her creamy skin. Burden offloaded and your stomach somewhat heavier for it, she begins to stroke your [pc.hasHair|hair|head] once more.

"That's right, good [pc.boyGirl]," Evelyn murmurs. "Get me nice and clean with your tongue."

You spend several long, painstaking minutes ensuring every last inch of her nethers has been licked clean, lapping up her tangy sweat and the last droplets of cum that well up from her emptied reservoirs, sucking them from her tip just hard enough to make the woman shudder. When at last you're finished, you stand and Evelyn stands with you.

"I am going to get some much-needed sleep. Thank you for everything, [pc.name]," Evelyn says, smiling. She [pc.heightRange 0 66 78|bends down to give you a kiss on the cheek, patting your head.|leans in and gives you a kiss on the cheek, rubbing your [pc.chest].|can't reach your cheek, but settles for giving you a kiss on the neck while she rubs your [pc.chest].] "Come and see me tomorrow, okay? Well, whenever I wake up. I don't even know what day it is right now."

"Sure," you reply, smiling back at her. "Good night, Evelyn."

"Good night, [pc.name]," she says, stifling a yawn. You close the door to the sight of her totally naked, breasts bouncing as she sits back on the bed and begins to snuggle into her blankets.

//put [Evelyn] option on cooldown for 12 hours with invalid tooltip:Evelyn is sleeping -- don't wake her up just yet.

//Random event can proc rarely and only after you've done [Kneel] at least once.
{non-event:{first time:You're given her some time; hopefully Evelyn is around. You lightly knock at her door and hear footfalls from inside, followed by the sound of the lock rattling. "[pc.name]! It's good to see you. Come in!" she says, sweeping her arm wide. "Let's chat, shall we? If only I had some nice wine for the occasion."

You close the door behind you as Evelyn takes a seat on her bed, legs crossed and smiling up at you./event variant:Your knock at the door is answered by light footfalls and the slow drawing of the latch, Evelyn peeking out and looking not at you, but behind you. Before you can ask her what she's doing, she opens the door fully -- and shocks you into silence. She stands in front of you fully naked and totally unconcerned, her thick cock standing upright and stretching upwards to her belly button.

"You've given me some fun ideas for games, [pc.name]," Evelyn says, smiling. "This one is 'don't talk until you've swallowed your medicine'. Come in."

You silently close the door and stand in front of Evelyn before she [pc.heightRange 0 70]places[reaches up and places] her hands on your shoulders, tapping you with her fingers. "Down, [pc.boyGirl]."

Sinking to your knees, you've hardly opened your mouth before Evelyn's fat purple cockhead is between your [pc.lips], and you're running your [pc.tongue] along its underside.

"Ohhh, yes," she sighs, putting one hand out against the door to steady herself and running the other [pc.hasHair]through your [pc.hair]]over your scalp]. "I needed this."

Evelyn begins to shift her feminine hips forwards, sinking a few inches of her solid length into your mouth at a time and moaning almost imperceptibly. She seems to be taking great pleasure in indulging herself at her own pace, and as such the only action you take is closing your eyes and reaching up to rest your hands on her soft, womanly thighs while she fucks your mouth. The sensation of her meaty shaft sliding across the centre of your tongue, cumvein bulging, is all it takes for you to be satisfied.

Soon, though, she begins to explore your limits. One inch further with this thrust, then her swollen dickhead is pushing against your tonsils as you angle your throat for her, ensuring she can take you as deeply as she likes. She notices.

"Very good, [pc.name]," Evelyn murmurs. "Now there's a habit I want to reward -- ooh."

All ten inches of her hot, stiff cock slowly enter your throat, her seed-burdened balls pressing into your chin as she lets out a long moan of utter satisfaction. She stays like that, with her pride sheathed in your esophagus and throbbing ominously, for several seconds before she begins to pull back out. Strands of saliva hang suspended from her enormous shaft, dripping [pc.hasBreasts]on your [pc.breasts] through your clothing.[to your thighs, spattering across your clothes.]

"Oh, gods," she says, biting her lip. "You make it so very hard not to ravage you sometimes, [pc.name]."

And with that Evelyn tightens her grip on your head and begins thrusting deeper, throatfucking you in earnest while her heavy gonads slap lightly against your face. Even the way she grunts in pleasure as her plump cockhead plumbs the depths of your gullet is somehow noble and composed, though the closer she gets to orgasm -- her dick now throbbing fiercely inside you, and her nuts drawing tight -- the more she has to control herself. You can *feel* the extent of her restraint, the flexing of her muscles as she struggles to reign herself in, and that only makes it all the more impressive when she manages it.

"Oh, I am going to cum right down that pretty little throat of yours," she whispers to you, her other hand coming down from the door to hold your face. "Hold it open for me, [pc.name]."

You obey her amidst the shaking of her thighs, her stomach taut as the back of your throat is drenched in a familiar warmth. Evelyn lets out a slow, controlled breath as she cums *hard*, her oversized dick pulsing between your lips as load after load gushes down your throat with the strength of a river. You glance upwards and see her biting her lower lip so hard you worry she might draw blood, but the shifting of her ballsack against your face as she dumps a heaving tsunami of spunk into your stomach suggests her mind is elsewhere.

"Ooohhh," she breathes at last, the tension fading from her body as the strength of her throbbing dissipates, leaving you to dutifully suck the rest from her cockhole and clean her off. "Very well done, [pc.name]. I permit you to talk -- though you might wish to wait until you're done."

[Next]

She's right. You sit at her feet, running your tongue up and down her half-hard shaft and stimulating her to ensure you've truly gotten everything she has to give until she pulls herself free and gives you a smile.

"Thank you," you murmur.

"My pleasure. Now then," she says, eyeing her dress. "Take a seat on the bed and let me take a moment to get dressed, would you?"

You shift to the bed and wait for Evelyn to reclothe herself, shaking her head and letting her shiny black hair fall down her back before she turns to you and smiles gratefully. "Now, where were we. Did you want to talk some more? Or... did I waste my time putting my dress on?"}

[Appearance]

//tt:Look Evelyn over -- she's quite the sight, after all.

Evelyn is a well-endowed woman, her long black hair falling past her bared shoulders and brushing against her pale white skin. She stands at probably five foot eight inches, though the heels lend her a few extra and give her the illusion of being almost six feet tall as well as making her curvy butt very appealing through the tightness of her dress. Her glittering green eyes regard you with warmth and kindness, her pretty face unblemished save for a singular birthmark next to her pouty crimson lips.

The vibrant red dress she wears leaves just enough to the imagination, emphasizing all the right places. Her large, rounded breasts are safely covered up from the front with not a hint of her areola visible, though the valley of cleavage that lays there is more than enchanting enough regardless -- but if you look at her from the side, almost her entire breast is visible to the naked eye. She gives you a sly smile and feigns a yawn, stretching her arm out of the way and straining her dress in a manner [flags.EVELYN_PAST]most unbecoming of a dignified princess.[that has you almost breaking a sweat.]

Her back is bared, and lower still her curvaceous ass is kept *just* out of sight by the sheer hem of the dress, its shapeliness and plumpness teasing any potential onlookers through the tightness of the fabric. Below that, Evelyn wears garters and heels that look amazing on her long legs and dainty feet, showing off her thighs and calves without a care in the world.

Between those thighs, of course, is the fat, juicy cock that you can't seem to get enough of, its owner wielding it with such supernatural skill you would swear she was born with it{talked about penis: despite knowing better}. Hanging below it are two plump, heavy balls, each filled with enough warm seed to pump your flushing cheeks full of hot sperm several times over, much to your and her mutual delight. Her underwear does a very poor job of concealing them, though she doesn't seem to mind at all.

"I don't mind you staring, [pc.name]," Evelyn murmurs, sighing as she traces a line down her front with her fingers that leads your gaze right to the sight of her hanging penis, "but I'm sure we can think of more exciting things to do. Can't we?"

[Talk]

"Of course," she replies with a smile. "Don't let me distract you."

[Penis?]

//tt:Something you've been wondering about since you first met...

[pc.dcb]"So, why do you have a big, brutal cock between your thighs instead of the usual fare?" you say, raising your eyebrows. "Not exactly a common sight."

"It isn't, is it?" Evelyn agrees, uncrossing her legs. "Actually, it's a very new addition..." "I wouldn't usually bring this up to start with, but given our meetings you've gotten me more than a little curious," you start, smiling. "Why do you have a penis?"

"Haha! Good question," Evelyn chuckles, eyes twinkling. "You could say I only came by it recently..." "Sooo, like," you start, wracking your brains for a way to bring this up. "Why'd you have a big, fat, suckable cock instead of a juicy pussy? I'm totally not complaining though!"

"Haha! No, I suppose you wouldn't," Evelyn laughs, smiling good-naturedly. "It actually only happened very recently..."

She starts to explain, and bits of the puzzle fall into place. The alraune. The forests on the outskirts -- now corrupted and almost alive, and seeking people out. Corrupting them, even.

"I only came to Hawkethorne as a- a manner of escape, really," she muses, looking over to the shelves of books. "An insignificant mudhole where one could blend into the background. The castle isn't even on our maps, let alone the village."

[pc.dcb]"You're not really doing much blending in, Evelyn," you mention. "Not with that dress and that figure. You're a real eyecatcher."

"No, well, that's part of why I just stay inside most of the time," she says, looking over herself. "Ah... not to mention that my new equipment and my dress don't tend to cooperate very well in public."

"I'll bet," you murmur, thinking of that thick ten inch monster tenting her dress outwards, drooling precum. Distracting at best. "So, you [flags.ALRAUNE_KILLED]found the Alraune's garden...[met the Alraune...]" "I have to say you're not doing a very good job of blending in, you know," you say, smiling sympathetically. "You're much too pretty to be from around here, Evelyn. And the clothing isn't doing you any favors."

"Thank you," she says with a gracious smile. "You are a very genuine person, [pc.name]. I appreciate that. And, well," she continues, looking down at herself, "it's true that my clothing isn't particularly suited to cooperating with my new equipment."

"I can imagine," you murmur, thinking of that thick ten inch monster tenting her dress outwards, drooling precum. Distracting at best. "So, you [flags.ALRAUNE_KILLED]stumbled

into the Alraune's garden?|met the Alraune?]"| "Whaaat?" you say in surprise. "You blending in? You're way too pretty for that! And your clothes! So fancy."

"Haha! Thank you, [pc.name]," she says, smiling. "You might be right about my clothing. It certainly doesn't cooperate very well with my new equipment."

"Uh huh, I'll bet," you nod, thinking of her thick ten inch cock tenting that dress outwards and drooling seed. Delicious. "So, uh, you [flags.ALRAUNE_KILLED]ended up in the Alraune garden?|ran into the Alraune?]"

"Alraune?" Evelyn says, looking mystified. "I haven't read about that before..."

Now it's your turn to explain. Sitting down beside her, you tell Evelyn about Kasyrra's arrival and what it likely heralds for the land if the Alraune [flags.ALRAUNE_KILLED]was|is] any indication. You leave out the part about your extreme personal involvement, figuring she doesn't really need to know about the part where a major demon hungers for your soul. She listens rapt, fascinated by the explanation and then glances downwards.

"So you're telling me I have a penis because a demon corrupted the plant life in the forest?" she says, raising her eyebrows. "Wow."

"Well, probably," you say. "What exactly happened?"

"I don't really know myself," Evelyn confesses, sighing. "I found myself fevered and sweating in some kind of lurid glade, sat down to regain my composure, and... well, perhaps it will sound less crazy with your added context. I thought I saw tentacles crawling towards me -- and," she glances at you, cheeks flushing slightly, "experienced sex with them. All I really have are these disjointed visions, but they sure left an impression."

"And you came to with a penis instead?" you ask.

"Yes. To be totally honest with you, I'm not complaining," she says, flashing you a smile. "I've very much enjoyed what I've done with it so far, after all."

//tt:Evelyn mentioned Hawkethorne was an escape for her. From what?

[flags.EVELYN_PAST]"So if Hawkethorne is your escape from your family, do you think there's much of a chance they come here for you?" you ask her.

"Honestly? No," Evelyn replies with a casual shrug. "It's incredibly unlikely. They're looking for me, of that I have no doubt, but they would never imagine I'd be here. I'm sure just considering it would have my parents turning their nose up at the idea."

"It's not much of a place for royalty," you say, smiling at her.

"But the creature comforts certainly make it appealing," she murmurs, reaching out and caressing your cheek. "Don't they, [pc.name]?"

[pc.isBimbo]"I hope so! I don't want you to leave," you say, looking at her wide-eyed. "I like you too much!"

Evelyn grins, then laughs, patting your cheek. "Oh, [pc.name]. You are a wonderful [pc.mf|person|woman]."

"I hope so," you mumble, leaning into her touch. "I don't want you to leave, Evelyn."

"Oh, darling," she whispers, patting your cheek and smiling. "No need to worry about that."]

"Thank you for the offer, and I mean that," Evelyn says with a smile. "Unfortunately, there's no single opponent for you or anyone to strike at. I came here because -- well, because I was tired, I suppose. I don't think running away from your problems is a commendable solution but sometimes it's the only way, especially when the power structure isn't in your favor."

"Sorry I'm being so vague, [pc.name]," she adds, looking downcast for a moment. "I don't want to reveal too much when it could hurt both of us."

"It's okay," you say, patting her hand. "We've all got a few secrets."

"I can only imagine yours," she says, half-laughing as she turns to you. "I don't know if you realize quite how much of an enigma you are, [pc.name]. Do you appear in front of all of the damsels in distress, or is it just me?"

"Just some good luck," you say, grinning.

"And a bit of desire," Evelyn murmurs, leaning in until her pretty face is only a couple of inches from yours. "Or was I wrong when I thought I saw you imagining yourself in that girl's place when we met?" Lifting her hand, she gently brushes the backs of her fingers against your cheek and smiles. "Only teasing, of course."

[Past?]

//Unlocks when a week has passed after the first repeatable meeting AND when you've done at least 10 scenes with her.

//invalid tt:You should probably get to know Evelyn better and give her some time before you ask any further, given what she's told you so far.

"You know... you've been very vague about your past," you say. "It's okay if you don't want to talk about it, but if you want to share the burden... I'm here for you."

Evelyn studies you for a few seconds, then sighs. "It's not that I don't trust you, [pc.name]. I just don't know how much of my past life I want to catch up with me."

"Are the people you're running from that powerful?" you ask.

"Yes. Well, not here. I imagine I'm beyond their reach by now, though you never know with royalty," she sighs.

"You have royalty chasing you?" you say, jaw dropping in surprise.

"Oh, yes," Evelyn murmurs. "They're looking for their pawn."

She gives another sigh before continuing. "I was born in the city of Elou -- the capital of Yvennes, far south of here."

Yvennes? That's more than a month away by carriage. You stay silent, listening to what Evelyn has to say.

"From birth, I was unimportant to my family. The role of the fourth daughter isn't a major one as it pertains to political arrangements, and so I spent much of my time shut away in my room with only my books for company."[pc.bg noble scion]

"Sounds like we're in fairly similar predicaments," you say, grinning at her. "I'm the youngest of several nobles as well. There's nothing to be gained by looking back at it now."

"Ah!" she exclaims in surprise. "Then you do</i> know... it might be selfish to leave my family, but I refuse to be used as little more than a pawn in a political game of chess. Eugh."

"I do know the feeling," you murmur. "Your only friends were books, then?"| She looks over at the shelf then at you, and smiles. "Thank you for putting them back, by the way."

"My pleasure," you say, nodding.]

"Hmm. Well, I say I only had books for company, but that's not quite true. It's not as if I was neglected by my family -- just cloistered. It was very rare that I ever left the castle

grounds. So I made do with... other forms of entertainment." An amorous grin slowly creeps across her face. "We had so many beautiful maids, after all."

"You fucked your maids to pass the time?" you say, unable to conceal your surprise.

"I did," Evelyn says, smirking. "I fucked them over, and over, and over, until they would come to me begging for more. Well, being royalty certainly confers **some** advantages. Nobody is going to order a princess to stop having sex with women except for my parents, and they didn't care. If they even knew."

In hindsight, this explains a lot.

"Explains a lot, doesn't it?" she says, laughing at your expression. "Your thoughts are plain as day, and yes, you're quite correct. You're born into nobility, but..." Evelyn smiles deviously. "I like to think I earned what I have now."

"So you're a princess," you muse.

"A runaway princess of Yvennes, holed up in a dirty inn in the middle of nowhere, with an even dirtier secret hanging between her thighs," she says with a theatrical sigh, stretching her legs out before drawing them back in. "What am I to do?"

[pc.isBimbo]"Oh, yeah, totally," you nod excitedly, staring downwards unabashed. "Your penis is huge!" "It **is** a big secret..." you say, sneaking a glance.]

"Hah," Evelyn says, grinning wolfishly. "I haven't heard you complain, [pc.name]. You know, I quite like it." She leans in to whisper in your [pc.ear]. "After all, having such a **thick**, **brutish** cock just makes it so much more fun to subjugate you."

A shiver runs down your spine as she draws back giggling. That fat bulge under her dress is looking incredibly inviting...

"I do sometimes miss the times I spent with the maids," she sighs a tad wistfully. "Bringing a woman fifteen years my senior to a screaming orgasm in my bed was quite the introduction to carnality."

Perhaps you could wear a maid costume for her sometime.

[Books]

//tt:Ask about her beloved books.

[flags.EVELYN_PAST]"These books you've brought with you. Are they from your kingdom?" you ask, nodding at the shelves.

"My kingdom," Evelyn chuckles. "I suppose it is. Yes, a few of them are. I can't imagine many of them are of much interest to an adventurer like yourself, however."|"Are these books from... wherever you came from?"

"Just a couple," Evelyn says with a smile. "The rest I picked up here and there. I don't imagine they're very interesting to you."]

[pc.bg scholar]"Actually, I've read a lot of these," you say, smiling. "Like this one." You fetch a tome from her shelf and sit down next to her with it, opening to a random page. "Adleber's 'Bestiary of Fantastic Beasts'. This was always one of my favorites as a kid. Imagining all of the animals and the environments they inhabited. Yeah, here's a good one," you say, pointing at the proud creature depicted on the encyclopedia's pages. "The snowy-peaked gryphon. I always wondered if these were even real. Somewhere in the book is an actual dragon, and I don't think those were ever..."

Evelyn watches you with rapt fascination until you realize you've been rambling a little.

"Oh -- sorry, I get a little excited about books," you say, smiling and motioning to close the tome. "They-"

"No, no," Evelyn says, staying your hand by gently placing her fingers over yours. "I don't mind at all."

"Oh... that's good," you murmur, letting her slowly interlock her hand with yours. "I've spent so much time reading them I'm always enthusiastic to talk with someone similarly inclined."

"Likewise," she says, smiling at you. Shuffling closer, she drags the book over a little until it's lying between both your laps. "Here, let's see if I can find some of my old favorites..."

Leaning against each other and chatting animatedly, you spend some time smiling and laughing with Evelyn over her books and the doubtful veracity of some of the claims therein."|"Some of them look fun," you say, looking over the spines of a few tomes before finding an interesting one. "Like this one. 'Fantastic Beasts'."

"I suppose an adventurer would pick that one," she chuckles. "Oh, so many memories. I leafed through this all the time as a child, wondering if some of these were even real."

"Well, this one definitely isn't," you say, tapping a page as you pass it. "Everyone's got a dragon story, but somehow nobody's ever seen one."

"You never know! Perhaps they're just in hiding," Evelyn says, smiling. "Perhaps if I were a dragon I wouldn't have been so interested in the affairs of the outside world."

"Well, good thing you're not," you murmur, closing the book and returning it to the shelf.
"Otherwise we wouldn't have met."

"Oh, [pc.name]," she purrs. "Such a sweetheart."

[Gift]

//tt:Present Evelyn with something that might make her happy.

"So, I wanted to get you something..." you say.

"Oh?" Evelyn says, smiling inquisitively. "Go on."

[Wine]

//tt:Give Evelyn some wine to drink. She mentioned she regretted her lack of it.

//invalid tt:You don't have any wine on hand to give to her. There *is* a bar downstairs, though.

//use clothed bust

"I brought you some wine," you say, producing the bottle. "I remember you said you'd like something nice to go with a chat, so I asked Garth for the best stuff he had."

"Oh! Thank you," Evelyn says, placing her hand on her chest and beaming at you. "You are a saint, [pc.name]. Let's drink it together, shall we?"

You break open the bottle and begin drinking from it with her using a couple of glasses she had. Garth was right -- this *is* fancy stuff...

[Next]

//switch to wineglass bust

"Oh!" Evelyn exclaims, her cheeks flushed and rosy as she grips the dark green bottle by the neck and holds it up to inspect it. "S'empty. What a shame!" Turning to you, she smiles wide. "Guess the only thing left for us to do is fuck. Wanna suck my cock 'til it's wet enough to pound your [pc.vagAss|pussy|asshole]?"

The alcohol's sure done a number on her reservedness but, well... you'd be lying if you didn't think it would turn out like this and besides, Evelyn looks so hot sitting on the bed like that with her cock in the open and a wine glass in her hand wearing that sexy smile of hers. She coos and runs her hands [pc.hasHair|through your hair|over your head] as you bend to your task, leaning over to lie in her lap and lick her cockhead.

"Ooooh, yes," she whispers. "You are **so** good at this, [pc.name]. Oh! Mmm. Like you were **born** to suck my cock."

Your cheeks burn a little at the thought, but you continue blowing her all the same. The way her dick is growing thick and hard against your [pc.lips] and your tongue is just too enchanting to stop, her flexing cockhead pressing against your inner cheek as she groans indulgently and strokes your head. Even the tensing of her pretty thighs under your fingers is delightful, each little movement signifying just how much pleasure you're giving her with your mouth. Sinking to the base of her growing, pumping shaft, you give her plump balls a cursory lashing with your [pc.tongue], lapping up her sweat and musk before you hollow your cheeks and slowly rise, sucking hard all the way.

"Uunnnh," Evelyn moans, fingers [pc.hasHair|tightening around your [pc.hair]|curling into a fist]. "Gods, yes. You know what I like, don't you?"

"Mmm," you mumble around her erect penis, halfway between wanting to reply and not wanting to let up on sucking this glorious cock for even a moment. The latter wins out. "Mmmh!"

Evelyn sucks in her breath and you feel her body tremble, abdominal muscles tensing and curvy butt rising off the bed momentarily as you begin to deepthroat her, sucking her into your gullet with practiced ease. The deep groan she lets out on your outstroke is *<i>incredibly</i>* gratifying, and [pc.cockVagBoth|your [pc.cocks] immediately spring[s|s] to [s|its|their] full hardness, precum dripping from [s|its tip|their tips].|your [pc.pussy] is immediately so wet it begins to drip down your [pc.thighs].|your [pc.pussy] is immediately so wet it begins to drip down your [pc.thighs], your [pc.cocks] emulating her in [s|its|their] hardness.] You want her to moan **more**, and moan **louder**. Let everyone in the inn know how pleased she is with your cocksucking skills.

"Oohhh, god, [pc.name]," she pants, fingertips pressing into your head. "I j-just wanted you to get me hard and l-lube me up a little, but--"

Evelyn kicks her legs out and her heels go flying, shoving herself upward as she stands before you and slides her swollen cock into the recesses of your throat.

"Oh, **fuck**," she grunts, grabbing your head. "Look up!"

She steps over you and suddenly you find yourself staring straight at the undersides of Evelyn's big shaking breasts as she starts to fuck your throat, groaning in pure, unrestrained bliss. Gripping her juicy butt for leverage you let her ravage you, gurgling with every savage thrust, saliva spilling from between your lips as she forces it from your mouth. Gods, she's pounding you like an animal!

Her enormous cock begins to throb in your throat while she drills you, heavy balls slapping fiercely against your face as she pants and shudders, sweat spattering against your [pc.chest] with every impact. Breathing growing increasingly labored, Evelyn strains through

grit teeth and pulls her thighs in around your head, trapping you in place as she slams you out.

"Cumming," Evelyn pants loudly, fucking your face so deep it feels like she's about to ejaculate into your stomach. "Oh, god, cumming!"

Then all your wishes come true and a hot, thick stream of Evelyn's spunk jets right down your gullet, her loud moan of utter ecstasy resounding in your ears while her jizz splatters down the back of your throat and fills your tummy. She pulls back and resheathes herself with the force of a stallion as another river of sperm gushes from the head of her pulsating dick, the drunk, horny woman letting you feel what it must be like to sit under a waterfall. Her cum-filled balls dance on your chin, shifting against each other with a rhythm you can feel with your lolling tongue lapping at her sack.

"Uuuuhhh! Rrrrrhhh!" she growls, standing on her tiptoes and arching her back with the force of her orgasm. "God, fuck! [pc.name]!"

Playing your well-established part, you gurgle and gulp at the base of her staggering shaft, swallowing every droplet of Evelyn's hefty loads until she's cum in you enough to fill a barrel. She pulls out and stumbles backwards, falling back onto her bed panting hard while you work through drinking the last few remnants in your mouth. Gods, it's so <i>thick</i>.

"That... was nice," you finally get out, looking over at your lover. "Thank you, Evelyn."

"Oh," Evelyn says, raising her head to look at you over her breasts. "We're not done, [pc.name]." She points to her lap. "Sit on my cock and bounce. And I know you're a little tired," she continues as you get up from the floor, "so don't worry. I'll be fucking the hell out of you from below, too."

[Next]

"Yes, ma'am," you mumble, climbing atop her bed and positioning yourself over her still-hard and dripping cock.

"That's right, come to mommy," Evelyn murmurs. "Good [pc.boyGirl]."

She raises her womanly hips and grinds her iron-hard dick between the cheeks of your [pc.ass], rubbing herself against your [pc.skinFurScales] until her thick cockhead catches [pc.vagAss|against the lips of your [pc.pussy]|on your [pc.asshole]].

There isn't an ounce of hesitation from either of you.

"God! [pc.vagAssLoosenessRange 0 2 4]You are tight|You're perfect|You have a whore's hole and I love it]," Evelyn hisses, reaching back to squeeze your cheeks. "Mmh! Nnh!"

She begins fucking you hard enough to make you bounce, interspersed slaps of flesh ringing loudly throughout her room soon growing closer and closer together until you're holding onto her sweaty waist for dear life as you gasp and moan, your stuffed [pc.vagAss|slit|asshole] getting the fucking of a lifetime courtesy of your insatiable lover. Evelyn pushes you back down on her hard, hot length with every stroke, forcing you to take it balls-deep with a high-pitched grunt of satisfaction every time you slam down on her thighs. "Good [pc.boyGirl]," Evelyn moans, squeezing your waist as she empties herself to the last within you, balls-deep and pulsing. "Good [pc.boyGirl]..."

"Mmm," you whimper, tensing and relaxing as you shudder through the aftershocks of orgasm. "Ohhh..."

You slowly lie down atop Evelyn as her arms wrap around your back, holding you close and hugging your face into her neck, a sated sigh spilling from her lips across your [pc.hasHair|hair|head]. She doesn't bother to pull out, instead holding herself half-rigid inside your well-fucked [pc.vagAss|vagina|ass] while she whispers in your ear.

"Well done," she softly congratulates you. "And when I need to cum again, who is going to help me?"

"Me," you murmur into her skin, eyelids fluttering.

"That's right, good [pc.boyGirl]," she croons, stroking your back. "You can sleep in my bed, [pc.name]. Get some rest."

"Thank you," you mumble. "Good night, Evelyn."

"Sweet dreams," you hear, and then you're unconscious.

[Next]

You awaken before Evelyn does, and the woman doesn't stir as you slip free of her languid embrace. Unsurprising -- that wine <i>really</i> had you drunk, and the thought of what you did together with her brings renewed heat to your cheeks. Wincing as you slip her morning wood from your sensitive [pc.vagAss|cunny|asshole], you pad over to your clothes and sneak out to wash yourself. You'll go back and say hi when she's had a little time to sleep it off...

[MaidCostume]

//this only becomes visible after you get Evelyn to talk about her past in [Past?]
//tt:Dress up for Evelyn and clean her room just like her maids might have done for her.
//invalid tt:You don't have a maid costume. Perhaps a seamstress could design one for you...

"It's a surprise," you say, winking. "Turn around, please?"

"Very well, I'll indulge you," Evelyn replies with a{repeat: knowing} smile. "Get your surprise ready for me, [pc.name]."

When Evelyn turns away and begins to inspect a book on her bed you take the clothes out from your pack, looking through the costume until you're confident you have all the pieces. Stripping down and reclothing yourself, you can't help but marvel at just how perfectly the maid outfit encapsulates your figure -- it emphasizes your [pc.hips] [pc.hasBreasts]and pushes your [pc.breasts] out to show them off without ever letting anyone get a direct look at them[in a way you hadn't thought possible], and the sight of the fishnet stockings wrapped around your [pc.legs] is making you a little horny already. You finish by pulling the lacy white thong up [pc.hasBalls]against your [pc.balls], unable to conceal them but just barely leaving them hidden by your frilly dress.[your underside, the frilly dress barely concealing your [pc.ass] and certainly not your [pc.thighs].]

"You can look," you murmur.

Evelyn turns and you see several expressions race across her face before she finally settles on one -- a very self-pleased smirk.

"Oh," she says softly, approaching you with slow and steady steps. "One of my maids, come to clean my abode, no doubt."

"Yes, princess Evelyn," you reply, picking up a feather duster -- no doubt left by Garth or his daughter -- and smiling pleasantly at her. "Don't mind me -- please relax and I'll have your room looking spotless in no time."

"Oh, no," Evelyn exclaims, an innocent smile settling upon her face as she runs a hand up your arm. "Oh, no, no, no. I prefer to be very hands-on when it comes time to clean. I think you had better start now -- don't you?"

"Uhh... yes," you say uncertainly, glancing at her as you turn around to reach up with your duster and tap at the start of a flimsy spiderweb in the corner of her room. "As you comm-oh!"

"Ignore me," she whispers in your ear, pressing herself roughly up against your back, her jutting nipples poking you. A moment later and you feel her iron-hard cock between your cheeks, and then she's reaching beneath your skirt...

"Ah," you say, concentration lapsing. "I, um-"

"Relax," she breathes, slowly slipping your lacy panties down your thigh and sliding her cock between your [pc.hasBalls|hanging balls][pc.hasPussy|pussy lips|clenched cheeks]]. "You must be new, to be so inexperienced with cleaning. Don't worry -- I'll be here every step of the way to teach you..."

"Yes," you whisper, blushing in her embrace. "Thank you, princess Evelyn."

"Such good manners," Evelyn murmurs, [pc.hasEmoteEars|gently biting|licking] your [pc.ear]. "You'll go far under my supervision. Won't you?"

"Y-yes," you mumble, too cowed to think of anything else but how Evelyn's 'supervision' might coalesce. "I'll- I'll start cleaning your room now, princess."

"See that you do," she replies, still wrapped around you.

You meet with some success wiping the cobwebs from the corner of her room, a piece of you forlorn that a princess -- <i>your</i> princess -- has to put up with such lodgings, but your concentration is once again marred by a gradual movement from behind. She wouldn't...

You let out a loud, desperate moan as Evelyn's ten inch cock slowly but surely slips into your [pc.asshole], grinding inwards until she's got you fully impaled on her length of iron. <i>Gods</i> -- you can see the head of it protruding slightly from your stomach! With one last little push and a huff in your ear, she presses you forward into the wall and has her balls comfortably nestled against your asscheeks.

"You're not cleaning," Evelyn whispers. "Stay focused."

[pc.hasCock|The front of your costume is tented by your [pc.cocks]|Your [pc.pussy] is distractingly wet] and your asshole is gaped wide around the solid length of Evelyn's cock, but you do your best nonetheless. You dust off the walls, taking slight, gentle steps and letting out an unconscious gasp or groan as Evelyn follows you along in your progress. It's only when you're standing in front of her books that you realize something.

"Hm?" Evelyn inquires, standing right behind you and talking in your ear. "Are you having problems cleaning?"

"A-ah, no, m-mistress Evelyn," you stammer, hand shaking as you weakly dust her shelf. "I- I need to bend over to get the lower books..."

"Well, get to it then," she replies, reaching around your waist and under your maid panties to [pc.hasCock|take ahold of your [pc.cock].|alight upon your [pc.clit].] "Maids should be fast and efficient."

Having Evelyn's rock-hard cock in your [pc.asshole] is proving to be very difficult when you try to move. Taking a short, shallow breath -- all you can manage when she's so deep inside you -- you press your [pc.ass] back into her milky thighs and begin to bend over, fighting to keep your whorish moan inside your throat. Your success is partial.

"Nnngh- hh," you pant, a bead of sweat forming on your forehead. Gods, it's becoming hard to focus on cleaning. If you were to just discard this facade she'd likely indulge your desperate, flame-hot need to thrust yourself back into her, but something holds you back.

"Well?" Evelyn pipes up. "Are you going to clean, or aren't you?"

"I- I am," you manage to reply, lifting your duster. Brushing it against the spines of her books, you suddenly stop and let out a deep, lusty groan. "Wh-what are y-you doing..."

"Stretching my hips," Evelyn replies innocently, pulling backwards in such agonizingly slow fashion you have to bite your lip to keep from screaming in lust. "Just ignore me."

"R-righ-" you start before clamping your [pc.lips] together as she drills her thick penis back into the recesses of your bowels until you can feel her balls flush against your [pc.hasBalls|own|butt]. "Mmmgh-"

"Hmm," she sighs, settling against you. "There's still a spot of dust down there. Don't you see it?"

"I- I-" you manage, eyes rolling. She's started to slowly [pc.hasCock|jack you off|finger your pussy], and with how close you were already there's mere seconds left before you [pc.hasCock|blow your load all over her books|ruin your panties]. "P-princess-"

"I'm sorry, princess," you murmur, cheeks flushing as your gaze drops to the floor. It's true -- you've made <i>quite</i> the mess of her room. "H-how can I make it up to you?"

"Hmm, I don't know," Evelyn replies, laying her head [pc.heightRange 0 74]on your shoulder[against your back]. "Can you think of anything, my little maid?"

"You could," you start, gently squeezing down on her cock and receiving a fierce throb in return. "Nnn... you could ravage your maid until you blew your load deep inside [pc.hisHer] asshole if you liked, princess."

"Oh? That doesn't sound like much of a punishment," she purrs, rubbing your back. "But it will have to do, won't it?"

"Evelyn!" you groan, reaching back to hold her while she works herself in and out of your precum-dripping fuckhole. "Evelyn! Evelyn!"

The lusty noblewoman brings you to several massive climaxes before her own, pumping you full of hot, surging seed as she grits her teeth and grunts in your ear, grinding her groin into your shaking ass while you gasp and cry out her praises like the good maid you are. When she withdraws from your well-fucked [pc.vagAss|vagina|rear] you fall to your knees with a moan, legs splaying as you sit down in a pool of her still-warm sperm. Evelyn sighs happily and sits back down on her bed, apparently satisfied with her use of you.

"Best fetch some water and some towels, my dear maid," she says, nudging you with a foot. "Lest you have to lick this up with your tongue."

[Water] [Tongue]

[Water]

//tt:Of course, you'll fetch some water.

You go downstairs -- drawing more than a few interested gazes given your choice and state of attire -- and bring back a bucket of water and a cloth, kneeling as you set to your arduous task. Evelyn watches with her legs crossed and an elegant smile on her face, inspecting her floor when you finally finish with it. A flawless job, if you do say so yourself. Not a trace of your multiple orgasms remains.

"Very good," she murmurs, patting your cheek. "Run along now, little maid." She gives you a warm smile. "Come back later and we can reacquaint ourselves. Oh, and wash your uniform. I prefer my maids swallowing my seed, not smelling of it."

You nod and quietly leave Evelyn's chambers, returning to your room with your belongings and re-dressing yourself. Gazing at the costume, your mind whirls as you run through the encounter once more. You certainly have a more thorough understanding of how Evelyn came to wrap her maids around her little finger...

[Tongue]

//tt:You made the mess -- it's only right that you should take responsibility for it yourself.

"I'll clean it up," you mumble, bending down to put your face against the wood and raising your ass in the air, still dripping with seed.

"Oh? Well, well," Evelyn laughs from behind you, her bed creaking. "I didn't know I'd employed such a dirty whore as my maid. I suppose I had better make good use of [pc.himHer], then. Here." Her heels clack against the floor as she walks around to your front and gets down on her knees, presenting you with her still-hard cock. Spunk is still slowly flowing from the tip, and it's utterly <i>coated</i> in your juices. "Suck it, you hopeless slut."

"Goodness," she sighs, watching you eagerly blow her cock. "I do wonder just how insatiable you truly are, [pc.name]. Are you really an adventurer, or do you just go out and open your mouth for anyone to use?"

Evelyn shushes you the moment you think of replying. "Ah, ah. Semen sponges don't talk, silly [pc.boyGirl]. They suck and lick until their dirty little bellies are full of cum."

She's right, of course. You repay her for reminding you by sucking her plump balls, taking each one into your mouth and running your tongue along the surface of their flawless skin until they shine with saliva, dripping to the floor to join the rest of the mess you've made. Evelyn keeps a close watch on you, her pretty red lips curling upwards in a smirk as you start to painstakingly lick her spent cum from the ground.

"Gods, you're really going to do it, aren't you?" Evelyn laughs, unable to help herself. "How... degrading. I don't think any of my maids would have done this. What a sight... I wonder what the people of Hawkethorne would think if they could see this."

You shiver as a flash of heat passes through you, your cheeks burning. Curious, Evelyn looks downwards -- and immediately giggles.

"Oh, [pc.name]," she coos, reaching forward to [pc.hasCock|grip your hardening cock.|stroke your [pc.clit], watching a strand of arousal drip to the floor.] "You like that idea, don't you? Of being claimed by your princess so thoroughly you'd drink her semen off the ground."

You struggle to stay silent as she [pc.hasCock|crudely jacks you off|violently fingerfucks you], a lewd grin on her flushed face. "You are truly pathetic, aren't you? You would indulge me no matter what I asked, wouldn't you, [pc.name]? You would."

You start to pant, a low groan escaping your lips as the inkling of orgasm tugs at your mind[pc.hasCock|, but Evelyn has other plans.

"Ah, ah," she says, pushing you down. "I want to see something. Lift your legs, [pc.name]."

You obey, and she pushes at your lower back until you're curled almost into a ball, cock[p|s] hanging over your face and pointing directly at your mouth.

"That's right," Evelyn purrs, grabbing your cock and beginning to jack you off again, leaning over to watch you closely. "Tell me when you're going to cum, [pc.name]."

It doesn't take long. "I- I'm going to cum," you gasp, shivers running up and down your spine. "Ev-Evelyn-"

"Hahaha!" Evelyn laughs, her eyes glittering with joy. "Look at you. You're loving this, aren't you?!"

With her free hand she grabs her own cock, hard as ever watching you debase yourself, and repositions herself to ensure she can get it right. "Ohhh, god, this feels so good," she exults, grinning down at you. "Don't miss a drop, [pc.name]! You wouldn't want to have to clean any extra off my floor, hahaha!"

Evelyn throws her head back and moans, milking herself into your throat for what feels like a full minute, her overactive balls working to supply you with what must be a month's worth of

thick, liquid nutrition. She falls back with a happy sigh, her butt landing in the pool of juices behind her, uncaring.

"Hhaahh..." Evelyn moans, leaning back and staring at the ceiling. "Alright, you stay here. Just like that, in fact." She continues, getting to her feet with an aloof smile. "I'll go get water myself."

You [pc.cockRange 0 9]stay curled into a ball[sit with your half-hard cock held in your mouth] until you hear the sound of her return -- with other footsteps? Your heart races and your eyes widen as the sound of voices draw nearer, then fade, and the door swings open. You squeeze your eyes shut as you prepare to be found in such a compromising position -- only to find that silence greets you, and you allow yourself to crack an eyelid.

Evelyn is holding a bucket of water in two hands with some effort, and lets out a huff as she places it on the floor.

"Oof! That's quite heavy," the princess mutters. "A good thing I had those two patrons carry them up the stairs for me, isn't it?" She looks over at you and grins. "What's the matter, [pc.name]? Did you think I was going to show you off to them?"

You avert your eyes out of shyness and Evelyn giggles, laughter bubbling to the surface.

"Such a good [pc.boyGirl]," she coos. "You followed my instruction all the way to the end. Now wash me and the wood off, [pc.name]." Evelyn tosses you a cloth, and fetches the other bucket to plonk it down next to the other. "Chop chop."

Freed from your mental restraints, you hasten to serve her. Evelyn lifts her arms and lets you towel her off, removing her underwear to allow for you to clean every last bit of her sweat until she's almost literally sparkling clean. Settling on the bed, she watches you work with a comfortable smile, only breaking the silence when you've finished. | hard enough to distract you from your task, and it doesn't take long for Evelyn to get what she wants from you.

She cries out in delight as your [pc.vagAss[squeezing cunny][loosened asshole] tightens up around her fingers, grinning as she presses her thumb to your [pc.clit] and your mouth drops open. Seizing the opportunity, she pushes you down and kisses you fiercely, sinking her tongue between your [pc.lips] and sliding her fingers between your shaking thighs until your eyes are rolling back in your head.

"Whore," Evelyn whispers as she pulls back, right before pressing the attack again. "Mmm..."

You writhe and buck beneath her, arching your back as she forces you to have a second orgasm, [pc.girlCum] spraying from your spasming slit.

"You don't deserve to kiss me with these dirty lips of yours," she murmurs, seizing your chin and squeezing your cheeks until you resemble a fish. "These are for wrapping around my cock, aren't they?"

You nod mindlessly, unthinkingly. You'd agree to anything she said right now to feel more of her.

"These lips are for worshipping me," Evelyn whispers, leaning back in. "Give me your tongue."

You stick your tongue out and Evelyn seizes it between her lips, sucking on it with such ardor you can't help but grunt like you're getting fucked. Wordlessly, she takes one of your hands and places it on her massive prick, guiding you into stroking it until her breath is hot and labored on your face. She stands suddenly and, understanding her desire, you close your eyes, open your mouth as wide as you can, and let your tongue loll.

The heat of Evelyn's meaty cockhead slaps against your tongue and she ejaculates with such force you almost choke on her frothing seed. Grunting in elation, the noblewoman jacks herself off into your mouth, rubbing her fist up and down her throbbing length and squeezing it as though she were milking herself. Playing your part, you don't even dare to swallow. Instead you hold your lips open and let her jizz slowly roll down your throat as it begins to pool in your mouth, little more than a container for Evelyn's burden.

"There you go," Evelyn whispers comfortingly. "Unh. That's right. Who's a good [pc.boyGirl]?"

You are. You've never felt like so much of a good [pc.boyGirl] as you have with your mouth full of Evelyn's warm, salty sperm, letting some drain down your gullet lest it overflow and you waste any of her essence. She jerks herself off to utter completion, letting the last few drops painstakingly drip into the pool you've made for yourself, and sinks back down to her knees.

"Swallow some of it," she says dreamily. "Hold the rest in your cheeks."

Slowly, gradually, you drink down the exorbitant amount of jizz until it's manageable enough of a load to store in your cheeks, mixing with your saliva. Letting your gaze fall back down to Evelyn's face in front of you, you're taken wholly offguard when she seizes you and thrusts her tongue between your lips.

With a choking gurgle, you cough Evelyn's spunk into the woman's mouth and find yourself being borne backwards onto the floor as she swallows it down and runs her tongue along the insides of your cheeks, thirsty for more. Your payload is taken from you in heady gulps, though you manage to swallow down the rest of it when your presence of mind returns. Gasping, you try to pull back from the princess but find she's sucking your tongue clean of any last traces, and your face is jammed against hers.

At last Evelyn lifts herself off, grinning down at you as she wipes her pretty, cum-stained lips off with the back of her wrist. "Now get off your whore bottom and get water to clean me off with."

She hops off you and you grab two buckets of water from downstairs, drawing more than a few interested gazes from the patrons of the Frost Hound before you return to Evelyn's room and begin toweling her off. She lifts her arms and removes her underwear so that you can better clean her, then sits back and watches you with a comfortable smile on her bed as you set to finishing up the cleaning job of her floor, only breaking the silence when you're done.]

"Very good, [pc.name]," she says, nodding at you. "Now then, you had better go and wash yourself, don't you think?"

She's right. With a nod of farewell you head to the door, only to be stopped by her call.

"Oh, and [pc.name]?"

You half-turn before you're roughly pushed against the door, rattling the wood as Evelyn fiercely pushes her cock right up into your guts from below, penetrating your asshole hard enough to have her thighs pressed into the back of your own.

"Don't make me wait for the next time," she growls into your ear.

"Y-yes, princess," you gasp.

With that, she pulls back and swings the door open, pushing you out into the corridor and almost sending you stumbling into the opposite wall. You turn around just in time to see her blowing you a kiss and giving you a lovely smile as her door swings shut.

You return to your room, [pc.vagAss|both your pussy and your ass gaping|your ass gaping and dripping] in the wake of her last-minute treatment. Your mind is still spinning by the time you clean yourself up.

[Foursome]

//tt:Evelyn is something special -- invite <i>two</i> friends to help you satisfy her every whim.

//invalid tt:You'll need to recruit a couple of affable -- or suggestible -- friends for this, as well as being a bit more intimately familiar with Evelyn.

[pc.dcb]"I want to see you get off with three sluts at your beck and call," you say, grinning. "And I'll supply the sluts."|"I have some friends that would be interested in seeing you cum all over our faces," you say with a smile. "Does that sound nice?"|"My party would be super interested in seeing you blow a fat load all over our faces," you say excitedly. "I wanna share the love!"]

"Hard to say no to that," Evelyn muses, inspecting her fingernails. "Go fetch them, [pc.name]. I'll wait."

[Cait & Ryn]

//tt:You know just the pair to help you treat Evelyn right.

{first time:You head downstairs and, with a grin, whisper in Cait's twitching ear the details of your plan.

"She's so beautiful and dominant, Cait," you murmur to her. "Such a wonderful woman... and her cock is the size of your forearm, maybe thicker."

"Geez, [pc.name]," Cait titters, fanning herself and smiling. "You sure know how to work me up, don't you? Well, let's not wait around."

"Hold on, we're getting one more," you tell her, sweeping your arm around her hips as she giggles and leans into you. "We're going to make sure she's very well taken care of."

"Wow, is she that amazing?" she whispers, excited. "I can hardly wait to meet her!"

The two of you head over to Ryn and soon convince her, dragging the{TFed: formerly} waifish frost elf upstairs and lightly knocking at Evelyn's door.

"Come in," she calls, and you can feel the tension and excitement bubbling up from your companions. Just who <i>is</i> this lady they're going to be meeting?

Pushing the door open, you let the sight speak for itself. There stands Evelyn in her vibrant red dress, every bit as beautiful as the day you first saw her and twice as regal without her fat cock shoved down a peasant girl's throat. Her voluptuous body is so appealing it's little wonder that Cait lets out an appreciative sigh, rubbing her pale thighs together.

"Did you bring your whole adventuring party to serve me, [pc.name]? They're both so pretty I'm getting a little jealous," Evelyn says, smiling wide. "Hello, girls. My name is Evelyn."

"Caitriss, or Cait for short," Cait says, eyes glittering with eagerness. "My god, the girls would have loved you back at the temple in Jassira."

"Jassira?" Evelyn says, sounding impressed. "You've come quite far. A pleasure to meet you."

"Not as much pleasure as I'm going to get out of meeting her," Cait mutters to you, squeezing your [pc.ass].

[etheryn.highConfidence]"I'm Ryn," Etheryn announces, winking at Evelyn. "You know, I've been around a lot of nobility, Evelyn... and I've got to say it looks best on you."

"Oh," Evelyn murmurs, and you can see her nipples harden through her dress. "You all certainly have a way with words." "H-hi," Etheryn mumbles, looking down at the floor. "You're very pretty..."

"Oh, you are adorable," Evelyn murmurs, nipples hardening through her dress. "I just want to eat you up."

There's three of you -- just enough to provide Evelyn's flawless body with the attention she so rightfully deserves. Where will you place yourself?

/repeat:It doesn't take much -- any, really -- convincing for you to gather up your party members and head upstairs in a group, Cait giggling in excitement as she leans against you.

"It's us," you say, knocking on Evelyn's door.

"Come in," she calls, and you step through the boundary to present your lover with three ripe, subservient sluts. "Good to see you again, girls."

"Oh, likewise," Cait purrs. "Like I'd turn [pc.name] down when [pc.heShe] mentions your name."

[etheryn.highConfidence]"I do have a lot of fun with this group..." "L-last time was pretty, um, fun," Etheryn admits.

"Glad to hear it," Evelyn coos, smiling wide before her gaze focuses on you. "So, [pc.name]. Where did you want to put yourself this time?"}

[Suck Cock] [Suck Balls] [Rim Her]

[Suck Cock]

//tt:The main attraction, maybe. Get what's no doubt going to be a very heavy load squirted right down your throat with the three of you worshipping Evelyn at once.

"I'll blow her," you whisper to your companions, squeezing their waists. "I need to taste that cock again."

"You go, [pc.name]," Cait murmurs, squeezing you in return. "I'll get the front if you want to work the back, Ryn..."

[etheryn.highConfidence]"Sure," Etheryn whispers back. "I'm pretty good at it by now, after all." "Uh huh," Etheryn whispers back, eyes darting from you to Evelyn's proud cock. "I- I got it..."

Evelyn gives you a dazzling smile as you and Cait work in perfect harmony to help her remove her dress, exposing her immoderate assets to the warm air of the room.

{first time:"Oh, God," Cait mutters, biting her lip as she reaches out and cups Evelyn's bountiful breasts from behind, pressing herself into the curvy woman's back. "Or goddess, more like."

"It does feel nice when you call me that," Evelyn sighs, running her hand [pc.hasHair|through your [pc.hair]]over your scalp as you kneel before her and kiss her lean, flat stomach. "Mmm. Oh, I **like** this..."

"I thought you might," you reply, smiling up at her. "It didn't seem right to keep you all to myself when there's so much of you to share."

"Nnh- ah, you are eager," she mutters, reaching back to curl her fingers around Etheryn's head and pull the elf between her asscheeks, grunting quietly when attention is correctly applied. "Unh. T-thank you, [pc.name]. I'll make sure you get a **very** generous r-reward. Now, then, why don't you do what you do best?"
/repeat:"I will never get tired of seeing your body," Cait mutters, biting her lip in appreciation of Evelyn's goods. "Gods, Evelyn."

"Mmm, I do so enjoy when a partner knows my worth," Evelyn sighs, tilting her head and proffering her pouty red lips. Cait is quick to lean in and kiss her from behind, closing her eyes and moaning in happiness as Evelyn skilfully wraps her tongue around the busty catgirl's own, pulling back and grinning down at you. "As I'm sure [pc.name] knows."

"You're a very good kisser," Cait huffs, cheeks flushed as she joins you in front, kneeling before the dominant woman.

"Isn't she?" you reply, smiling up at your lover while you plant kisses on her smooth tummy. "I could spend all day in her arms."

"We both know you prefer to kiss the base of my penis, [pc.name]," Evelyn says with a hint of smugness. "Go on, show them how well-trained you are."}

"Yes, Evelyn," you murmur, grasping her immense length in your hands and opening your mouth wide.

Your ego is wrapped in the warmth of gentle humiliation, cheeks burning in admission as you close your eyes and wrap your [pc.tongue] around her swollen cockhead, assuaging some of her burning need. She's so hard in your grip you can hardly believe it's a humanly possible feat, and perhaps it isn't.{talked about penis: Who's to say what abilities she was endowed with after her treatment at the hand of corruption?}

"Oh, wow," you hear Cait say. "[pc.heShe] **needs** that cock."

"Oh, yes," Evelyn replies from above. "Nnngh... [pc.heShe]'s proved that **many** times over, believe me, Caitriss. Haven't you, darling?"

"Mmmhfmm," you gurgle, hollowing your cheeks and sucking hard enough to make Evelyn groan in approval. "Mmm..."

"Good [pc.boyGirl]," she croons, stroking your head. "I'm very much enjoying showing you off to your friends, you know.{first time: Tell me, Caitriss. How well do you know [pc.name]}?"

"Please, just call me Cait," Cait purrs, rubbing her cheek against Evelyn's thigh. "I figure if I'm about to have your balls in my mouth, we're close enough to be good friends. As for [pc.name], well..." she gives you a side-eye and grins as your neck bulges outward with the imprint of Evelyn's cock, your eyes rolling upwards in pleasure. "Catch [pc.himHer] in the right mood and [pc.heShe]'s up for anything."

"Hnnh, so I've gathered," Evelyn says, closing her eyes and shivering for a second before staring down at you, lips curling upwards at the corners. "[pc.HeShe] must be in an awfully generous mood whenever [pc.HeShe]'s around me."/repeat: Quite the respite from fighting this must be, hm, Cait?"

"Sucking on a beautiful woman's balls is a nice refuge from the fighting we do," Cait purrs, leaning closer. "Make some room, [pc.name]... mmmm." She runs her tongue along the smooth, pale skin of Evelyn's nuts, tasting the sweat of exertion and lust. "Let me service you until you're satisfied, Evelyn."

"Of course," Evelyn says, spreading her legs just a little wider. "Ah- mmm. Your elven friend is doing a wonderful job of it already..."}

Cait closes her eyes and joins you at the base of Evelyn's massive shaft, devoting herself to pleasuring the human woman's hanging ballsack with all her tender, loving might while Ryn grasps her curvaceous cheeks and tongues her tight little asshole. Silence descends over the room save for wet, naughty slurps, suckling, and Evelyn's occasional soft groans when one of you pushes far enough. Slick, salty precum begins to run from her crown, a gradual drip at first but morphing into a perpetual pumping flow when Ryn slides her tongue up Evelyn's backside and nudges her prostate.

Between the three of you, Evelyn is caught in a web of blissful, decadent pleasure she fully indulges and immerses herself in. Her thighs clench and quiver as you swallow her right to the base and feel the warmth of Cait's tongue pressing against her hefty balls, then relax again when Ryn penetrates her core and a squirt of precum splashes your inner cheek. She lets out a low, appreciative groan and begins to slowly grind herself back and forth between your attentions, letting you lavish her with your mouths.

"N-nnh," Evelyn mutters, biting her lip. "G-gods, you are eager. Keep going."

It's clear she's holding herself back. Her precum gets hotter and thicker every second until you might as well be gulping down her cum, and maybe you are. The air feels heavy around you, warm and wet as your [pc.lips] press against the soft flesh of her base and kiss her tensing groin. It's a miracle she's lasted this long as it is.

"Hhnnh- I'm getting closer," she pants, breasts heaving as she winces in pleasure. "Unh-hhnh..."

Bit by bit, the dam of willpower begins to crumble as she grasps your [pc.hasHair|hair|head] with sweaty hand and begins to fuck your face, gasping every time she bottoms out in the depths of your gullet. You can feel squirts of her seed splattering the back of your throat and running downwards into your stomach but you know this is just a small sign of things to come, and you're determined to make it as explosive as possible. Glancing upwards past her shaking bosom, you see her with cheeks flushed and face sweaty, need written all over her expression, and the eye contact is enough to push her over the edge.

"Oh, my god," Evelyn groans, straightening up and throwing her head back. "Oh, god-nnnnnnhhh!"

What pours into your throat isn't a stream but a raging river of creamy spunk, spurting downwards with the force of a volcano as she strains against your face. Her hips shudder and shake while her pulsing balls draw taut against her underside, shifting in their sack as Cait gives them a last few loving laps. Ryn lets out a long, loud moan from behind your cumming lover before you find her giant cock hilted to the last in your esophagus.

"Good god," Cait says softly, watching you swallow. "I could feel her balls swelling with seed..."

Drool runs from the corners of your mouth and dribbles down to splatter on your [pc.chest], your stomach full to the brim with Evelyn's thick, warm seed. She lets herself cum as hard as she can into you for several seconds, holding her breath while your neck visibly pumps with each ejaculation, then letting it all go with a massive groan and pulling herself free. You keep your mouth open and outstretched as she grabs her cock and begins jerking it, Cait and Ryn joining you on their knees in front of her.

"Mouths open and tongues out, girls," Evelyn pants, grinning as sweat rolls down her forehead. "I've got something for all of you."

Cait is the first to get her reward. Pink tongue lolling from her lips, she closes her eyes and lets out a whorish moan as Evelyn presses the head of her fat prick down on the soft, welcoming muscle and lets loose several ropes of seed that utterly coat the catgirl's tongue and spurt up her face, covering her features in thick white spunk.

You're next to get a refill. You keep your eyes open and ignore the sting as Evelyn pumps her cock, plastering your face with her sperm until [pc.hasHair|it's streaked through your hair and dripping from your chin|you go blind and let it drip into your mouth before it runs down your chin]. It just feels right.

Ryn is the last to get her present[etheryn.highConfidence], but no less eager than the two of you. She lets out appreciative moans as if to thank Evelyn for cumming on her face, ears

"Good [pc.mf|bitches|girls]," Evelyn murmurs. "Stay like that."

The three of you sit still with your mouths open and spunk pooling between your lips, trying not to pant like whores as your state of arousal reaches a fever pitch. You think you might cum were she just to touch you with a <i>finger</i>. Evelyn leans back and inspects you and your companions like she might appraise an item of worth, then clicks her tongue in satisfaction.

"That's a sight I won't soon forget," she says, smirking. "You can swallow now, [pc.mf|you three|girls]. Clean each other up, would you?"

You slowly swallow down the mouthful of Evelyn's sperm she's given you, taking your time and savoring the feel of it sliding down your throat. "You are an adorable trio," she says, reaching down to stroke her enormous cock. Yes, [pc.name], you too."/repeat: "I think I should reacquaint myself with the finer points of your bodies."}

"I can see why you have [pc.name] under your thumb," Cait purrs.

Evelyn just smiles.

[Suck Balls]

//tt:Those two smooth, perfect orbs of hers just don't get enough attention. You can solve that <i>and</i> ensure whoever's blowing her gets an enormous load to swallow -- it's win-win.

"I have a date with a beautiful booty, if you don't mind," Cait purrs, circling around her.

"Not at all," Evelyn says, smiling. "Make sure to treat it right."

Sliding underneath her you slip your [pc.tongue] from between your [pc.lips] and get a taste of Evelyn's bulging nutsack, just enough to lick the salty sweat from between her hanging balls. That tastes good enough to encourage you further, and soon you find yourself craning your neck upwards and letting out muffled slurps as you suck on her nuts wholesale, holding her pale thighs to keep yourself steady. While you're otherwise occupied, Ryn takes the opportunity to kneel between your splayed legs and take Evelyn's ten inch cock in hand.

"Oh, Ryn," Evelyn murmurs, stroking the frost elf's hair. "Do you want me to take the lead?"

[etheryn.highconfidence]"It's okay," Ryn says, smiling lustily up at her. "I might not be as amazing as Cait or [pc.name], but I'll make you pop down my throat all the same."

"Oh, I like you," Evelyn says. "Mmmmhh... your friends have already started, darling. Don't get left behind."

You get a front row seat to the sight of Etheryn's [etheryn.lips] stretching wide, then wider still as she wraps them around the head of Evelyn's giant cock, her tongue stretching out to wet the underside of the glans before she finally manages the feat. A deep, guttural gagging noise resounds from her throat but she conquers it and continues sliding downwards, drool dripping from her chin. Evelyn coos in approval.

"Look at you, so desperate to prove yourself," she whispers, tucking the elf's hair behind her long, pointed ear. "And you're doing so well, too."|"Yes, please," Ryn whispers.

"It's okay," Evelyn says warmly, no doubt smiling down at her. "Open your mouth, darling, as wide as you can. Put your tongue out for me. Think of it as welcoming me inside."

You get a front row seat to the sight of Etheryn's [etheryn.lips] stretching wide, then wider still as they wrap around the head of Evelyn's giant cock, her tongue stretching out to wet the underside of the glans before Evelyn tugs her down her shaft. A deep, guttural gagging noise resounds from Ryn's throat, spit spraying from her mouth, but she conquers it and continues sliding downwards, drool dripping from her chin. Evelyn coos in approval.

"Look at you, doing so well," she whispers, tucking the elf's hair behind her long, pointed ear. "I think you have a gift for this, Ryn."|

The sound of Ryn's sloppy blowjob fills your ears as you tend to Evelyn's gorgeous balls, lapping at them before open your mouth wide to take them inside one at a time. The barely-repressed groan she makes through her teeth is all you need to hear to keep going, and you'd swear they're getting bigger by the minute. Even within the heat of your mouth, pressed against your inner cheek, they're incredibly warm. A shiver of delight runs up your spine when you realize you're going to get to watch Ryn try and swallow everything *these* have to offer.

Behind you, Cait dutifully performs for your lover. All you can see of her from the corner of your eye is her shaking, jiggling breasts as she wiggles her tongue this way and that, her face obscured by Evelyn's curvy butt, but if you know Cait at all she's going to introduce prostate play sooner rather than later. Sure enough, you hear Evelyn groan in pleasure as Cait leans in and her fat nuts begin to shift in her sack, pulsating for a few seconds before Ryn lets out a choking gurgle.

"Uunh," Evelyn moans, grabbing Ryn's hair tighter. "Th-aaat's right, swallow it. Get used to it now so you don't struggle later. Good girl."

Ryn does her best to gulp down what must be several enormous loads of drippy, sticky seminal fluid, but the real article can't be far. Already you can feel Evelyn's sack beginning to draw taut around her balls, shining with saliva rather than sweat thanks to your determined oral efforts. Evelyn begins to pant, her inner thighs shivering and flexing under your gentle touch as she struggles to hold out.

With all three of you working on her, though, climax is inevitable. With a desperate cry she lets loose, pulling Ryn all the way into her groin and holding her there as her oversized nads pull up against her underside and throb. Cait lets out a pleased giggle as you watch Ryn's eyes bulge and throat swell, her neck bobbing with each colossal ejaculation, her body doing its instinctual best to contain Evelyn's seed.

Her eyes roll back in her head as ropes of jizz begin to pour from her nose in rhythmic pulses, dripping down her face and landing between your [pc.legs], though she makes no move to pull back. Her hands squeeze Evelyn's thighs while her throat is noisily filled, her stomach no doubt being filled with that delightful, familiar warmth you've come to know and love. When Evelyn slowly pulls back, Ryn takes a long, gasping breath and claps her hands over her mouth in alarm.

"Oh, don't spit it up," Evelyn murmurs, stroking the elf's pretty blonde hair. "I went to so much trouble to put it in you."

You watch with mouth half-open as Ryn gazes up at Evelyn and swallows, cheeks slowly deflating as the stored cum pours down her obedient gullet and Evelyn purrs in approval.

"Good **girl**," she whispers. "See, you can do it if you try."

"You were beautiful, Ryn," you tell her, smiling at your companion. "Well done."

"Hh-hhaah," Ryn gasps, sucking air before letting out a grateful sigh.
[etheryn.highconfidence]"Thanks, you two. I think I'll go easy on lunch tomorrow..."["T-th-thank you."]

"Now, then," Evelyn says, shifting one hand to her enormous penis as you watch from her side. With a single touch it begins to thicken once more, at once capturing the attention of all three of you. "How about we get a little more intimate, one at a time?"

"That sounds wonderful," Cait murmurs, hooding her eyes as she grins at you side-on.

[etheryn.highconfidence]"You're the boss," Ryn say]"O-okay," Ryn mutter]s, one hand on her stomach.

You just smile knowingly up at her, and she meets your gaze with ardent familiarity and a lovely smile of her own.

[Rim Her]

//tt:Evelyn's big, curvy butt deserves some <i>real</i> love, and a little bit of prostate play would no doubt inspire her to ejaculations of incredible proportions.

Without a word you circle around behind her and run your hands down her smooth, pale back as you kneel, your fingers coming to rest on her thick, curvy buttocks. Evelyn gives you an appreciative murmur as you stretch her cheeks apart and plant a kiss directly on her tight little ring, smooth and pink as you've ever seen. Her hand floats behind her to lightly brush your [pc.hasHair|[pc.hair], fingers running through[scalp, stroking it] it as she lets you worship her.

"Thank you, [pc.name]," Evelyn sighs happily. "It's nice knowing you love every part of my body as I do yours."

"I hope you're ready to be shown a whole lot of love up front too," Cait giggles, settling down between her legs. "I don't know if I've ever seen such a beautiful woman with such an enchanting cock.{if PC is a female-presenting hermaphrodite or some shit... well, aside from [pc.name] herself.}"

"And I hope that silver tongue of yours is as skilled as it is witty, Cait," Evelyn says, laughing gently. "Come. Show me how much you love it, then. And where will you be, Ryn?"

[etheryn.highconfidence]"Spit-shining your balls with my tongue, of course," Ryn chirps, grinning as she nestles herself under Cait. "It just wouldn't do to have a lady like yourself all sweaty."

"Of course," Evelyn murmurs. "Nnhhohh- [pc.name] is certainly eager..."["I could join Cait if you like..." Ryn offers, unsure.

"How about you get underneath her and press that adorable face of yours into my balls?" Evelyn says, and you can hear the smile in her voice. The one she uses every time she asks you to present yourself, or swallow her semen, or do anything she wants. It's a very familiar smile by now. "I could use another tongue down there to keep me from getting sweaty."

"O-okay," Ryn mumbles, and you'd bet anything she's redder than an apple right now. That seems as good a point as any for you to begin...

Evelyn lets out a tender moan as you run your [pc.tongue] over her asshole, tightening her cheeks before slowly relaxing, and you find yourself delighting in her reactions. You're commanding the lion's share of her attention right now, and though you don't expect to monopolize it for long with Cait's mouth involved, that feels nice. A knowing smile plays across your face when Evelyn lets out a groan.

"That's right, Cait -- oh, you are good. You don't need me to tell you what to do."

With a proud murmur, Cait sinks herself so deeply onto Evelyn's rock-hard length that you can see her chin between Evelyn's legs, drool dripping from its tip. Below her, Ryn strokes the human woman's inner thighs and leans upwards to provide a warm, cushioned pad for two fat, bulging nuts to rest upon with her tongue. Seeing the other two so deeply engrossed in their tasks, you decide to give Evelyn's ass the worship it so rightfully deserves.

The sound of wet, intimate slurping is all you can hear as you tickle Evelyn's asshole with the tip of your tongue, slowly applying pressure and working your way inwards until a tremble runs up her spine and you're suddenly tongue-deep in her behind. [pc.tongueTag long]Perfectly positioned to extend your long, slippery tongue and lovingly <i>rub</i> against her prostate.[There's just enough room to flick the tip of your slippery tongue against her prostate, too.] You find her unguarded and unready, and she shivers at your sensual touch.

{first time:"Oh, gods," Evelyn mutters, straining in pleasure. "What is th-that feeling..."

Of course, you realize -- she doesn't <i>know</i> about her prostate,{talked about penis: having been born without her penis/else: a unique form of ignorance}. What an apt situation to demonstrate its use. Grabbing her asscheeks, you stretch your tongue to its utmost and slowly rub it up and down her protruding prostate while her asshole spasms and clenches around you.

"Ohhohh," she pants, grip tightening on your [pc.hasHair|hair|head]. "I- mmnngh-"

Cait suddenly croons in pleasure, humming as she swallows, while Evelyn stands on her tiptoes and lets out a high-pitched moan of bliss. You've given her what might be her very first prostate orgasm and from the sound of it, she's very much enjoying the experience. settles back down and you resume eating her out from behind./repeats:"Oh, gods," Evelyn mutters, straining in pleasure. "[pc.name]..."

Grabbing her asscheeks, you stretch your tongue to its utmost and slowly rub it up and down her protruding prostate while her asshole spasms and clenches around you. Having learned well from your past experience in serving her, it takes very little work to get her to pop into Cait's mouth.

"Ohhohh," she pants, grip tightening on your [pc.hasHair|hair|head]. "I- mmnngh-"

Cait suddenly croons in pleasure, humming as she swallows, while Evelyn stands on her tiptoes and lets out a high-pitched moan of bliss. You've given her yet another hard-felt prostate orgasm and from the sound of it, she's very much enjoying the experience. She springs to her tiptoes again and again, her cries becoming softer and softer until she at last settles back down and you resume eating her out from behind.}

"G-gods," Evelyn huffs. "Little wonder the three of you came to me, I doubt most people could handle you at all."

Evidently still hard enough for Cait to be suppressing her gag reflex as she gurgles around Evelyn's cock, you let up on her lest you make your lover wilt before she gets a chance to be brought to a true orgasm by your companions. Instead you content yourself with kissing and licking, gently rubbing and massaging her ass and smiling when you feel her tighten up under your fingers, the stimulus of Cait and Ryn working in tandem to please her proving to be quite a hurdle to resist. After several minutes of love, it's clear she's teetering on the edge.

No doubt sensing the same thing, Cait begins to hollow her cheeks and suck loud and hard, facefucking herself on Evelyn's ten inch cock, slurping as saliva drips to the floor or spatters across her shaking breasts. Ryn desperately licks and sucks at the two balls she's been loving for the duration of the blowjob, kissing and sucking while they slowly shift and draw taut against Evelyn's smooth underside, and all the while you're delicately tonguing her ass. The dam crumbles, and it does so in explosive fashion.

"Oh, god," Evelyn cries out, reaching forward to grab Cait with two hands. "Nnnngggh!"

You plant a deep, heartfelt kiss on Evelyn's quivering, clenching asshole as she cums, murmuring in delight as you feel it tighten over and over, pulsing against your [pc.lips] while Cait gurgles in acceptance of her burden. Boundless seed flows down her gullet and into her stomach, her [cait.breasts] heaving as she struggles not to choke on the river of sperm, her hands reaching out around Evelyn's sides and finding your own. Fingers interlinked, the two of you service Evelyn from front and back with such thoroughness you'd be surprised if she had a single drop left in her by the time she's finished cumming.

"Oh..." she groans, slowly leaning back to withdraw her saliva-soaked length from Cait's dripping mouth.{first time: "I'm more interested in Jassira than ever."}/repeats: "My interest in Jassira peaks every time we meet like this."}

"I should think so, with a cock like that," Cait purrs, licking her lips and gazing up at her mischievously. "You'd make a lot of lonely temple girls very happy."

"I do think you work best as a trio," Evelyn says, shifting one hand to her enormous penis as you watch from her side. With a single touch it begins to thicken once more, at once capturing the attention of all three of you. "But I think I should get each of you one-on-one for a moment. Don't you?"

"Oh..." Cait purrs, fluttering her eyelashes.

Ryn just stares, and you find yourself doing the same before your cheeks color.

Evelyn smiles.

"You first," Evelyn whispers to Cait, crooking her finger at the top-heavy catgirl and beckoning her towards the bed.

"Yes, Evelyn," Cait says, smiling at her as she approaches.

Evelyn takes Cait and lays her out on the bed, spreading the Jassiran's thighs and running her fingers up the length of them to brush against Cait's clit.

"Mmm!" Cait moans, biting down on her lip.

"You look positively tortured, kitty," Evelyn murmurs, rubbing her ever so gently. "I suppose foreplay won't be necessary, will it?"

"Gods, please, no foreplay," Cait pants, laying her head back on the pillow. "I'm so ready..."

Evelyn smiles. "You're very endearing. Are all girls from Jassira as beautiful as you are, Cait?" she says, aligning herself with Cait's tight little slit. The catgirl watches with fervent need written all over her face as the head begins to cave the lips of her honey-dripping cunny inwards, then stops and moans in despair as Evelyn halts, a smirk playing across her lips. "What's the matter, Cait? Do you want it deeper?"

"Evelynnnnn," Cait groans, squeezing her walls tightly enough you can see the head of Evelyn's cock momentarily disappear between them. "Ungh! Listen to me..."

Evelyn leans over Cait, her enormous breasts rubbing against Cait's impressive set and resting atop them as Cait wraps her arms around the human woman's neck and whispers in her ear. Evelyn comes away with a grin on her face like she's just tasted something delicious, licking her lips in anticipation.

"Is that **so**?" Evelyn purrs. "Well, then. I shouldn't keep you waiting, should I?"

Cait throws her head back and cries out in mixed relief and ecstasy as Evelyn plunges herself into the catgirl's slutty confines, hilding herself so deeply her balls come to rest against Cait's ass. She leaves herself there and cups Cait's cheek, sweeping her into a deep, passionate kiss that immediately lights off Cait's wick. You can see her asshole clenching as she lets out short, muffled moans into Evelyn's mouth, her asscheeks tensing while orgasm runs through her body and sets her pussy walls squeezing.

"Easy - mm - to please, aren't you?" Evelyn whispers in her ear.

Feminine juices drip anew from Cait's stuffed-full cunt as her hands run through Evelyn's raven-black hair, clutching at her locks and holding her there as if she never wants it to stop. Her grip only loosens when her long, deep vaginal orgasm have passed her by, and they at last separate their lips.

Evelyn, though, clearly doesn't intend to stop there. Having already cum once, the second orgasm is going to take a lot of *hard*, serious work, and she looks set to deliver. Drawing her hips back, Evelyn begins to slide back and forth, working herself up to a rhythm that soon has Cait panting out loud and clutching her lover's arms, all but begging for more of her.

It's delivered in spades. Evelyn teases the shuddering catgirl with quick, shallow thrusts before diving deeper and making her toes curl amidst the sheets, kissing and licking at Cait's neck, dismantling her defenses until all that remains of Cait's usual quick-wittedness is deep, horny moans and the wet, slick sound of carnal communion. She keeps Cait hanging in blissful limbo until deciding enough is enough, leaning into her and bucking her hips with a savage digging motion.

Cait immediately tries to pull her quivering thighs together only to have them forcibly held apart by Evelyn's knees, her hands pushing down on Cait's shoulders until she's sinking into the creaking bed. Her moans get higher and louder until Evelyn drives so deeply into Cait's needy vagina it swallows all ten inches of her cock, leaving her hilted and probably less than a second away from an enormous climax.

"Oh, god! Oh, god!" Cait gasps, staring at you wide-eyed over Evelyn's shoulder until her mouth stretches open in a silent scream and she throws her head back. "--!"

Her legs wrap around Evelyn's lower back and *squeeze* as hard as they can, keeping the impressively-endowed dickgirl hilted to the last as she blows a massive load in Cait's

cunt. The shaking catgirl desperately arches her back beneath Evelyn, hugging her close while the rolling of the noblewoman's hips keeps her anchored in place. They move like a wave, ever flowing while Cait stays subserviently silent and clings to her lover, pressing herself up into her before being pushed back down into the mattress.

Cait's fingertips dig into Evelyn's shoulderblades as she's fucked through the orgasm, her face contorted into an expression of what must be unbelievable release, Evelyn's thick cock spurting spunk up into her womb until it's full to the brim. She wants it so badly that even when her lover begins to very slowly pull out her hips rise off the bed to keep her inside, squeezing down as excess seed begins to spurt from her well-fucked slit.

"Needy and easy to set off," Evelyn says, gently brushing Cait's sweaty pink hair out of her face and smiling down at her. "I like you."

"Goo-ohhhd," Cait groans as Evelyn withdraws from her, startling and wincing at the sudden emptiness. Her hand comes down to cover her reddened pussy, semen dripping through her trembling fingers. "Nnngh- fuck, Evelyn..."

"Roll over," Evelyn says, leaning down to give her a kiss on the nose. "It's [pc.name]'s turn."

Cait does what she's told with a happy little sigh of contentment, rolling onto her stomach and out of the way. "Come here, [pc.name]. Lie down."

You find yourself lying underneath Evelyn right where Cait just got her pussy slammed full of thick, hard cock, the same proud, firm cock which now lies across your belly. "So, [pc.name], did seeing me fuck the daylights out of your friend make you jealous?" Evelyn whispers in your [pc.ear], leaning in so as to be unheard by the others. "Tell me."

"A little," you mumble, flushing as you admit it even to yourself.

"Oh, darling," she croons, nuzzling in against your neck and planting a kiss there. "I'd be worried if you weren't. Don't worry... [flags.EVELYN_PAST|your princess will|I'll] make it up to you. You'll always be my favorite."

With that assurance, Evelyn gently cradles your head and kisses you, capturing your tongue in the embrace of her own and sucking on it until you part your lips for her and let her suck all she wants. Drool runs from the corner of your mouth as your eyes roll in pleasure, Evelyn's soft but utter dominance over you ever-present in your actions. You hardly even notice she's aligning herself until her fat cockhead is spreading your [pc.vagOrAss] around it and suddenly she's inside you, locking her legs around your own and sliding herself <i>deep</i> into your [pc.vagAss|vaginal canal, flexing her cock against your soft, wet walls|ass, flexing her cock in your bowels].

"There you go," Evelyn murmurs to you, leaning forward and pressing the attack, bringing your [pc.hips] further upward and keeping you locked in a kiss. "Just - mmm - relax..."

Oh, gods, it feels <i>so</i> good to do what she says, letting yourself be swept up in her body and feeling her stiff cock throb between your [pc.vagAss|thighs|cheeks] as she thrusts into you. Though she told you to relax you can hardly keep yourself from clenching up on her in delight, a small rebellion that she allows you in her overflowing generosity, your lover focused wholly on proving her words.

The cool ease with which Evelyn brings you to climax is akin to her popping the cork on a bottle of champagne, and the sensations that bubble forth overwhelm you in their intensity. You cry out in desperation, seizing beneath her, your back arching off the bed and your fingers scrabbling to hold her shoulders while she fucks your [pc.vagAss|spasming cunny|quivering asshole] with aplomb. Every time she drives herself balls-deep it's like she starts your orgasm all over again, and soon you're letting out a hoarse, shaky scream of ecstasy with every bullish penetration.

"Oh, wow," Cait murmurs dreamily from beside you. "Evelyn's making you cum hard, isn't she?"

"F-f-fuck!" you finally manage, choking the word out from a throat that doesn't want to cooperate. Your entire body is coiling and unwinding around Evelyn's massive cock, your abs unable to fully clench while she's inside you, keeping you from ever escaping the hold she has on you. "Oh, gh-GOD, EVELYN!"

"It's okay," Evelyn whispers in your ear, grinding into your body and reaffirming how amazing her dick feels when it's at its deepest. "Cum for as long as you want."

You open your mouth to cry her name and she muffles it with her lips, your eyes rolling back into your head as one orgasm after another rolls through your body and leaves you almost insensate, assaulted from both ends by your fierce, loving domina. She only pulls out when she's well and truly <i>done</i> with you, and before your very eyes her half-hard cock begins to rise once more with a single touch.

"God, you're a stallion," you sigh, met with a lusty grin and a peal of laughter.

"Just for you, [pc.name]," Evelyn says.

Cait pulls you on top of her, grinning lewdly. [pc.vagAss]"Now we've both got a womb full of Evelyn's spunk. So glad you could join me, [pc.name]."

"It's finally your turn," Evelyn says, smiling kindly at the frost elf. "I'm sorry I kept you waiting, Etheryn."

{first time:"Oh?" Evelyn says with some interest. "Is this a chastity cage?"

"Oh, sing for me, you beautiful girl," Evelyn whispers. "Listen to yourself."

"Oohh, oooooohhhh!" Ryn moans, eyes squeezed shut as she grabs the pillow behind her head and arches her back. "Hhhaahhh!"

Translucent precum begins to slowly drip from the end of her cage as Evelyn rolls her hips, driving herself deeper until her heavy balls are gently slapping the frost elf's [etheryn.ass]. Without warning, Etheryn's body begins to tremble from her toes to tip, and her little groans and grunts suddenly get a lot louder and more enthusiastic.

"A little pent up, darling?" Evelyn asks her, smiling as Etheryn wordlessly sings her praises and clenches her ass around ten inches of human cock. "We'll work it all out, don't you worry."

"I'm a little jealous," Cait murmurs to you[pc.vagAss] in between long, soft licks that make you shudder and clench, forcing another dollop of Evelyn's jizz into her mouth]. "She's very good at pleasing women..."

[flags.EVELYN_PAST]"She's had a lot of practice," you recall with a small grin]"She must have had a lot of practice," you say], squeezing Cait's [cait.ass]. "Not unlike yourself, Cait."

"Oh, not a problem," you say with a smirk. "She's the kind of woman who needs a harem, no doubt."

"Good thing we're in town," Cait says breathily, running her hand along your neck. "C'mere, cutie."]

You kiss Cait while Etheryn gets the fucking of her life, getting louder and louder until precum is <i>streaming</i> from the tip of her limp little dick, her prostate getting a nice, bumpy ride along the entire length of Evelyn's proud cock and her little ring tightening around the base of

it. Evelyn subtly maneuvers her, lifting the elf's [etheryn.hips] higher and higher until she's slamming down into the moaning slut in a mating press, a dirty grin on her face and eagerness in her flashing green eyes. She's having so much fun you feel the need to get yourself involved[pc.vagAss] -- and Cait is all clean now, so there's nothing holding you back[]].

"Oh? Oh," Cait murmurs, smiling as she watches you dismount her and crawl behind Evelyn, marvelling at their sex. "Go on, [pc.name]."

Evelyn slows when she feels you behind her, driving <i>deep</i> into Ryn's butt and exposing her big, fat balls for you to plant two wet, sloppy kisses on before she resumes pounding your companion out like a common slut. With a front row seat to observe Ryn's long, dainty legs slowly but surely coming up to wrap around her lover's back, you decide to take care of Evelyn's. Bending down, you plant a kiss on her tensing calf while she pants with the exertion, rubbing her from ankle to knee with love.

"Nnhhhh! Oh, Ryn," Evelyn groans. "H-here you go."

You kiss Evelyn's curling toes as she blows a massive load in Etheryn, moaning while she drains her balls into the bowels of the panting, drooling frost elf until the excess begins to spurt down her shaking thighs. Each long, deep penetration sends more and more of it overflowing from the gasping elf's behind, so enraptured by the sensation she can't help but call out Evelyn's name over and over as the smiling woman pumps her full.

When Evelyn pulls back, Ryn's lower half falls back onto the bed limp and twitching, her face turned towards the ceiling with an expression of indescribable bliss written over it. Seed pours from her gaping asshole in a stream, and you instinctively clench your [pc.vagOrAss] at the memory of the same.

"Good girl," Evelyn murmurs, bending down to kiss the elf on the cheek.

Evelyn turns to you, smiling. "Thank you for the care, [pc.name]. I'm going to get myself cleaned up and air the room out... we've been in here for quite some time, you know."

You glance at Cait. Actually, the time hadn't even occurred to you -- but now that you're thinking about it, Evelyn must have been fucking the three of you for <i>hours</i>.

"We'll help Ryn back," you say, smiling at Evelyn as you and Cait pick her up, legs unsteady. "Should I bring the girls back for you sometime?"

"Oh, yes," Evelyn says, smiling deeply. "I think you should."

"Am I glad to hear that," Cait purrs. "See you, Evelyn. If you see me downstairs sometime, don't hesitate to take me up to your room!"

"I will most certainly keep that in mind," Evelyn replies with a grin. "Goodbye, Cait. Oh, and [pc.name], take this before you go."

You stop and turn just in time for Evelyn to gently push you up against the door and kiss you, your heart pounding in your [pc.hasBreasts|bosom|chest] by the time she pulls away with a satisfied smile.

"Me-ow," Cait murmurs.

"Bye, Evelyn," you mumble, cheeks flushed.

"Goodbye, [pc.name]," she replies, then winks. "See you soon."

The door shuts behind you and you quickly get Ryn back to your room, still dripping seed. Cleaning her off, you decide to grab some water in buckets for the task -- gods, Evelyn [flags.EVELYN_PAST|might be a princess but she's decidedly excessive when it comes to how much she cums|doesn't know the meaning of moderation when she cums]. You nod, and she considers her options before apparently coming to a decision.

"Let's give you a modicum of control, shall we?" she says, brushing a hand across her considerable chest. You note her dress is already beginning to tent upwards, the intoxication of authority overcoming her. "You can choose what we do. You look up at the smiling noblewoman, her nipples jutting from her dress, and gaze over her luscious body.

[Lick and Footjob] [Fuck my [pc.vagAss|Pussy|Ass]]

[Lick and Footjob]

//tt:Worship Evelyn's tender pale feet before she rewards you for your servitude.

You reach forward and Evelyn silently raises her foot, smiling down at you as you take her ankle in hand and gently kiss the toe of her heel before slipping it free. She sighs in pleasure as you run your hand from her heel over her sole, slightly sweaty but not at all dirty. Truth be told, that's exactly what you expected of her.

Reverently placing her heel upright on the floor, you return your hand to her body and softly squeeze her calf, stroking her down to the ankle and feeling her relax in your grip. It's gratifying to know she can be at ease with you, and you intend to repay that honor. Leaning in, you plant kisses all over her foot as she lets out an appreciative murmur.

"Mmh," Evelyn sighs happily, twitching her toes.{first time: "You know, you're the first person to do this for me, [pc.name]. I think I quite like it."/repeats: "You're very good at this, aren't you, [pc.name]?"}

"I give credit where it's due," Evelyn replies. "And right now you are **very** deserving of that credit..."]

You glance upwards past her smooth, soft legs and see her rock-hard penis so erect it's pointing straight up, throbbing so fiercely you're sure the hardness has to hurt. Even so she seems to be wholly in control of her urges, despite gazing down at you with an ardor so intense you're sure she's about to dive on top of you. If she were to slide that inside you right now you're certain it would feel like nothing less than having an iron rod thrust into your [pc.hasPussy|[pc.vagAss|[pc.pussy]][pc.asshole]][pc.asshole]].

"Keep going," she commands you, and the tone of her voice leaves no room for disagreement. "Good [pc.boyGirl]."

Without hesitation, you run your tongue right between the space between her big toe and the next, washing around the larger toe in its entirety before leaning in and gently taking it between your [pc.lips], ardorously sucking on its length.

"Uhhn," Evelyn groans, touching her thick, straining cock with a single finger and running the tip down her bulging cumvein. A trickle of precum escapes her swollen head, threatening to smear itself all over the surface of her skin. "You're very good at predicting what I want you to do next..."

You carefully work through each of her wiggling toes in turn, licking and sucking them clean through the fine surface of her stockings. When you finish with her little toe she stops you, placing her toes on your chin and holding you there with a smile.

"You've done well. Now relax," she softly commands you, dragging her big toe down your [pc.chest] and over your stomach, [pc.hasCock|alighting upon the head of your cock.|not stopping her descent until she brushes against your [pc.clit]]. "Don't hold yourself back."

"Cum for me, [pc.name]!" Evelyn urges you, bringing her other foot forwards and pressing her big toe into the underside of your glans. "Good [pc.boyGirl]!"

With the added insertion, you cum <i>hard</i>. Bracing yourself around her, the intensity of your release makes your back arch and undulate as each wave of pleasure rushes through you, coloring your cheeks and draining your strength until you're ready to collapse on the spot. Evelyn withdraws her stocking-covered feet from your sensitive vagina and coos in approval, observing their soaked-through state as you lean back panting, the exertion taking its toll.

"Very well done, [pc.name]," she says, smiling at the state of you. "Now I have to wash my stockings. I can't go out with my feet soaked in the juice of your sex, can I?"

"Yes," you say, eyes fluttering as she strokes you. "I will."

"Good," she purrs. "Now fetch me water before I get re-dressed."

Evelyn cleans up with your help and re-seats herself on the bed, her cock still bulging beneath her dress. That must be uncomfortable for her, but she pays it no heed -- consciously ignoring it, as if she's not as hard as a pillar and almost as big.

"So, did you want to talk about anything else?" she says, smiling at you.

"There's a good [pc.boyGirl]," Evelyn soothes, heels clacking on the floor as she approaches you. "So good at following orders, aren't you? Allowing me to use you as a sheath."

You decline to reply when she places her soft, small hands on your [pc.hips]{pc non-exposed: and carefully strips you of your clothing, underwear and all, stroking your [pc.skinFurScales]/else: and stroking your [pc.skinFurScales]}. Any noise you made at this point would just betray how much of a hold she has over you, and you enjoy keeping that to your chest as much as you can. Even so, it's impossible not to let out a moan when you feel her enormous cock plant itself between your cheeks and spread them, cumvein pressing into your ass.

"How do you like it, [pc.name]?" she whispers in your [pc.ear]. "Gentle... or rough?"

Rather than your own desire, you think about what <i>she</i> wants out of your rendezvous. About how every time you seek her out she responds with enthusiastic domination, and how she loves to make you test yourself for her. With that in mind, there's only one answer you can give her.

"Give it to me rough," you moan.

"That's what I like to hear," Evelyn purrs, sliding her penis lower [pc.vagAss|until her cockhead is slipping through your hot little lips|until she has her cockhead pressed to your [pc.asshole]]. "[pc.name] availing [pc.himHer]self to me to do what I will with [pc.himHer]."

"A-ah," you gasp, feeling her tongue rove from your ear to your neck at the same time her fingers come around to caress your front,{clothed: slipping into your clothing to play with your [pc.nipples]/else: playing with your [pc.nipples]}. "Mmm..."

"Such a slut for me, aren't you?" she murmurs. "I love that about you, [pc.name]. So wet and willing..."

You let out a deep groan as Evelyn's thick, stiffened cock slowly spreads your [pc.vagAss|dripping flower|quivering asshole] wide around her veiny length, the lusty domina sinking her turgid prick all the way to the hilt in one steady motion. Your head dips and your [pc.hasToes|toes curl|nipples stiffen] as the sensation of *<i>fullness</i>* washes through you, of being a sheath wrapped around Evelyn's massive dick. She doesn't give you much time to savor the feeling, though. True to her word, she withdraws from your [pc.vagAss|slick, tightening|clenching] orifice and **rams** herself back inside, hard enough to make you squeal and gasp as you realize you're pressed up against her door. All of the noise you make is going to be heard by anyone walking by, and it's going to be very, very obvious what's transpiring behind the wooden surface. It shakes under your hands when Evelyn's heavy, seed-filled balls slap against your asscheeks, setting you jiggling.

"A-ah! Evelyn, wait!" you moan, knuckles whitening while you lean up against the door. "W-wa- ah! Ah! Ohh! Ooohhh, god, yes!"

"That's right, slut!" Evelyn jeers, slamming you against the door and lifting with her hips, your [pc.feet] scrabbling at the floor. "You said you wanted it rough!"

She pounds you from behind, fucking you so hard you forget your embarrassment and submit to her overwhelming presence, hands around your hips to hold you in place and keep you bouncing against her. She needn't have bothered. By the time you've accepted your role, you're pressing back against her pale thighs with all your might, groaning like a practiced whore.

"Hhhuuuhhh, god," she moans, her tight grip on you slowly relaxing as she sinks back down onto her heels. "That's better."

She giggles when her warm, sticky spunk begins to drip and run from your gaping [pc.vagAss|vagina|asshole] once she pulls out, giving you a gentle spank before turning away and stretching out while you wince and try to pull yourself together. Your muscles ache in the wake of such treatment, but god if you aren't <i>satisfied</i>...

"I like feeling it," you murmur, blushing. "I'll get you some water."

[Body Worship]

//tt:You'd like nothing more than to worship every inch of Evelyn's body.

"Well, you do deserve [flags.EVELYN_PAST]the worship, princess[it]," you say, smiling at her. "Lie back on the bed."

"That's what I like to hear," Evelyn sighs, stretching out. "Help me out of my dress, [pc.name]."

You do so slowly and deliberately, brushing your hands down her curvy form and earning an appreciative murmur as you caress her beautiful body. With her dress off and your own clothes removed, you escort her back to bed and lie down yourself, face level with her calves. She makes a noise of happiness when you reach out to stroke one, rubbing her smooth, pale skin up and down.

"Keep going," she encourages you softly. "Massage me, darling."

You treat her gently and carefully, rubbing and kissing her tight, skinny calves while her toes curl until they're completely and utterly relaxed, the held tension drained from her body by your efforts. Moving upwards, you disregard the grand prize twitching and pumping with blood as you kiss and lick her inner thighs until the scent and hardness of it becomes impossible to ignore. Curling your fingers around her immense shaft and stroking her with utmost softness, you bend down to lap at her warm, fat balls as her obscene length hardens and thickens in your hand.

Evelyn lets out a deep, gratifying groan as you pay your respects, her thighs flexing on either side of your head with every gradual stroke of her penis, your fingers holding her against her stomach and your thumb stroking her pulsing cumvein while you tongue her nuts. She's hardly sweaty at all right now, though you're sure that'll have changed by the time you're done. Even so, you obediently lick every inch of her clean and suck her nuts into your mouth, holding them between your [pc.lips] while you massage them from the inside.

"Ohh," Evelyn groans, arching her back once before settling herself down again. "The servant surely knows how to please [pc.hisHer] [flags.EVELYN_PAST]princess[master]..."

She's so hard in your hand you can hardly believe it. Working your way upwards, you let her bulging balls fall from your mouth and run your [pc.tongue] along the base of her thick dick, leaning in to kiss it before you begin your ascent. Each inch of progress is punctuated by a deep, wet kiss and a thorough worshipping with your tongue, pressing into her hard enough to feel every individual swelling of her cock's length, all the way to the top. Once you're there, it only seems right to worship the crown.

Evelyn cuts her gasp short by gritting her teeth and straining as you close your eyes and swirl your tongue around her purple cockhead, giving her a hard suck and rising off her sensitive glans with an audible pop. You pay an exorbitant amount of attention to the underside of the head, licking and rubbing with your tongue until you can hear her beginning to pant, and when you start to taste precum you shift your focus -- but not before licking it up to taste. She's so hot and salty you can hardly resist.

With one hand still on her dripping prick rubbing her preseed back into her skin, you begin kissing her groin and note with adoration the way her tummy flutters and jolts under your attentions. You feel like you could stay here all day just smooching her stomach until she came all over it but by now she's getting worked up and you know she'll be happiest when you answer her silent demands. Her plump, juicy breasts are just begging for your love.

"Ah! **Yes**," she hisses in pleasure, planting her hand on the back of your head and [pc.hasHair|running her fingers up through your hair|stroking your neck] when you press your [pc.lipsChaste] to one of her pretty pink nipples and suck. "Oh, [pc.name]..."

Forsaking your grip on her massive cock you instead push yourself against her until it's resting between your bare stomachs, reaching up to caress and squeeze her other breast while your tongue presses into her gorgeous areola. Evelyn shivers and moans against you, sticky warmth plastering itself to your midsection as you suck on her shapely breast and feel the hardness of her nipple against your lips and tongue. Before you know it her limbs have come to lightly embrace you, her feet resting on top of your heels and her arms wrapped around your back.

That only leaves you a single option for movement, and the sound she makes when you employ it is all the reward you need. Rolling your [pc.hips], you grind your [pc.hasCock|[pc.cocks]|body] against her swollen length, rubbing her intimately while you suck and grope her tits. You're only moderately surprised at what happens next.

"Oh, god!" Evelyn gasps, bucking her hips from below you. "Nnnngghhmm! Mmmh!"

A torrent of hot, thick semen suddenly bursts from her swollen cock, coating your tummies in her seed and shooting up your [pc.chest]. She throws her head back and lets out long, slow groans of ecstasy while you continue worshipping her, gently rolling your hips against hers and ensuring she stays comfortable during her massive orgasm. It seems like it'll never end, her sperm pumping out between you and staining your [pc.skinFurScales] as your lips close around her tender nipple.

"Hmmmh! Hhnn! Nnnhh..." she moans, breathing hard as she slowly relaxes her grip on your body. "Oohhh..."

"I take it my [flags.EVELYN_PAST|princess|mistress] is happy with her worship," you murmur, at last lifting yourself from her breast and kissing her exposed neck while she shoots a last few ropes over your groin.

"Very," Evelyn sighs, pulling you closer. "Nnh. How I'd like to keep you for myself..."

You rest against her in a pool of her cum, time stretching on until at last you decide you should clean her up. Bringing water from downstairs, you wipe her down with care until she's clean enough to reclothe herself. Helping her into her dress, you seat yourselves back on the bed.

"Aah, that was nice," Evelyn says, stretching her arms out and smiling at you. "So, did you want to talk further? Or would you rather we occupy our time some other way?"

Tossing the pillows off her bed and putting her book in their place, Evelyn stretches out on her stomach and spreads her thighs outwards, curling her legs back until her heels are almost touching her curvy ass. She gives you an expectant look before turning back to her book, as if you're keeping her waiting. With some slight repositioning and a gentle roll of your [pc.hips], you begin to fuck Evelyn's ass as slow as you can, <i>working</i> yourself into her until you feel the tension fading from her body. Another few minutes of careful, well-aimed thrusts and you feel a muted shiver of delight run through her relaxed body, her toes curling.

"Hm," she sighs. "So you do understand how to please me with your penis. [pc.mf|You're the first man I've laid with, so I always wondered|Maybe it really does take a woman to know best how to please another]."

She turns a page as you continue rubbing her prostate with your cockhead and sliding your cumvein against it, her breathing getting deeper and more deliberate. She's still focused on her book, but you can tell how much this is beginning to affect her. The involuntary clenching of her asshole around your cock when you push into her is all the confession you need.

"Nn," Evelyn mumbles, hands balling up into fists. "One moment..."

The next second she tightens up around you so fiercely you can't help but groan, her warm insides clamping down on you while she grits her teeth and silently strains. Not even a grunt escapes her pursed lips while she cums, ropes of her seed shooting into the sheets while you lay yourself against her prostate and press yourself into it. Her head dips momentarily before rising once more, her hand reaching out shakily to turn the page.

The strength with which she grips it, though, almost tears it from the book. As soon as she realizes she forces herself to let go and squeezes her eyes closed, riding out her orgasm in complete silence until it's finally safe to move again. She's doing well to endure it, but the facade is coming apart at the seams.

"Haahnn," she pants when you move again, bunching up the sheets in her fingers. "Nnm."

You start fucking her ass properly now that she's been acclimated to it, and the results are telling. Her head falls, hair covering her face as she lets out cute little grunts in time with your thrusts, her asshole sucking you deeper with every one. As close as you are to cumming in the wake of her orgasm, you manage to hold on until she's positively shaking beneath you, her entire body tensing with the effort of trying to hold another one in.

"O-oh, fuck," you hear her mutter under her breath. "Nnn-"

Then she braces herself and lets out a scream, her asscheeks clenching around you so hard you cum on the spot. [pc.Cum] fills Evelyn's backside as she shudders in pleasure, cumming so hard she has to jerkily push the book off the bed to avoid the splatters of seed and risk staining its pages. Her voice spills out with every pump of your cock, spouting your warmth into her while she spills her own across her bed panting in exhaustion.

When things finally settle down, you lie down on top of her and kiss the back of her neck. She murmurs for you to grab the pillow and you manage to snatch it off the floor without slipping out of her, placing it under her head to allow her some rest while you relax with her. The two of you slowly progress to cuddling and spooning, then finally you get up to help her clean up.

"Well, that was a fun distraction," Evelyn says, re-dressed and sitting on the bed next to you with a smile, her fancy heel hanging from the tip of her foot. "So, did you want to talk further? Or would you rather we occupy our time some other way?"

[Facesitting]

//tt: Get intimately familiar with Evelyn's curvy ass and tight little pucker while she reads a book.

"You can sit on my face," you murmur, cheeks flushed as you stare at her ass. She's certainly thick in all the right places.

"That's what I like to hear," Evelyn purrs, stripping out of her dress. "Come on, [pc.name], lie down. I'd like my seat to be as nice and comfortable as I'm going to be."

You're laid on her bed and made comfortable, pillows stuffed under your head while she regards you triumphantly and steps up onto the mattress, crouching down and shuffling until her naked ass is right above your face. Her hanging balls jiggle in her nutsack as she drags them up your chin and leaves them on your [pc.lips], and you hear a giggle from above.

"Would you mind licking them clean of sweat, [pc.name], dear?" she asks you, reaching back to pat her butt. "Elegant panties just weren't made with me in mind, I think."

Not that you'd be able to reply were you to dissent given that the moment you open your lips she dips her balls between them, but you weren't about to refuse anyway. Arms coming up to support her curvaceous ass, you suck Evelyn's smooth nads clean of sweat while she coos in appreciation, lingering against you even when you've finished. It takes a minute or two for her to let you go, shuffling along the bed until you're aligned with her big, bouncy ass.

"Okay, good [pc.boyGirl]," Evelyn sighs contentedly. "Now be quiet and let me read."

She brings her plump ass down on you with just enough force to smoosh you into the creaking bed, bouncing you back up into her. You're suddenly kissing her ass in a very literal manner, your hands groping at her bombshell body before settling at her hips, your mind swirling as Evelyn's asshole is just a scant inch away from your mouth. If you were to just...

"Aaahn," she moans, her toes curling. "[pc.name]..."

You close your eyes, [pc.tongue] lolling from your mouth as you lash it across her tight little asshole, enjoying the way it clenches and shivers at your touch. [pc.cockVagBoth|Your [pc.cocks] [p|are|is] hardening further|Your [pc.pussy] gets wetter|Both your [pc.pussy] and your [pc.cocks] grow more aroused] with every lick though you do your best to hide it, not wanting to disturb Evelyn's reading time, and as far as you can tell it's working. She lets out a satisfied sigh and you hear the sound of a page being turned, the closest you're going to get to outright approval.

Even so, you want to give her a little... more. [pc.tongueTag long|Especially given the tongue you're toting. Stallions would be jealous.

She tries to ignore you for a few minutes, but it must be hard to do so when her half-hard cock is dribbling a constant stream of sticky, translucent precum. "Oh," she grunts, squeezing around your tongue. "Keep going, you little whore. I'm going to make you [pc.hasCock|explode all over your stomach|squirt all over my sheets]."

She's right, too -- the way she's deftly working you, you don't have a chance of resisting her. By the time you start getting close, you've given in. It just feels too good, your [pc.hips] bucking against her forceful grip until she has you at the very peak and then redoubles her efforts.

"Mmh! Nngghhmm!" you cry out, muffled by Evelyn's jiggling butt. "Mmmm!"

"There," Evelyn says matter-of-factly, adjusting herself atop you. "Now sit still and lick my asshole like an obedient slut."

You shakily put your hands on her soft, plump ass and extend your tongue. She's the boss...

Your tongue aches, your body is fatigued, but you've never been happier to spend half an hour lying under someone. You're sitting up on the bed when Evelyn gives you a warm smile and leans over to kiss you on the cheek, hand against your chest.

"Naughty [pc.boyGirl]," she murmurs. "But I didn't mind too much."

"Thank you, [flags.EVELYN_PAST|princess|Evelyn]," you reply, smiling at her.

She grins lewdly. "I can sit on your face for the better part of an hour and you thank me for doing so. I **like** this partnership, [pc.name]. Now, let's continue talking."

[Spooning]

//tt:Get on the bed and just spend some time with her.

Relaxing sounds good, actually. You help Evelyn undress before stripping down yourself, the [flags.EVELYN_PAST|princess|noblewoman] holding her arms out with a smile so that you might embrace her on the bed. She gives you a kiss, holding you against her perky bosom with her arms around your back, her soft, lush lips smiling against your own.

"Mmm... now turn around," Evelyn murmurs huskily. "I want to hold you close, [pc.name]."

So *you're* the little spoon -- you can't say you're surprised. Shuffling onto your side, you're immediately gripped from behind by your lover and pulled into her while she nuzzles your neck, [pc.hasHair|her hair sweeping aside your own|her hair brushing against your scalp]. Evelyn gives you a gentle peck on the back of your neck, and you both sigh in contentment as you settle in against each other.

"This is nice," she whispers. "Spread your legs a moment, darling."

A quiet moan of pleasure escapes your lips at her passionate touch, and you get another kiss on your neck in return.

"I do so enjoy spending time with you, [pc.name]," Evelyn murmurs. "I hope you stay safe on your travels. I would be very sad if you went missing."

"That won't happen," you reply, smiling as you lean back into her. "Don't worry, I won't let you get lonely, [flags.EVELYN_PAST|princess|Evelyn]."

"Oh, is that so?" she says, nipping your [pc.ear]. "Hmhmm. How can I be sure?"

"Nnh... slide yourself into me and see how lonely you feel then," you whisper to her, and you can practically hear her ears perking up.

"Maybe I will," Evelyn says.

So focused on what's happening below, you're wholly unprepared for when Evelyn gently squeezes your nipples, and you let out a groan of animal desire.

"It sounds like you need it every bit as much as I do," she suggests.

"Nnf- maybe I do," you respond, biting your lip. "Nnmh..."

"Well then, I don't see a reason to keep you waiting," Evelyn whispers in your ear, and the next thing you feel is your [pc.vagOrAss] being spread wide around the head of her bulging cock. [pc.hasPussy|"You love having me in your [pc.vagAss|tight little pussy, don't you, [pc.name]?"|asshole, don't you, [pc.name]? "Yes! Yes," you gasp, trying not to tense up as she drills you deeper. "Ooohhh! Yes, Evelyn..."

"Oh, you're practically begging for it," she murmurs. "But I'm not going to do the work for you, [pc.name]. You'll have to earn this yourself."

True to her word, she deliberately pushes into you until you can feel her [pc.vagAss|cockhead pushed up against your delicate cervix, your sensitive pussy walls stretched around her hard, solid length|hefty balls pressed against your clenching asscheeks]. <i>Gods</i>, it feels so good to have her hilted in there...

But she's not moving.

"Well?" Evelyn says, the smile in her voice and a hand draped over your [pc.hips]. "Come on, [pc.name]."

You moan as your slow forward movement drags her partially out of you, then groan in outright bliss when your desperate push back rewards you with another balls-deep entry while your ass jiggles against her thighs. It's hard to get a rhythm going when each individual thrust makes you want to stop and clench your [pc.vagAss|vaginal walls|butt] until you cum all over her sheets, but you're not going to get her off otherwise. That thought drives you onward, panting and gasping as sweat breaks out across your writhing body, searching for the best way to make Evelyn blow her load.

She grunts in your ear on a particularly hard, reckless thrust backwards, a pretty sound that makes your tummy flutter and your [pc.hasCock|cock[p|s] bounce upward|pussy drool in anticipation], and suddenly you find you have all the energy in the world. Crying out in pure, abject pleasure you fuck yourself to orgasm on Evelyn's iron-stiff cock and keep going, rolling your hips as [pc.cockVagBoth|[pc.cum] spurts into her sheets and up your stomach|your [pc.vagAss]clenches around her, [pc.isSquirter|squirting [pc.girlCum] all over her hefty nuts|dripping [pc.girlCum] all down her shaft|]empty cunt clenching [pc.isSquirter|and squirting|and dripping] while your asshole clamps down on her|[pc.cum] spurts into her sheets and up your stomach while your [pc.vagAss|hot cunny clenches around her, [pc.isSquirter|squirting [pc.girlCum] all over her hefty nuts|dripping [pc.girlCum] all down her shaft|]empty cunt clenching [pc.isSquirter|and squirting|and dripping]]], your muscles aching with the ecstasy of it all. The feeling of cumming with her deep inside you is unbelievable, like you're being taken to heaven, and it just makes you want more.

"Oh, god! Evelyn! **Evelyn!**" you scream, bouncing against her groin, possessed by lust. "Nnnnnhhhhgh!"

She cums without warning, a feral groan spilling out from behind you as she holds you tight, suddenly wrapping her elegant legs around your own and pulling them back while the first of her enormous loads gushes into your [pc.vagAss|[pc.isPregnant|pussy and spurts from between your inflamed lips, splattering the bed|empty womb and fills it with the warmth of her seed, subsequent spurts jetting out from between your inflamed lips|]bowels, her cock throbbing in your stretched-out asshole while hot cream begins to spurt from around her engorged dick.] Your voice breaks while she digs into you, your mouth hanging open in a silent scream of rapturous release and your eyes rolling upwards while she fiercely squeezes your [pc.hasBreasts|breasts|hips]. Evelyn has such utter dominion over you that you cum again midway through feeling her bountiful orgasm, the fiery pleasure overlaying itself on the embers of the last and knocking you out with the sheer bliss of it.

You come to moments later with every muscle in your body tensed, grunting in depraved release, and Evelyn's whispering, soothing voice in your ear as she cums is what gets you to relax. Slowly but surely, the comfort of her voice brings you back down to earth until you're

lying in her arms and shuddering, your eyes fluttering in half-conscious satisfaction. She takes the opportunity to lean over you, sweeping her hair out of the way and tilting your head to kiss your [pc.lips].

"Good [pc.boyGirl]," she whispers.

It's several minutes before you can bring yourself to get up from the bed with Evelyn's help, but you manage to help her re-dress and seat herself back on the mattress. She gives you a warm, gentle smile.

"Would you like to continue talking, [pc.name]? Or... do you want to cuddle again?" she says, leaning forward and giving you a look at her more than ample cleavage.

[Suck]

//tt:Somehow, nothing is more appealing right now than the idea of thrusting your head between Evelyn's pale thighs and blowing her fat cock until her hot cum is gushing down your throat.

//two variants, random 50/50 choice

{variant 1:You don't bother voicing your desires. Instead you get back down in front of Evelyn, gently place your hands on her soft thighs, and push them apart to reveal your inexhaustible bounty. Two bulging, cum-filled orbs and a thick, hardening penis just waiting for you to wrap your [pc.lips] around it and suck until the cows come home. You're only too happy to oblige.

"Hhaah," Evelyn sighs, leaning back and relaxing. "You know your station well, [pc.name]."

Your lips slip over the sensitive surface of her glans as your [pc.tongue] teases the underside, forming a seal you use to lovingly suck on her. Wet, lewd slurps resound in Evelyn's room as she watches you work, smiling at your performance. Her long lashes flutter as she rolls her pretty eyes upwards in pleasure.

"Nngh. You are good at this," she says, spreading her pale thighs some more.

"Mmm... good [pc.boyGirl]. God, I'd love to just keep you on a leash..."

Evelyn grins when your gaze flicks up to her, meeting her eyes. "You like the sound of that, don't you? Keep sucking and I'll tell you some more."

She groans in pleasure from deep in her throat as you begin to bob up and down her cock, pressing her swollen head past your tonsils and tightening your grip on her until dick is filling your throat, pressing your tongue to the floor of your mouth. Now that she's started down this path, you're ever so curious to hear more...

"Mmmh... I'd keep you near me at all times," she says huskily, cheeks flushed. "An obedient, submissive cockslave to tend to my every little need. Your throat makes for such a nice sheath, after all... doesn't it?"

You moan in sensual pleasure as you slide forward, slowly taking her all the way down to the hilt and kissing her soft groin with your lips spread wide around the veiny base of her thick, solid shaft.

"Thaaat's right," Evelyn murmurs, placing one hand on the back of your head. "Just like that. You'd be in between my thighs for hours a day, serving me until your belly is swollen with my seed." She [pc.hasHair]squeezes your hair lovingly, getting a handhold[squeezes you lovingly] while you endeavour not to choke with her balls-deep in your gullet. "Oh, I'm getting harder just thinking about it. You'd make the perfect cockswallowing whore, all for my personal use. Wouldn't you?"

You gurgle in the affirmative, feeling her cumvein tantalizing your tongue with throbs and pulses and at last getting a reward in the form of a sticky trickle of precum that spurts comfortingly down the back of your throat. Evelyn's thighs close in on either side of your head, cushioning your [pc.ears] as she holds you in place, gently squeezing your cheeks and pulling you inwards.

"Good [pc.boyGirl]," she whispers. "I'm going to cum right into your stomach, [pc.name]. You just make such a sexy sight when I'm pouring seed down your throat, I can't help myself."

With that Evelyn pulls her thighs away, allowing you movement and sending an obvious message -- facefuck yourself on her stiffened cock until she blows her load. It's all you could ever ask for. She groans in delight as you straighten your back and begin taking her balls-deep, tightening your lips around the hilt of her dick and sucking her so hard on the outstroke your cheeks are hollowed. Feeling her skin compress against your tongue and the shiver that runs down her spine is every bit as delicious as the precum spurting into your mouth.

Your hands on her thighs and your head bobbing up and down on her throbbing cock, you blow Evelyn with all your might. Strands of saliva and precum hang from your chin, swaying and dripping down your [pc.chest] as you seek to bring her further pleasure.
[pc.hasBreasts|Your tits shake with every movement, drawing Evelyn's attention downwards while she grins in enjoyment|She grins in enjoyment, watching you work for her.]

"[pc.name], I'm getting so close now," Evelyn purrs. "You're doing such a good job with that sexy mouth of yours..."

You can feel your efforts coming to fruition, her cumvein pulsing against your tongue as you sink yourself to the hilt over and over, her toes curling against the floor with every sloppy, breathless suck. It's only a matter of seconds before she cums, and you want her to be as deeply fucked into your throat as she can possibly be to meet her expectations. The moment you feel her dick stiffen between your lips, you dive into her crotch and hollow your cheeks as hard as you can.

"Oh. Oh, god. Mm," Evelyn grunts, flexing her quads as you suck the cum right out of her balls. "Nnhgh..."

Her seed has the consistency of cream and tastes every bit as good when you draw back slightly to get some of it in your mouth. The rest, though, spurts straight down your throat in a violent, forceful river thanks in part to your excessive ministrations. You hold eye contact with her as she cums again and again, grinning down at you while she fills you up.

"That's right, darling," she murmurs. "Drink it all down and I'll let you have some more later. I know how eager you are."

Your [pc.cockVagBoth][pc.cocks] [p]are[is] positively dripping with precum[[pc.pussy] is dripping wet[[pc.pussy] and [pc.cocks] are positively dripping] as you swallow Evelyn's loads, aided by her cockhead being so deeply embedded in your gullet you hardly need to work for it. Your muscles constrict around her in concentric waves, all but milking her enormous penis down your throat, and she's more than appreciative of the effort. Her moans of happiness fill you with a gentle warmth rivalled only by the thick pool of seed swirling in your stomach, the excess still dripping down your esophagus.

"You swallowed every last drop, didn't you?" Evelyn says, smiling in approval. "Good [pc.boyGirl], [pc.name]."

"Mmmgghlk- thank you," you mumble, putting a hand over your mouth as she drags you off her dick and presents it to you. "Nnhgh..."

"That's good, swallow the rest," she says. "Then clean me up."

You do exactly what she tells you, eyes closed while you carefully lap and suck off all the juices from her half-hard penis until she pulls it away and pats your head.

"Now then. Did you want to continue talking, or..." Evelyn says with a smile, trailing off and letting the silence hang in the air.

/variant two:"I'd like to suck your cock again," you murmur, cheeks turning slightly red as Evelyn giggles.

"I know you would, [pc.name]," Evelyn says, smiling. "How about we do something a little different this time? Here, help me undress and lie back on the bed..."

Evelyn has you position yourself so that your head is hanging off the edge of her bed, almost the exact height for her to fuck your face in her heels. She gives you a lascivious grin as she steps over you, letting her fat balls hang tantalizingly in front of your open mouth before bending just low enough to lay them across your [pc.lips]. You're quick to take advantage.

"Aah, that's right," she sighs in satisfaction, your [pc.tongue] dancing across their surface. "Lick them clean, [pc.name]. They're going to be slapping against your nose very soon, so take good care of them."

That little declaration has your [pc.cockVagBoth][pc.cocks] hard in an instant, springing upwards from between your [pc.thighs]. It[[pc.pussy] dripping and your thighs rubbing together in an instant, ready for her to indulge herself. The gesture[[pc.thighs] rubbing together and your [pc.cocks] springing upwards in an instant. The gesture] doesn't go unnoticed by Evelyn, who lets out a gentle, charming giggle.

"Oh, yes, I thought you might like the sound of that..." she teases.

You suck her clean with even more than your usual fervor, head filled with all sorts of erotic fantasies as she steps over you and aligns her cockhead with your lips and leans over, taking ahold of your shoulders.

"You'll want to take a big breath, [pc.name]. I don't intend to stop even if you're gagging," Evelyn says sweetly. "Are you ready?"

She lets out a muted murmur of approval as your [pc.tongue] washes over her glans, all but worshipping her in the moment of your own impalement, and doesn't bother with further warning. In the next second she's smoothly sliding between your lips, holding her first few inches in the wet warmth of your mouth while you suck her with vivid enthusiasm. She allows you a few moments to savor the anticipation, feeling her throb and flex in your cheeks before she indulges herself in your body, leaning forward just a little to get the right angle.

"Oh, yes... good [pc.boyGirl]," she breathes, inch after inch of her fat cock pushing past your tonsils and disappearing down your throat. "That's exactly right."

In a paradoxical effort you strain to do absolutely nothing as Evelyn begins to fuck your mouth, resisting the urge to gag and cough when you feel her thick swollen cockhead bottom out deep inside your throat, sticky strands of warm precum smeared across the back of your gullet. You force yourself to relax and let her do the work, your face just another hole for her to fuck full of cum, and find yourself delighting in the feeling of it. To be so beautifully <i>used</i> by Evelyn is a reward in itself.

[pc.hasBreasts]|It's a struggle not to gurgle into her meaty length when she suddenly takes ahold of your [pc.breasts], kneading and squishing them while she pumps between your lips. Her fingers dance across your [pc.nipples], teasing and stroking you before she squeezes them between her thumbs and forefingers. That forces a reaction from you, a low, desperate groan of arousal that rumbles deep within your throat, the best you can do with her so deep inside.

[pc.ra cowgirl]"You really are just like a cow," Evelyn giggles teasingly. [pc.isLactating]"Oh, you even have milk... wonderful."|"Adorable."|"Aww, you're adorable," Evelyn giggles teasingly. It's only when her fingers alight upon your [pc.nipples] and oh-so-gently squeeze them that your facade cracks a little, and you let out a noise reminiscent of a moo.

"Such a good [pc.ra minotaur|bull|[pc.boyGirl]]," Evelyn giggles. "Go on, [pc.name]. Don't be ashamed."|

Your back begins to arch as she continues swiftly pummeling your face while she plays with your chest, your fingers clutching at Evelyn's sheets while you try to resist the pleasure of having her inside you. Each dominant thrust just drives you more and more wild, your mind running away with fantasies of her fiercely unloading spurt after spurt of seed down your

throat like you're little more than her masturbation aid. Unbeknownst to you, your [pc.hips] begin to grind and buck in the air as an accompaniment to Evelyn's rhythmic facefucking, your own body more than familiar enough to know what you want from her.

She doesn't need to tell you it's coming; you can feel it. Her rugged cock grows harder and thicker inside you, cumvein flexing against your compressed tongue and delighting your senses with the message that she's about to orgasm. Your thighs come together and you grind against yourself, just waiting for the blissful moment.

You couldn't be happier when Evelyn lets out a soft, feminine moan, barely more than a whisper, and you suddenly feel an explosion of slick, warm jizz shoot down the back of your throat. She draws back and rams herself balls-deep between your sucking lips and this time you cum in time with her, [pc.cockVagBoth][pc.cum] spattering your rapidly warming stomach[[pc.girlCum] staining her sheets][pc.girlCum] staining her sheets and [pc.cum] spattering your rapidly warming stomach] while she squeezes your chest in elation.

"Ooohhh, god," she moans, throbbing in your mouth so hard you can feel it in your skull. Gushes of hot spunk flow down your gullet, coating the insides of your throat in her alabaster seed as she pins you to the end of the bed. "Nnngh. Hhnh..."

"Gik- mmh," you choke, unable to keep yourself from vocalizing while you swallow down her sperm load by load. "Mm! Gghl!"

"Good [pc.boyGirl], it's okay" Evelyn grunts. "Good [pc.boyGirl]."

She withdraws from your slackened jaw when she's finally done offloading her burden, your stomach notably more rounded than it was some minutes ago. Creamy seed begins to drip from your cum-stained lips before you gather the presence of mind to weakly lick it up, lifting your head and swallowing hard to get it all down while Evelyn watches with a smile, somehow already re-dressed. How long were you lying there, thinking of her cock?

"So, [pc.name]," she says, casting her eyes around the room as you sit up. "How are you holding up?"

"I-I'm okay," you huff, calming your breathing. That was one of the most erotic experiences of your life and it seems a shame to have to suppress your reaction to it, but it's not like Evelyn's going anywhere. "More than okay."

"That's good," Evelyn replies, smiling warmly at you. "Let's continue talking, shall we?"}

Wrapped around her little finger as you are, you have to voice your desire. Evelyn can see you glancing at the imprint of her cock beneath her dress, see you staring whenever she shifts her smooth, pale legs to allow you a glance at her pride, and the smile on her face is decidedly self-satisfied. But she won't do anything unless you ask for it.

[pc.bg courtesan charmer|Being around Evelyn is intoxicating as the deepest of wines and leads you to lose yourself in her, but this is your realm.{first time: She's going to see a side of you she never has, and the thought of it brings a smile to your flushed face as you regard her on the bed./repeat: The thought of the effect you had on her last time brings a smile to your flushed face as you regard her on the bed. She's just waiting for a repeat of that performance, you can tell. Far be it from you to disappoint your [flags.EVELYN_PAST|princess|mistress]!}

"Wait right there," you tell Evelyn, springing up from the bed and stripping out of your clothes with your back to her. Naked and free of your gear you turn back to her and watch her eyes drink in your body, [pc.hasBreasts|pausing at your [pc.breasts] and your [pc.cockVagBoth][pc.cocks]][pc.pussy|cock[p|s] and pussy both]. That's exactly what you want -- tearing your lover's attention away from the base delights of your [pc.thicknessRange 0 30 60|lithe[pc.toneRange 0 66|, muscled]]erotic|voluptuous] form and watching her lose herself in the spell of your dance is what you live for.

Shifting your hands from your groin and sticking your [pc.hips] out you advance upon her until you're standing less than an arms length away, smiling down at her as she tilts her head up to watch you. With a wink and a finger laid to your [pc.lips] you slowly lower yourself onto her thigh and gyrate, reaching out to caress from her neck down to her shoulder while you dance. Evelyn is transfixed, her gaze locked on your [pc.stomach] as you lightly grind into her, leading her further into temptation.

"No touching," you whisper, leaning in and breathing into her ear. "Don't worry, mistress. I'll take care of you..."

By now, she trusts you to deliver. She doesn't make a move, just following your movements with naked lust in her eyes as if her rapidly growing erection wasn't enough of an indicator. Such a prodigious cock, you could hardly ignore it, could you?

"Nnh," Evelyn murmurs as your fingers gently brush up her shaft, stroking her cumvein. You can see her ass shake slightly as she flexes, wanting more, and lick your lips.

Gradually, inch by inch, you bring yourself closer and closer until you're almost sitting in Evelyn's lap, your [pc.hasPussy|lower lips touching her erect cock, enthralling her|erect cock[p|s] touching hers and twitching in sympathetic desire]. Taking in a long, deep breath you hover over her, pause, and give her a wide smile as you allow her engorged cockhead to [pc.vagAss|slip between your velvet-soft folds and into the wet confines of your vagina|slip into your [pc.asshole]].

"Oohhh, yes," she says breathily, leaning back. "Oh, god."

You don't stop your routine there, of course. There's *<i>so</i>* much more pleasure to be wrung out of this situation with little movements of your hips, grinding the first few inches of her thick length into your [pc.vagAss|sensitive walls|squeezed-tight buns] and holding her there while she lets out little grunts of pleasure. Oh, this is *<i>fun</i>*.

"You like my dance, [flags.EVELYN_PAST|princess|mistress]?" you tease.

"Don't stop there," she begs, digging her fingers into the mattress. "Uunmmh..."

"Oh, don't worry," you purr, running your hand down her hourglass body. "Not until you pop like a cork."

Evelyn groans, reaching out for you instinctively, and you let her hands roam your upper body with an approving coo. Now that she's getting a little handsy, you draw her further into her dirty fantasy by sinking her a couple of inches deeper into your [pc.vagAss|squeezing cunny|tight behind].

Now she's a little more than halfway in and throbbing hard, clearly trying to hang on, but you're having none of it. Leaning forward, you grip her by the shoulders and whisper in her ear.

"Go ahead and pump your dirty little dancer full of cream, [flags.EVELYN_PAST|princess|mistress]," you urge her. "I want to feel it..."

"D-deeper!" she gasps, sweat breaking out on her forehead. "Please take it deeper!"

"Oh, deeper?" you murmur, looking down at her enormous cock. "You want me to take this **big, fat cock** of yours all the way in, Evelyn?"

"Yes!" she chants, not even hiding her urges. "Please!"

"Well... alright," you say, arching your back. "Just for you, darling."

Evelyn lets out a deep, animalistic groan of bliss as you sink down her shaft, feeling her cumvein throbbing against your delicate skin while you endeavor to keep control and take her to the hilt. In a spectacular display of self-control you manage to keep it all in, [pc.vagAss]suffering only a minor orgasm when you feel your inner thighs come in contact with her groin, assurance of your quest's completion[just barely resisting the impulse to cum all over her stomach]. Your partner has no such restraint.

"Ohhh, god, fuck yes!" Evelyn moans loudly, bucking her hips. "Oh! **Oh!**"

She strains upwards so fiercely you're lifted into the air as a fountain of spunk spurts from the head of her bulging cock, pulsing balls drawing taut against your underside and expelling cum into you with such force you wonder if you might have overdone the teasing. With a shaky, breathy gasp you join her and orgasm in unison, the strength going out of your shaky legs while you shudder atop her and bite your lip. Gods, there's so much of her!

Jizz begins to squirt back out of your [pc.vagAss]clinging, squeezing cunt[clenching, quivering asshole] as you hang impaled on her pulsing length, your [pc.ass] cushioned by her upper thighs. [pc.cockVagBoth][pc.Cum] splatters across her stomach and up her heaving bosom, eliciting a satisfied sigh from her lips[pc.GirlCum] drips [pc.vagAss]down her shifting balls[from your empty snatch] and into her sheets as you close your eyes and screw up your face, trying your utmost not to moan like a whore[pc.Cum] splatters across her stomach and up her heaving bosom while you close your eyes and screw up your face, trying your utmost not to moan like a whore]. Try as you might to hide it, Evelyn's good at taking notice of these things.

"Oohh, [pc.name]," she murmurs, clutching your waist. "I can't tell you how happy I am to see you get off as hard as I am. Come closer, you beautiful [pc.mf]man[woman]."

You lean forward and Evelyn wraps her arms around you, stroking your shivering back while the two of you ride your mutual orgasms out in each other's arms, panting and moaning until you collapse into her bed.

"That was... amazing," Evelyn sighs contentedly, rubbing the back of your neck. "You really **can** put on a show, [pc.name]. Thank you."

"An' don't forget it," you mumble into the comforting embrace.

"Oh, I'm not likely to any time soon," she says, giggling. "Don't you worry. In fact, I may ask for a repeat performance the next time you come and see me, darling."

That might be nice.

Time passes, and you help Evelyn clean up before bidding her a good day and departing her room with a smile on your face and her spunk still slowly dripping from your well-fucked

It's a nice, familiar feeling.|Though you're limber and flexible, you don't have that much going in the way of dancing save for confidence. Even so, you hop off the bed and strip down, approaching Evelyn and all but mounting her lap with a smile.

"Oh?" Evelyn murmurs, a grin creeping across her face. "Not the show I expected, but I'll take it." She reaches out and grabs your [pc.ass] with a firm grip, squeezing you with her fingers and pulling you forward until you[pc.vagAss|r [pc.pussy] bumps| bump] against her bulging cock. "Here, [pc.name]. Let me watch you bounce on this, why don't you?"

"Mmm, okay," you mumble, going red in the face. Presented with <i>that</i>, who could say no?

You let out a little hiss as you hold her girthy shaft and [pc.vagAss|guide her cockhead between your lips|press it to your [pc.asshole]], closing your eyes and slowly sitting down on her proud, upright dick. The feeling of her caving your [pc.vagAss|slit|ring] inwards is enough for you to forget all about your momentary embarrassment and you find yourself more than willing to take her all the way in, moaning all the while. Evelyn coos and strokes your side, hand resting at your [pc.hips].

"Good [pc.boyGirl], there you go," she reassures you. "Doesn't that feel so good, to please your [flags.EVELYN_PAST|princess|mistress]? Now..." she says, settling back and smiling at you. "Bounce, bitch."

You moan as you arch your back, the sensation of her meaty cock throbbing deep inside you somehow reverberating up your spine until it's making your head fuzzy. Gods, that feels <i>good</i> — and dragging yourself upwards, raising your hips while your [pc.vagAss|warm canal|insides] cling to every bump and vein on her massive length — that feels even better. Evelyn grins as you let out a loud groan on the way down again, sinking into her lap until your shuddering thighs are touching hers.

"I like this dance, [pc.name]," Evelyn sighs at length, shaking the hair out of her face. "Don't stop now."

You couldn't if you tried. Her firm, pliable cockhead is digging into you in <i>all</i> the right ways when you involuntarily squeeze it tight, [pc.hasPussy|arousal dripping from your [pc.vagAss|stuffed cunt|empty slit]]precum dribbling from the head of your [pc.cocks]]. "A-ah," you murmur, feeling your [pc.vagAss|pussy spasm slightly|abs tense] as you ride her up and down, thrusting your hips back into her stiff cock. "Oh, god- oh! Nhh!"

After a few minutes of experimentation, you're ready. Taking a deep breath, you raise yourself up and slam your ass down into her thighs with a <i>slap</i>, eliciting a grunt from Evelyn and the moan of a whore from yourself. Throwing your head back, you begin to work

your lower half with all the intensity you can muster with Evelyn's absurdly large cock impaling you, filling your [pc.vagAss|dripping cunny|clenching asshole] with its overwhelming girth. The sound of flesh on flesh resounds in Evelyn's room, the bed creaking beneath her juicy butt while you bounce up and down on her dick.

[Vaginal]

//tt:Give up your vaginal virginity to Evelyn.

"Take my virginity, please," you mumble, blushing. "I want it to be you."

"Oh," Evelyn murmurs, smiling. "Come here."

You climb into her offered lap and let her caress your neck, gently pulling you down into her until she steals your [pc.lipsChaste] with her own, embracing you warmly [pc.hasHair]and running her hand through your [pc.hair]]stroking your head]. It feels so nice to experience such affection at the hands of another, not to mention...

"You're so... big," you whisper in between soft kisses, escaping from the depths of Evelyn's pretty green eyes to glance down at the massive length hardening between the two of you. Her penis must be close to a foot long. "It's a little intimidating{had anal: to think you'll be in my pussy}."

"Don't worry," she says, rubbing your back comfortingly. "I'll be very gentle until you can take all of it."

"Will it hurt?" you mutter, cheeks flushed.

Oh, darling," she coos, stroking your cheek affectionately. "It will hurt when your hymen breaks, but don't worry. What comes afterwards will feel so much better."

You're breathing harder now, [pc.hasBreasts]your [pc.nipples] jutting from your [pc.breasts] like diamond studs. She brings you back down to earth with a firm kiss, stealing your attention from yourself and refocusing it on <i>her</i>, just as she has from the beginning of your relationship. Your fluttering stomach and racing heart slowly return to the norm as she captures your tongue within her own, kissing you with such exquisite skill you start to try and rub your [pc.thighs] together only to remember Evelyn's giant dick is between them, its hardness pressing into your [pc.stomach]. When you part it's with a calmer but fuzzier mind, emotions bubbling below the surface, your intentions muddled.

"Lie down," Evelyn whispers, tugging the bedsheets aside and stroking the mattress. "Here."

Grateful for the respite, you nonetheless can't help but fixate on Evelyn's enormous, bulging cock as you get into her bed and settle into the sheets. She notices your lingering gaze and grins, climbing on top of you and kneeling over your lap.

{had anal:"Want to touch it before it goes in your little pussy?" she offers, angling her hips to give you a better look at the head. "Go on."/else:"Touch it," she says, shuffling closer. "Get familiar with the shape, [pc.name]."} She smiles. "Appreciate it like I'm going to appreciate you."}

"I'm ready," you say shyly.

"No you aren't," Evelyn chides you gently, smiling at your confusion. "But I'll get you there."

{pc has masturbated vaginally:You gasp at the sudden touch, Evelyn's fingers sliding up the heat of your lower lips and entwining to lightly brush your [pc.clit]. She giggles softly when you arch your back a little, your slit clenching tight in a misguided attempt to entrap her and ensure her attentions continue. Oh, gods, this feels <i>so</i> much better when someone else does it...

"Do you like it on your clit, [pc.name]?" she asks you, smiling. "Hmm."

"Oh," you moan, feeling her circle your swelling rosebud with her fingertips, stroking you like she might caress a pet. "Ooohhh, Evelyn..."

"Good [pc.boyGirl]," Evelyn whispers. "Just relax, and let me take you away..."

Your head sinks into her pillow as you lie back and moan, your [pc.thighs] shuddering and seeking to pull inwards while she works you over with her hands. A single finger slipping between your quivering labia just forces you to be louder, her digit extending in a continual 'come hither' motion that makes your hips roll along with her rhythm. Everything but the pleasure of her touch has long since melted away when you feel the rise of a familiar sensation within you.

"Oh, my god," you whisper, slowly reaching up to grab her pillow with both hands while your hips begin to shake. "Oh, my god! Oh, I'm going to cum! Oh, god!"

"Let it all go," Evelyn purrs.

/else:"Oh!" you cry out, eyes widening at the sudden touch. "Mmm..."

Evelyn's fingers slide up the outside of your vagina, brushing against your sensitive skin before entwining to dance along the very top of your slit. Her fingertips touch a protrusion and you let out a little scream, wholly unprepared for the sensation that accompanies it. Your [pc.hips] buck upwards in confusion, and you find yourself experiencing a feeling you've never known in your life.

"Oh, [pc.name]," Evelyn murmurs, gazing into your eyes with a sultry smile. "You've never even touched yourself?"

"I- I don't," you gasp, uncomprehendingly arching your back. There were a couple of times you tried to address that strange inner heat, but you never really satisfied yourself and hadn't given it much thought since then. "I- oohhhh!"

"You poor [pc.boyGirl]," she whispers, reaching up to stroke your cheek. "Don't worry, I'm more than happy to show you how your body works... here." She places her finger on your bud and lightly presses down, sending a deep, desirous shudder running down your spine. "This is your clitoris, [pc.name]. A woman's carnal treasure... and her lover's best friend. See?"

One stroke makes you moan, and the next few make you pant. [pc.hasBreasts|Your breasts shake|Your heart hammers in your chest] as Evelyn displays an otherworldly mastery over your body, one you'd prior thought belonged to <i>you</i>. You turn this way and that, biting your lower lip all while she smiles down at you, watching you lose your little battle until she stops and you collapse back onto the bed, sweaty, flushed, and breathing hard.

"Oh, my god, you are just beautiful," Evelyn purrs. "Here, [pc.name]... let me teach you how to masturbate. Wet this for me, would you?"

She shifts a finger from your cheek to your mouth, and when you prove to be obedient she pops it in between your [pc.lips] to suck on it. She pulls it free with a coating of saliva and gives you a murmured thanks, and as you watch her hand disappears below your waist. The next thing you feel is a familiar warmth against your dripping vagina, and the voice that comes out of your mouth is anything but your own when she makes her next move.

"There you go," she soothes you, running her free hand along your tensing stomach. "It feels good to have something inside your pussy, doesn't it?"

You let out an unsteady groan, acclimating to the unfamiliar presence a couple of inches deep in your pussy. Evelyn's finger -- wet with both your saliva and the juices dripping from your slit -- feels a lot bigger slid between your thighs than it did between your lips. You have to admit, though; clenching down on it feels <i>really</i> good...

"Eager, aren't you?" Evelyn says, giggling. "Don't worry, so am I."

She begins to move her finger in a slow, steady 'come hither' motion, and you find yourself being swept along with her, your hips rising off the mattress with every drawn-out stroke of

your sensitive insides. "Oooohh, god, I love this," you moan shakily, biting your lower lip. "Mmmmh! Oh, this feels so good!"

"Doesn't it? And think," she whispers. "These are just my fingers."

You moan louder than you ever have in your life, the restraints holding you back fraying and snapping one by one until your whole body is rocking in time with Evelyn's knuckle-deep penetration, her bed creaking beneath you. Everything else in the world melts away until all you can feel is Evelyn, your ass rising off the bed and your straining thighs suspending your lower half in midair while she pumps her finger into your squeezing, dripping slit with unending vigor.

Her warm, steady hand finds your cheek once more and she captures you in a passionate kiss as deep as it is long, her tongue lustfully seizing your own and forcing it into a lewd, winding dance that leaves you every bit as breathless as your orgasm by the time she parts from you. The proud, confident grin she's wearing is sexier than any clothing, but you hardly have the time to dwell on it. With a shift of her hips and a soft gasp as something long and hard brushes against your oversensitive clit, you're suddenly reminded of the real reason you're lying beneath her.

"Now you're ready," she says, stroking your tummy with a smile.

[Next]

To your surprise, though, what comes next isn't hot, wet penetration. It's Evelyn tidying the bed up a bit and placing pillows to support you until you feel like you've been so pampered you could fall asleep were it not for the enticing prospect of getting to feel her erect dick inside you. Only after you've been taken care of does she grin and grip your waist, giving you an affectionate squeeze.

"Relax, princess," Evelyn says. "We have all the time in the world to enjoy this."

You hadn't even realized you were tensing your aching thighs, though surely you can hardly be blamed in the presence of that thick, veined cock of hers. It's a <i>lot</i> bigger than her finger, but... you somehow just know she's going to be every bit as skilled with her penis as she was with her finger. That's just the kind of woman Evelyn is, and it's that thought that makes you relax yourself, ready to accept her in her entirety.

"Good [pc.boyGirl], there you go," she coos. "Now..."

You lift your head to watch her, your mind racing in excitement. Gods -- she has one hand near the base of her cock and her fingers barely meet around its girth, and a second hand would still leave inches of it uncovered. Your heart is pounding in your chest, your [pc.hasCock][pc.hasCocks]cocks[cock] every bit as hard as hers and dribbling precum onto your [pc.cockRange 0 14|stomach|chest][pc.nipples] standing out like diamond studs in your arousal] while she angles herself with your dripping wet canal. The anticipation is <i>killing</i> you...

"Evelyn," you moan.

Her response comes in the form of a solid, heavy weight sliding between your lower lips and slowly -- very slowly -- sinking inwards, your vagina stretching outwards to try and take her in. It's <i>hard</i>, but you knew it would be, and besides, you'd give anything right now to feel this beautiful woman's cock hilted all the way inside you, to be secure in the relief you can take her and even please her. To that end, you do your utmost best to ignore the pain of accepting her.

"Oooohhhh, god," you groan, [pc.hasToes|curling your toes and balling your hands into fists|balling your hands into fists]. "Nnnhhhh!"

"Oh, [pc.name]," Evelyn murmurs. "There you go, you're taking it..."

You've heard a vagina described as a flower before, but this feels more like she's inserting herself into your stem. You fill her room with loud, high-pitched moans as her massive member slowly slides into your quaking cunt, your involuntary clenches serving only to suck her deeper until she meets resistance. Your hymen, and she looks to you for the okay. It takes a few seconds for you to register it all and when you do, you give her a shaky nod.

"T-take it," you whisper.

You throw your head back as Evelyn takes your virginity from you, piercing your hymen with the swollen head of her cock and letting out a breathy groan as she does. By the time you realize she's no longer inside your vagina, she's already laying alongside you and cuddling you close, her voluptuous breasts pressing into your chest while she pulls you in for a kiss. You murmur and moan into her mouth as she guides you through the dance once more, a flame of gratefulness burning brightly in your chest. She's distracting you from the pain.

"Are we... finished?" you ask.

"Perish the thought," she says, nuzzling into your neck. Gods, she's so warm and soft...
"We've hardly started."

"Mmm... okay," you mumble, wrapping your arms around her.

You'll just trust her guidance -- god knows she's more knowledgeable about this than you are and anyway, kissing her feels amazing. Evelyn spends so long touching, flirting and playing with you that you don't even notice the pain has faded until she pulls away, leaving you a deliberate second to realize what's happening before she starts to reinsert herself.

"Oh! Oooohhh, god," you moan, half in surprise and half in joy. "Oh! Evelyn!"

"Relax, [pc.name]," she gently reminds you, her bulging cockhead sinking into your soft, wet folds. "Take it all in..."

"Mmmmf!" you grunt through pressed-together lips, straining to take her. "Mmnng!"

God, this doesn't feel <i>half</i> as bad as it did the first time around -- you can feel yourself stretching around her, your inner walls forced to acquiesce to her enormous size, and though there's some pain there's also a sensual, erotic thrill that runs up your spine and sets your tummy aflutter. Sweat breaks out on your face anew but so does the hint of a smile, the sensation of her massive cock sliding deeper into your unpractised slit so unlike anything else you can't wait for more. When she slips another inch deeper you let out a deep, feral

moan unlike any of the other noises you've made so far, taking even yourself by surprise. This is *<i>good</i>*...

"That's it," Evelyn says, smiling warmly as she [pc.hasBreasts]shifts one hand to your breast[places a hand on your chest]. "It feels great, doesn't it? I promise I can make it feel even better..."

You let out a wordless, whispery breath as she closes her eyes and moans softly, her lashes fluttering. She's so pretty you can't help yourself -- reaching upwards you grip her by the shoulders and pull her down on top of you, her curvy breasts squishing against your [pc.hasBreasts]own[chest] while you kiss her. Her surprise lasts only a second before she takes you up on the wordless offer, her tongue dipping between your lips once more while she works the final few inches into you from below.

"Mmmgh," you moan into her mouth, eyes rolling when you feel an ever-so-gentle pressure against your deepest recesses and a warm, soft pouch against your [pc.ass]. "Mmhn..."

"Good [pc.boyGirl]," she whispers in your [pc.ear] between kisses. "You took it all, I'm so proud of you."

So that's what this immense feeling of fullness is... you've really managed it. You're amazed you were even able to and it's a good thing Evelyn is the one in control, because your strength has left you in a hurry. Above all else, though, you feel *<i>content</i>*. Like you're meant to be here, Evelyn lying on top of you, sheathed deep inside you.

"Fuck me," you whisper. "Please."

"How I've been waiting to hear those words from your lips," Evelyn murmurs, lifting her wide, womanly hips. You moan quietly at the feeling of several inches slipping back out of your stretched-taut pussy, feeling your warm juices trickle down your butt in her wake. "Just lie back, [pc.name]. I'll do all the work."

Her legs laid over yours and her hands gently stroking your body she begins to fuck you, going slowly enough to ensure you're completely at ease. Not only do you notice the effort, you *<i>feel</i>* it -- each thrust makes your [pc.legs] try and draw inwards and your weakened core tense, your vagina clenching around Evelyn's cock as if it never wants her to leave. One of her hands simply brushes across your clit and you lose all of your breath at once, gasping for air as she gently rubs you, and that's when you discover how much stronger an orgasm is when you have her deep inside you.

"Ooohhh! Oohh, god!" you scream, twisting Evelyn's sheets as your legs shake and your back arches, [pc.girlCum] [pc.isSquirter]squirting down her shaft and dripping from her balls[dripping from your slippery slit]. "Evelyn! Evelyn!"

"I'm here," she softly reassures you, holding you tight while your body is wracked by ecstasy.

Nothing more needs to be said. You writhe and buck beneath her, working your way through your orgasm with Evelyn to guide you, and when you're finally finished and collapse to the bed she begins thrusting once more, just a little faster and harder than she was before. It feels every bit as good, but knowing she's trusting you with more of herself feels even better.

You slowly lift your legs from the bed in between thrusts, moaning as you wrap them around her lower back and dig your heels in, feeling her start to fuck you even harder. You're beginning to realize you *like* it when Evelyn is rough with you, when she takes charge and you feel the thickness of her enormous cock stretching you out. It feels perfect, like the way it should be -- her on top, and you below.

"Where do you want me to cum, [pc.name]?" Evelyn whispers, disturbing you from your self-realization. "Onto your stomach, or deep inside?"

You want to feel it. You want to feel *her*, and that's all you need to know to answer. "Inside."

"I thought so too," she says, the corners of her lips tugging upwards.

Despite the announcement you wind up cumming a second time before she does, too exhausted to do much but moan as you feel your vaginal walls clench and spasm around Evelyn's pumping cock, your head filled with elation as lightning runs up your spine. It's only when you notice her breathing becoming harsher and her thrusts becoming more erratic and jerky that you let out a little gasp, grabbing her arms and almost ushering her forwards.

"Cum inside me," you moan encouragingly. "I want it **deep**..."

"Oh, fuck!" Evelyn curses, gritting her teeth. "[pc.name]!"

She throws her arms around your back and hugs you tight as she slams herself balls-deep into your squelching cunt, driving her cockhead all the way up to your womb's entrance before she lets out an enormous load. You moan in appreciation, stroking her head and running your hands through her hair as warmth blossoms deep inside you, whispering thank-yous in her ear while she grunts and strains, the heat in your core intensifying with each passing second. You're ecstatic to so thoroughly feel her bliss, not only seeing but *experiencing* the weight you're lifting from her shoulders as the tension drains from her body.

"Oh, **Evelyn**," you groan. "That feels amazing..."

"Mmmmmmm," she murmurs into your neck. "We'll have more than enough opportunity for you to experience it again, [pc.name]. Don't you worry."

Her turgid cock pumps you so full of thick sperm that the excess slowly begins to leak from around her dick, just barely squeezing through the boundary of your stretched-out canal to drip onto her bed. She drags herself out very, very slowly, but no matter how slow she goes

you can't help but wince and gasp when she pulls out and your gaping pussy clenches, a river of creamy seed running from between your thighs. You get your first good look at her penis post-sex and can't help but stare, transfixed.

"G-god, I can hardly believe that was inside me," you [pc.mf]chuckle[giggle] a little nervously. "It feels nice to have you stretch me out so much..."

"Oh, you'll go right back to being as tight as you were in a few days," Evelyn says with a smile, shuffling her knees forward until she's sitting over your [pc.chest]. Her juicy hard cock is still standing upright, dripping semen and your lubrication all over your [pc.skinFurScales]. "Which is why you need to visit me often if you'd like to keep yourself comfortable when we have sex, [pc.name]. Now," she continues, leaning in until her proud dick is laid against your chin. "Would you like to clean our mess up?"

"Yes, please," you murmur, looking up at the crown of her cock. Truth be told, you can hardly wait. "Can you bend down?"

"Of course," Evelyn replies, grinning. "Open wide, [pc.name]."

You've spent long enough in Evelyn's room by the time you're both clean and re-dressed. Turning to her, you find yourself at a loss for words, but she just pulls you into a hug and gives you a kiss on the cheek.

"I'm going to rest, [pc.name]. Will you come and see me again soon?" Evelyn asks, breath hot on your ear.

"Of course!" you exclaim excitedly, trying to steady yourself. "Um... I really want to see you again."

"Oh, good," she says, rubbing your back. "I hope you enjoyed yourself."

[ps.isBimbo]"Oh, don't worry, I'm already totally looking forward to the next time you fuck my brains out," you assure her.

"Oh my," Evelyn says, grinning wickedly as she pulls back. "I'll be sure not to disappoint."|"Actually, I'm already looking forward to the next time we have sex," you admit, cheeks coloring.

"Oh, my," Evelyn says, grinning as she pulls back. "I'll be sure not to disappoint you, [pc.name]."

You give her a heartfelt goodbye and slip out the door, closing it gently behind you. It clicks shut and you head down to the inn, head spinning with everything you've learned. It'll take a

while to understand everything there is to know, but you're certain about at least one thing -- you should keep seeing Evelyn.

//tt:Give up your anal virginity to Evelyn.

"Take my anal virginity," you say, cheeks flushing a little. "I've always wondered what it feels like, and, well... I'm more comfortable with you taking it than someone else."

"Oh, thank you," Evelyn murmurs, touching a hand to her chest and smiling. "I'm flattered, [pc.name]. Come here."

She pulls you closer and reaches around your [pc.hips] to get a good squeeze of your [pc.ass], grinning in your face.

[pc.buttRange 0 2 4 6]"Oh, nice and lithe, aren't you?" "You're well put-together, aren't you?" "Oh, so juicy and plump," "Oh, my. Now this is an ass for fucking, isn't it?" she purrs. "Take it all off, [pc.name]. And let me see you do it."

Evelyn coos in appreciation as you strip down, shaking your butt just a little more than really necessary for her benefit. A part of you is nervous to get dick up your ass -- especially Evelyn's, as thick and long as it is -- but most of you is buzzing with excitement, enthralled by the prospect of giving her a fresh hole to fuck. You'll have to keep yourself nice and ready for her in the future...

"Look at you," Evelyn murmurs approvingly. "Bring yourself back here, [pc.mf|handsome|cutie]."

You take a couple of steps backwards and present your [pc.buttRange 0 2 4 6|tight little butt|well-sculpted butt|jiggling ass|callipygian ass] to her, shivering a little when she gets two good handfuls of you and squeezes again, as if claiming ownership of your behind. You have to admit you don't really mind, and the way she's being so possessive of you -- it's kind of sexy, actually. It's nice to be so honestly appreciated sometimes.

[pc.hasSoftButt]"So wonderfully plush," she notes, sinking her fingers into your [pc.skinFurScales]. "I'm impressed, [pc.name]. Like you wanted people to ask to fuck your asshole. |"What a good [pc.boyGirl] you are," she says, teasing you with some more groping. She dips two fingers into it and you brace yourself as she rubs them along your [pc.asshole], massaging the slippery substance into your skin. [pc.hasPlumpAsshole]"Oh, [pc.name]. "You whore," Evelyn laughs. "Virgin indeed. Arch your back, my little slut. I'm going to fuck the daylights out of you."]

[pc.analLoosenessRange 0 4]You lie on Evelyn's bed panting hard and covered in sweat, your arms tightly hugging her pillow to your face with your reddened ass raised in the air and your back arched like a whore.

"Very good," Evelyn congratulates you, patting your butt. "It took you a lot of effort, but I'll make it all worth it for you. Don't worry."

You risk a peek back at the sound of rustling clothes and see her stripping out of her dress to pour the lubricant all over her stiff, upright cock, your eyes bulging in momentary fear. Was she *always* that fucking **big**? She sees you looking and gives you a warm, comforting smile.

"Relax, [pc.name]. It's not going in all at once, we're going to work on it like we did my fingers," she reassures you. "So don't look at me like you're a terrified animal."

"Sorry," you mutter, cheeks flushing as you plant your chin on her pillow again. "I... I trust you, Evelyn."

"I know, and I appreciate it very much," Evelyn purrs, reaching out and rubbing your calf. "Thank you, [pc.name]."

She can be very nice when she wants to be. Before the fear can grip your mind once more|You lie on Evelyn's bed panting hard and covered in sweat, your limbs splayed and with lubrication leaking from your ruined asshole. Evelyn fisted you to so many rough, violent orgasms you lost count, and she didn't stop no matter how many times you tried to explain you really are a virgin. A part of you wonders if you really still are if she's made you cum with your ass that many times -- she certainly knows how to work you, that's for sure...

"I knew, by the way," Evelyn says, patting your butt with her lubed up hand.

"Knew... knew what?" you huff, still dizzy in the aftermath of it all.

"That you were a virgin, of course," she says. "You wouldn't lie to me, [pc.name]. But you present me your beautiful, already-loosened ass and expect me **not** to fistfuck you until the cows come home? Please. Listening to you howl in ecstasy makes me harder than rock... and not once did you ask me to stop."

"Nnnh... you could have been a little gentler," you mutter.

"I could, but where would the fun be in that?" she asks, and you don't need to look to know she's smiling. "It's okay. Now you're all ready to take me in properly. Can you raise your ass like you were before, [pc.name]?"

It takes some serious, shaky effort, but you manage to extend your thighs and lift your butt for her.] Evelyn sits up on her knees and takes ahold of your [pc.hips], rubbing your lower back both to comfort you and correct her form.

"There you go, good [pc.boyGirl]," she says[pc.hasBalls], reaching under you and very gently squeezing your [pc.balls]]. "Mmm. Now remember to relax."

Though her [pc.analLoosenessRange 0 4|fingers|fist] loosened you up, it's still intimidating to have the spongy glans of her enormous cock pressed right against your asshole. She rubs herself up and down your cheeks, teasing you and acclimating you to her size, and you can feel the sensation of her cumvein dragging up and down your winking opening. Fuck, she can be such a <i>tease</i>.

"Oh. Oh, god," you groan immediately, the familiar sensation of <i>stretching</i> making itself known to your consciousness once more. But this is different -- slow and achingly pleasurable, as though your body was welcoming its owner home. "Oh... god, Evelyn..."

"That's right," she whispers. "Take it."

She slides herself in until you're <i>sure</i> that must be it, that must be all of her, but it never is. [pc.hasToes|Your toes curl|Your feet kick] and your breath halts as you feel your lower stomach bulge out with the head of her cock, your mouth dropping open in awe and worry. That <i>can't</i> be normal, but you don't dare put voice to your concerns. Any risk that she might stop now is unthinkable.

"Oh, my god, Evelyn," you groan, your hands balling into fists. "PI-please!"

"Oh, darling, you're doing so well," Evelyn murmurs, kissing your neck affectionately. "I'm all the way inside you."

She... is?

Panting, you take a few moments to center yourself. There's a thick, throbbing rod deep in your core, making it impossible to gather your strength or even think about exerting strength from your abdomen. On top of you is Evelyn, murmuring approval and squeezing your [pc.nipples] while you try to ignore how good that feels right now. And against the back of your thighs are <i>her</i> thighs -- you give them a flex and she responds by gently bouncing atop you, and you can feel them.

"I did it," you mumble.

"You did, and I'm so proud of you," she whispers. "Let me show you how good this can feel, [pc.name]."

When she pulls back, you can hardly believe that the outstroke feels every bit as good as the slow, deliberate thrust that follows it. "Oh, my god, oh my god," you gasp, unbelieving and uncomprehending. "I- I'm cumming! I'm cumming!"

"Oh, I can tell," Evelyn purrs. "You feel amazing around my cock. How's your first dry orgasm, [pc.name]? Do you like it?"

"I like it," you say almost pleadingly, clenching your ass. A shiver runs up your spine as the unique experience finally finishes, leaving you feeling weaker than ever before. You let out a ragged groan as Evelyn assfucks you to a fourth orgasm, [pc.hasCock|the excess ejaculate just drooling endlessly from your throbbing tip[p|s] into her sheets|your pussy drooling endlessly] while she rides you like she's trying to prove something. You can hardly believe <i>you're</i> capable of this, let alone her -- Evelyn's stamina is almost unnatural, as if she could fuck you for hours or even days on end. The scariest thing, now that you're under her and feeling for all the world like she might be a goddess in human guise, is that you'd let her.

Her hands are closed over your own, fingers lovingly interlocked with yours while she thrusts away at your asshole, having picked up the pace a little. The slap of her hefty nuts against your [pc.hasPussy|dripping slit[taint] resounds in the room until it's all you can think about, the frustratingly light impact accompanying her cockhead bulging under the skin of your [pc.stomach]. You're certain of it -- she'll <i>never</i> cum like this.

"H-harder," you mumble into the pillow.

"Hmm?" Evelyn asks, leaning in. "What was that, darling?"

"Harder," you moan, lifting your head. Sweat drips from your face, your breath coming in pants. "F-fuck me harder!"

"Oh, [pc.name]," she purrs, nuzzling your neck. "Are you asking that for yourself, or for me?"

"F- uh! For you," you confess, slumping back down. "Mm! Nnh..."

"Don't you worry about me, silly [pc.boyGirl]," Evelyn teases you. "How about you focus on that next orgasm?"

Gods, you <i>can't</i> -- you can't argue with her like this. Shuddering and biting your lower lip, you feel your body accept her into you and cum so hard you almost pass out on the bed. You can't even afford to think about her orgasm when she's fucking you like this -- you're too occupied by your own. You don't even feel selfish about it; she's blowing your mind, and you can't hope to resist.

"That's right," she whispers. "You'll get your reward in due time, my little anal whore."

"Gggnuuhhh," you moan, feeling a little like a puppet beneath her. "Evelynnn..."

"Good [pc.boyGirl]," Evelyn growls, pounding you just a little bit harder. "Keep cumming."

You couldn't refuse even if you wanted to.

By the time she makes you cum an eighth time you really do pass out for a few seconds, resurfacing in the familiar world of Evelyn's breath hot on your neck and her cock thrusting into your clenching asshole. This is impossible -- each orgasm makes you *more* sensitive instead of less, and somehow the more she fucks you the further away from each other they get. What was probably a few minutes of pleasure at the start now feels like half an hour of being ridden into the mattress, the bed creaking softly as testament to your incredible violation.

On the ninth, though, you notice -- with your fading lucidity -- Evelyn's breaths are almost as shallow and ragged as your own, and her hands are so sweaty she can barely keep them from slipping off you. She must be close, surely -- and that thought gives you a tiny burst of energy, just enough to offset the strength sapped from you as you grunt through grit teeth and fight to keep from your eyes rolling too far up into your head. This feels so fucking good it's unreal, but even so you drive yourself to clench around her on every outstroke in an effort to make her cum.

"Uuuhhh! God!" you curse, arching your back. "Fuck, Evelyn!"

"Oh, darling, I'm so close," she pants. "One more..."

If Evelyn had told you beforehand she'd make you cum anally ten times before she blew her load you might have dismissed it as a figure of speech, but now you're living it. She bucks on top of you like a stallion, thrusting into your pliant fuckhole with her cock throbbing and flexing as if she's going to cum at any moment. You can feel her cumvein pulsing against your [pc.hasCock|prostate|insides] with a frequency so common you can hardly believing she isn't cumming already but soon your own impending orgasm knocks your mind clear of any thoughts but the pleasure.

The moment you start to cum Evelyn leans back and yanks you up, pulling you into her lap and bouncing you so fiercely [pc.cupRange flat A B|it sounds like you're being spanked over and over|even your modest breasts jiggle in time with her wild thrusting|your curvy titties jiggle in time with her wild thrusting]. You don't even notice her grunting in desperation, your back so arched you're resting your head on her shoulder while you cum your brains out, and then at last she achieves glorious, blissful release.

With a fierce, dominant cry Evelyn hilts herself all the way inside you and pulls you downwards, her balls slapping against your [pc.ass] and staying there while they pulsate against your skin.

"Oh, god, you little whore," she pants, throwing her head back. "Haahh, fuck! Mmmmmn!"

You're not even *consciously* grinding back into her lap and clamping down on her with every ejaculation, it's just what comes naturally. Rivers of seed shoot up into your bowels, the excess spurting back out around her throbbing cock. She pumps you slowly, her orgasm every bit as enduring as she is herself, riding it out over what feels like half a day.

"Thaaat's right," Evelyn whispers, grabbing your neck possessively and stroking your throat with a finger. "Nngh! Get nice and used to the feeling of my cum awash in your ass, [pc.name]. Good [pc.boyGirl]..."

You whimper in abject bliss. If she were to ask you right now to become her exclusive anal slut for the rest of your life, you're not sure you'd be able to say no. The feeling of her warm, virile seed flowing into your asshole is unbelievable...

That's all it says. Short, but straight to the point... you read it again. Seeing the "Yours, Evelyn." is a nice feeling. She must have gotten a companion to help carry you back here. You'll have to thank them later; it's hard to imagine what kind of state you'd have been in. It even looks like you were washed at some point.

"[pc.name]... your penis is too small for me," she says critically, looking up at you with a curled lip. "Even if I pulled my asscheeks apart for this, you wouldn't be able to get it in much more than an inch. At that point, it's not so much sex as it is going through the motions, and I refuse to bore myself with the triviality."

Despite the harshness of her assault on your ego, you find yourself so hard it fucking hurts, and the sudden presence of her upturned finger against your little dick makes you gasp softly.

"I think you're best relegated to my cum-swallowing sex doll," Evelyn sighs, rubbing you gently. "The idea of emptying my balls into you while you're all pent-up and wanting release with your diminutive penis makes me harder than a rock. Just look."

She stands, pulling the hem of her dress upwards and allowing her enormous cock to spring free. Pointing upright, its veiny length stretches all the way to her belly button. Pressing her absurd cock against your own, the difference is clear.

"See?" she sighs again, shaking her head and putting a hand on your shoulder. "Listen, [pc.name]. Some [pc.mf]men|women] are born to serve. You are most assuredly one of them. So please, rather than we conduct this farce, lower yourself to your knees and open your mouth." Leaning forward, she presses her breasts into you and whispers enchantingly in your ear. "I promise to fill it to the absolute brim with hot, thick semen."|Lifting her eyebrows, she gets a handful of you, wrapping her petite hand around your shaft and stroking you in what might be appreciation.

"Not bad. Not quite as large as mine, but I think given the circumstances we can give that a pass, can't we?" she says, smiling up at you. "Not all of us were blessed with magical enhancement, after all. Now then..."|She murmurs in surprise, gripping your shaft with a petite hand and lifting you up, stroking you appreciatively.

"Oh, my. You're every bit as large as I am, if not even longer," she says. "This is what a penis should be, [pc.name]. Just like mine... now then."|She smiles, looking up at you as she wraps two hands around your gigantic shaft and strokes you.

"Oh, [pc.name]. I have to admit I've never thought about how big you are, but this is really very notable," she murmurs. "I am going to enjoy watching you cum your brains out with this. Now then..."|She grins, looking up at you in amusement.

"Gods, [pc.name]. You tell me you're a virgin and spring this upon a lady?" she teases, gripping your shaft with both hands and rubbing it. "Oh, it's quite heavy... no matter. Now then..."|She laughs, gripping your enormous shaft with both hands and stroking it, rubbing the head while she giggles.

"My god, [pc.name]," she titters, shaking her head. "You tell a lady you're a virgin and present her with this? You really are a scamp. I'll have to give this some special treatment, won't I? Now then..."|

Stripping out of her dress, she grabs a small cubic container filled with a gel-like liquid from her dresser and presents it to you. Taking it in your hands, you watch as she lies back and relaxes, lifting one leg and letting the other splay to the side with a lazy smile.

"Come here, [pc.name]. Between my legs," Evelyn nods, indicating you should sit. "I can see you're as hard as a rock, but we have to prepare a little first so you don't hurt me.[pc.cockRange 10 16|Especially with a penis that large.|Especially with that absurdity you call your penis.]"

Evelyn directs you to dip your fingers into the gel and rub it into her asshole, a cute pink little pucker that proves to have some stretch to it when you slip your finger inside. She lets out a delighted sigh as you press another finger into her and pump her slowly, feeling her bulging prostate against your fingertips while you calmly stroke her insides and try to quell your raging libido. It's taking everything you have not to just seize her and <i>fuck</i>, but you have to admit watching her squirm a little while you work her over with your hand is pretty enchanting too.

"Oh, that's good," she purrs, arching her back a little as precum oozes from her half-hard cock, dripping down her shaft. "Mmm. Don't forget that spot when you're having sex with me, [pc.name]. Hit it right and I might even cum before you do." She smiles wide. "If you do very well, you could make me cum more than once."

<i>That</i> captures your attention. Now it's all you can focus on, and Evelyn knows it. She settles back after a few minutes and you free your hand from between her ass, watching her spread her legs and grab her cheeks for you. Shifting her heavy balls out of the way, she stretches her asshole and flips her head up, giving you a grin.

"Well, it's your first time, [pc.name]," she murmurs. "I won't expect too much. Just have fun and concentrate on making yourself feel good, okay?"

As focused as you are on her earlier challenge, her words go right in one [pc.ear] and straight out the other. She might as well be speaking fae. You don't even notice what she's done as she lets her head fall back to the pillow, licking her lips in anticipation while you align your [pc.cockHeadBiggest] with her little pucker. Jaw set, you grip her feminine hips just like she told you and begin to slide yourself into her, fighting not to groan.

Evelyn has no such restraint. [pc.cockRange 0 9 16 24]"Ooohhh, that feels good," she groans, closing her eyes. "Mmm..."|"Oh, you are big," she groans, closing her eyes. "Nnnh..."|"Mm! Oh, you're so big!" she moans, closing her eyes. "Nnnh! Go slow!"|"Oohhh! God!" she cries, squeezing her eyes shut. "Go slow!"]

[pc.cockRange 0 16]You grind into her with as much care and precision as you can manage, watching her thick cock engorge further with every slow, deliberate thrust until she's so hard she's twitching. You hold that thought in your mind as you rub yourself against her prostate, precum spilling freely from her swollen tip.[You take it very slow at her insistence, working yourself into her with as much care and precision as you can manage with a dick like yours. It seems to be paying off because you can see her thick cock engorging with more blood by the second until she's so hard she's twitching, rod pointing straight up at her face. As an added bonus, you get to rub yourself against her prostate and watch her squirm a little, precum dripping freely from her swollen tip.]

"Yes," Evelyn breathes, arching her back and grabbing her breasts, sinking her fingers into them and squeezing her nipples. "Mmm... just like that, [pc.name]. Oh, you might be a natural..."

{evelyn has fucked you:That makes sense -- you learned from <i>her</i>, after all. Your slow, teasing movements and the way you're rolling your [pc.hips] are just some of what you remember about the way she fucked you./else:That feels good to hear. She's feeling good already -- maybe you really can make her cum.} Already she's beginning to let out long, breathy moans, one of her hands sliding down her stomach before she catches herself and redirects her attentions to her breasts once more, clearly avoiding forcing herself to release.

Fine by you. You feel like you're on top of the world right now watching Evelyn pant and moan while you take her, her legs shivering almost imperceptibly when you go deep. You're really doing this to her, the [flags.EVELYN_PAST|southern princess|dominant mistress] who's got you so thoroughly enthralled you can't take your eyes off her. The longer you work, the more of herself she shows to you.

"Oh, god," she moans, squeezing her tits between her forearms and digging her knees into your sides. "Ohhh, god!"

She suddenly clenches around you, taking you completely by surprise. Grunting, you're subjected to a pleasure so intense{high willpower: you barely manage to hold on to the last vestiges of your willpower. It would feel so good to blow your load into her right now, but that wasn't what you wanted... not yet, anyway. Instead you desperately cling to the edge of a cliff by your fingertips, just barely hanging on as Evelyn begins to cum.

"Fuck!" Evelyn gasps, bucking her hips into you. A massive rope of spunk shoots from the end of her throbbing cock, splattering between her heaving breasts before she arches her back again and begins to cover herself in seed. It flies over her jerking form and coats her

face, pooling on her stomach as her [pc.cockRange 0 9]giant cock[dick] twitches and spasms in continual release.

"Nnnnnh! Fffuuuck," she seethes through grit teeth, clenching her jaw. "Rrrgh!"

Her ejaculations are <i>enormous</i>, splattering her so thoroughly her tits are absolutely soaked in sperm by the time she collapses back to the bed panting and gasping, loosening up on your cock. She lets out an alarmed moan and her head pops up to gaze disbelievingly at you when you dare to thrust again now that she's calmed down a little.

"You didn't cum?" Evelyn moans, throwing her head back into the pillow with a soft thump. "Oh, god..."

You almost feel a little sorry for her but when you brush against her insides and she lets out a quiet, honey-sweet moan, wiggling under you to get comfortable, the feeling flies away. Sticky, translucent spunk stoked by your continual nudges to her prostate starts to flow unendingly from her tip, mixing with the last remnants of her cum and dripping down her sides when the pool on her stomach spills over. Reaching down, you wrap your fingers around her half-hard dick and gently run your thumb along her cumvein, forcing a spurt of spunk up her chest.

"Oh! Oh," she purrs when you start to stroke her while thrusting, pumping her back to full hardness in no time at all. "Oh, [pc.name]..."

You know just enough to not ask her if it feels good -- that ecstatic look on her face is all you need to be sure. She begins arching her back in time with your strokes, rising off the bed and coming back down, matching your rhythm while she moans under her breath. It takes several minutes of holding yourself back, but you eventually build Evelyn back up to a flushed, fevered excitement, sweat dripping from your bodies.

"I'm gonna cum soon," you pant, working her cock while you pound her jiggling ass.

"G-good! Y-you'd better do it- nmm! Inside me," Evelyn warns you, wrapping her legs around your lower back and digging her heels into you. "Unh! Oh, I'm so close..."

Leaning over her and trying as hard as you can you jerk her off hard enough to make your arm ache, feeling your mental restraints loosen until you're thrusting wildly without a care. Evelyn cries out, grabbing her pillow as you fuck her to pieces, her oversized cock pulsing harder in your hand by the second. Feeling heavenly release rise up from within, you hammer her until at last you reach your peak.

"Oohh, god!" you grunt, hilding yourself [pc.hasBalls|balls-deep|inside her]. "Fuck!"

"Oh! Oohhhh!" Evelyn half-screams, scrunching her pillow up in her hands. "Huuunnnhhhh!"

She thrusts her hips into the air and cums so hard her ejaculate splatters the wall behind her, dripping down onto the headrest. Unwilling to cum anywhere but as deep as possible inside her ass, you follow her up and drag her back down to the bed as she whimpers, spraying ropes seed all over herself, utterly helpless to resist. Your dick throbs inside her clenching asshole so hard you find yourself tensing your entire body along with it, groaning as you [pc.hasBalls|empty your balls|drain yourself] inside her.

Evelyn covers herself in a fresh coat of spunk as you pump her full, rivulets of your [pc.cum] running from her quivering asshole down her tailbone. "Oohhh," Evelyn groans, clenching her cheeks together futilely. "Gods..."

You lie down next to her, still breathing hard, and she wraps an arm around you while the two of you catch your breath and relax a little.

"Aaahhh... that wasn't so bad for my first time," she sighs, laying a hand on her stomach.

"You mean my first time," you correct her, smiling.

"Oh, no, I meant what I said," Evelyn says with a smirk. "As if I would let anyone else in my behind, [pc.name]."

"Oh... oh," you say, realization hitting you like a hammer to a gong. "Thanks, Evelyn."

"No matter," she says, [pc.hasHair|ruffling your [pc.hair]|stroking your head]. "You were very good, so thank you. I don't think we'll be repeating that, though." She winces. "It does smart a little."

You cuddle until she's capable of getting back to her feet, standing and stretching.

"Ooh. I'm going to go wash up," Evelyn mutters. "I'll be back later, [pc.name]. Come and see me again soon, okay?"

"Of course," you say, nodding as she leaves with a wave.

Departing her room, you head back downstairs feeling a little more confident than you did the day before. A shame you didn't get to talk to her a little longer, but you can't blame her for wanting a bath after that.

//tt:The offer of getting your mouth filled with Evelyn's warm, salty sperm is all you need to get over her insults.

You nod once and, ego crumbling into bits while your cock[p|s] persist[s|s] in standing, you sink down to your knees and open your mouth expectantly, just waiting for Evelyn to indulge herself.

Evelyn sighs in exasperation. "Gods, [pc.name], don't scare me like that. You'd better make it up to me, you little scamp. Kiss my crown, and don't you dare to stop until I tell you to."

Closing your eyes, you allow her to [pc.hasHair]run her hand through your [pc.hair] and get a good grip[grip your skull] while you lean in and begin to make out with her cockhead, planting wet smooches on her slit until you can taste her precum on your [pc.tongue]. She's displaying an unusual level of patience, staring down at you imperiously whenever you crack an eye open in between kissing her thick, rugged penis. When you lift your hands of your own accord and cradle her warm, heavy balls, she doesn't make a move to stop you.

Minutes pass with the silence broken only by the sound of your utter submission, paying lip service to Evelyn's superior cock and massaging her seed-filled nuts in the hopes she'll empty them down your throat. Gods, she was right -- it feels so <i>good</i> to be here between her legs, licking and slurping at her cum-dripping cock and caressing her seed-filled balls like her little bitch. What was it she said? <i>Born to serve</i>.

You can't think of a more apt description.

"That's enough," she says, grasping her immense cock and lifting it out of reach of your [pc.lips]. "I'll tell you what's going to happen. You are going to kneel there with your mouth open and your tongue out while I masturbate. When I orgasm, I will hold my penis an inch from your lips and cum repeatedly into your mouth until I am finished. Nod if you understand."

You give her a single nod and she continues, watching your face carefully.

"You will not speak, or touch me at all. Do not place your lips over the end of my penis, do not stroke me, do not brace yourself on my thighs. You will learn your place as my lesser, [pc.name]," Evelyn says. "You will swallow every last drop of my seed as if it were god-given nectar, and after this we will not speak of it again. Now. Do you understand?"

You nod again, staring unabashedly at her impressive cock. The long, thick cumvein running along its underside shifts and flexes under her petite fingers, filled with promise.

"Good," she intones, starting to jerk herself off. "Understand your place at my feet, [pc.name]. There is absolutely no shame in serving your betters."

Evelyn works her shaft with long, rhythmic strokes, eyes narrowing slightly as she gazes down at your upturned face, staring at your protruding tongue. Perhaps she's already imagining cumming all over you, covering your submissive visage in a thick coat of her dripping seed. Your tiny dick is so hard at the prospect you can hardly resist masturbating, reaching down to haltingly rub yourself as Evelyn wraps a second hand around her enormous shaft.

"I see you are eager," Evelyn says, a faint smile playing across her lips before it disappears. "That is good, [pc.name]. Take pleasure in your inferiority. See how amazing it feels to revel in the admission you are lesser?"

Unable to reply, you instead stare at her pulsing cock while her dainty hands work to bring herself to climax. Your only regret is that they aren't *<i>your</i>* hands, worshipping your mistress' glorious dick, and that instead you're reduced to masturbating your pathetic length while watching hers. At least she's giving you a good show.

"Nnh," she grunts under her breath, closing her eyes for a second. "Hold your posture, [pc.name]. I'm getting close."

She beats herself off even harder, tilting her head upwards and letting out a colossal sigh while the sound of slapping skin fills the room. Then she takes a step forward, and another, and suddenly she's holding her massive, throbbing cock less than an inch from your lips. You didn't know you had it in you to stretch your mouth open even wider, your jaw clicking in your desperation.

"Mmmnn," Evelyn groans, her face twisting as her heavy balls pull upwards and draw taut against her underside. "Nnnnnnnn-"

She throws her head back in delight as the first rope of salty cum splatters across your lips and splashes against your tongue, shooting all the way back into your mouth. You don't even get a moment to savor it, her swollen cockhead pulsing as jizz spews without end from her slit, filling your cheeks with her until the impulse to swallow is too strong to ignore.

<i>Gulp</i>. It goes down like hot, sticky cream, sliding down the back of your throat and before you know it, Evelyn has another gigantic load for her obedient cockslut to choke down. <i>Gulp</i>. You can't help it. Your dick pulses once as you lift your hand away and hold your thighs to keep yourself steady, [pc.cum] dripping and spurting onto the ground while your mouth fills with her sperm. <i>Gulp</i>.

"Good," she grunts, rubbing herself roughly. "Ugh. Good [pc.boyGirl]."

Gods, Evelyn cums with so much force and vigor you're struggling to keep up. Your leisured swallows every few seconds become frenzied, desperate gulps as she seeks to drown you in her semen, breathing hard as the tension drains from her body one cumshot at a time. Errant ropes fly up your face, spattering [pc.hasHair]into your hair[across your forehead] and almost into your [pc.eyes].

Then one <i>does</i> land directly in your eye, your face wrinkling as you try to ignore the stinging and close it while Evelyn's spunk weeps out from under your lid. It hurts, but you have a job to do. <i>Gulp</i>.

"Aaaaahhhh," Evelyn sighs in utter contentment, straightening up and stepping forward a little, squeezing herself harder as she works out the last few ropes. With your vision half-obsured, you only just notice her angling herself, and--

You flinch as your other eye is filled with hot spunk, squeezing your eyes shut while your face is absolutely covered in thick, dripping jizz, the last of her offerings to you. She lets out a boisterous pant of satisfaction when she's done, taking a step back.

"There. Now, then. What do you say to me?" she asks.

"T-thank you," you huff, cock twitching limply between your thighs. "Mistress."

"Good," Evelyn murmurs. "You can leave. And like I said, this never happened -- as long as you don't forget yourself again, [pc.name]."

You get to your [pc.feet] and grope for the door handle, mostly blind as you stumble out into the hallway. You've got to find some water and wash your face off unless you want to just walk around covered in Evelyn's sperm -- luckily, you happen to keep a little in your room specifically to wash your face.

You breathe a sigh of relief and feel a little bit of hot shame wash through your insides as you rub your eyes clean. That was degrading, but... a part of you <i>likes</i> it when she treats you like that. Like her cum-swallowing sex doll, as she so eloquently put it.

In any case, she's still open to your visits, so it's not like any permanent consequences came of this...

//doesn't remove virginity, obviously

[No]

//tt:Walk away and do this again some other time.

Rather than dignify this with a response, you decide to remove yourself from the situation. Evelyn sighs sadly as you turn away, her hand dropping back to her side.

"Don't be afraid to come back again, [pc.name]," she says as you open the door. "I'll be looking forward to it, okay?"

You close the door behind you and shake your head, putting the encounter out of your mind.

"I think you've made your choice by now," Evelyn says after a few moments of your consideration, smiling. "[pc.isCrotchExposed|H|Toss those clothes and h]op on the bed, darling."

"Yes, Evelyn," you say, acquiescing to her instruction. "Should I..."

"On your hands and knees, I think," she says, grinning and stepping closer. Taking a handful of your [pc.ass], she gives you an affectionate squeeze. "I want to see that beautiful back of yours arching."

You shiver as she runs her hand up your back, fingers gently stroking your spine[pc.isCrotchExposed|| as you take your clothes off]. She pulls a hand back and gives you a gentle spank across your right cheek, giggling as you moan under your breath. "Suh-slow down," you moan, arching your back so fiercely your tummy brushes the covers. "Oooh..."

Evelyn leans over you, running her hands up your sweaty back and gripping your shoulders. You can feel her voluptuous breasts weighing on you, her breath hot on your ear as she whispers to you.

"No."

Your groan of protest swiftly morphs into a higher, almost questioning tone as she works her hips, fucking the reluctance out of you until you're about ready to collapse to the bed. But you can't, some compulsion is holding you upright and in position to be rut like an animal — Evelyn herself, and the desire to please her. She gives you an appreciative murmur and kisses your neck, a hot little sigh forcing its way out of your lips, and you dimly realize that dancing in another's palm has never felt so good.

"G-god," you strain, head dipping downwards[pc.hasLongHair] and your [pc.hair] falling down your shoulders]. "Nnnhhhh..."

"There you go," Evelyn murmurs, reaching around your side to grope your [pc.chest] while she humps you from behind. "Who's a good [pc.boyGirl]?"

"I am," you moan breathlessly, gently leaning your head back and closing your eyes as she leans in to take your lips with her own. "Mmmmm..."

"That's right," she encourages you, speaking softly in between kisses. "Mmm... put your face in the pillows, [pc.name]. Mm. It'll be easier."

Truth be told, you couldn't be more grateful right now to have an excuse to rest for a little while. Grabbing her pillow, you stuff your face in it and leave your ass held high for your mistress, who repositions herself to best take advantage of the situation. You feel her hands roaming all over your buttocks, stroking and squeezing, and moan into the covers.

Then she thrusts again, and the altered angle proves to make a world of difference. You cry out in subdued shock and pleasure as Evelyn's balls slap against your ass, listening to her grunt while she takes you. *<i>Fuck</i>*, she's working you like she might a whore! Your desperate, loving moans muffled by the blanket, you squeeze your eyes shut and endure it all.

"Oohhhh, god, [pc.name]," Evelyn moans, digging her fingertips into your skin. "Take it all in your [pc.vagAss|dirty little cunt|hot little asshole]!"

Evelyn's balls pulse between your cheeks again and again, emptying their immense burden into your servile body.

"Ooohhh, yeeessss," she groans loudly, stroking your waist. "Oh, [pc.name]..."

Her cock jumps and a torrent of seed pours forth from its hard, thrumming length, warming you from the inside as you moan into her pillow. Gods, this is all you could ever have wished for when you met her...

She withdraws her swollen length from your well-fucked [pc.vagAss|pussy|ring], smirking as she watches you groan and try to pull your legs together to stop the river of jizz from flowing between your cheeks. With a tug, she tips you onto your side and shuffles up your body until she's sitting on your tummy and lets her half-flaccid cock slap down between your sweat-soaked [pc.hasBreasts|titties|chest], letting out a few small spurts of jizz up your neck.

"Suck it clean, darling," Evelyn instructs you, running her hands [pc.hasHair|through your [pc.hair]|over your scalp] and pulling you closer. "Mmmhh... that's right."

You lap and lick at her twitching length until there's nothing on her cock but your saliva, at which point she presses it to your [pc.lips] and pushes downwards, sinking herself to the very base with a satisfied grunt before she pulls herself out and gives you a quick smile.

"Just making sure you can still take me, [pc.name]. You should get yourself cleaned up, alright?" she says, patting your cheek. "I think you're about as full of my spunk as anyone's ever been."

"Y-yes, Evelyn," you murmur, gazing at her cock with a measure of aching need. Damn, having her in your throat was a nice reminder that she's every bit as good up top as she is down low. "I'll see you soon."

"I know," Evelyn purrs, leaning in to give you a kiss on the cheek. "Come and see me whenever you like, [pc.name]. I do so love talking with you."

You re-dress and Evelyn hugs you goodbye, stroking your neck and giving you a pleasant smile as you depart. Heading downstairs, you try to resist the plaintive urge to go right back to her room and knock for more attention.

Obtaining Gifts

//This section is for the material things you can give her.

Wine

//Option unlocked after the re-re-meeting.

//The option [Nice Wine] will appear in Garth's menu.

[Nice Wine]

//tt:Inquire after getting some <i>real</i> wine for Evelyn and yourself to drink together. She mentioned regretting not having a bottle of it.

"Do you happen to have any nice wine, Garth?" you ask him.

"Well, what kind of nice wine?" he grunts, looking at you while he polishes a mug. "I've got plenty of 'em, though I don't serve it to this lot."

"The kind that might get drunk in high society?" you suggest.

"Narrows it down a bit," he sighs. "I do have some fancy stuff, [pc.name], but even you'll have to pay for it. It's not cheap getting my hands on it. Say six hundred electrum and I at least won't feel guilty about giving it to you."

[600] [No thanks]

[600]

//tt:Seems fair.

You hand Garth the coins and he walks into the back to fetch it. The bottle he brings to you is green, filled with dark red liquid and emblazoned with a symbol you don't recognize.

"Don't drop it," he growls.

"Thanks, Garth," you say, smiling at him as you take it. "Don't worry, it's going to a good cause."

You leave the old wolf to mutter under his breath as you step away from the bar, tucking the bottle safely into your pack.

//Wine in inventory description

[Fancy Wine]

//tt:A bottle of Garth's finest wine. You're not sure of the vintage, but the unfamiliar symbol on the bottle looks very fancy indeed.

[No thanks]

//tt:Never mind.

"Little too rich for my blood," you mutter, shaking your head. "Thanks anyway, Garth."

"Well, no doubt it'll still be here if you still want it," he grunts. "Not like anyone else here can afford it either."

You're left wondering why he even buys it then, but that's really none of your business.

Maid costume

//Option unlocked after Evelyn's [Past?] conversation.

//You have to ask Nelia to custom design the costume for you. [MaidCostume] will be a third option in her menu alongside shop and talk, and disappears once you've obtained it.

[MaidCostume]

//tt:Ask about getting a custom design done.

"Actually, I was wondering if I could give you a custom order," you say.

"Oh? You sure can, but why?" Nelia says. "What do you have in mind?"

You describe the maid outfit you have in mind. Black, white, frilly, with a hem that reaches your mid-thigh and accompanied by a set of fishnet stockings. Nelia smiles, waving you off partway through your description.

"I know exactly what you want," she says. "It's for you, then?"

[pc.isBimbo]"Yup, I'm totally gonna wear it while Evelyn fucks me," you affirm, smiling wide. "She's really nice and she likes to fuck maids."

"Ha! Evelyn sounds nice," Nelia laughs, getting up from her stool.]"It's for me," you affirm.

"Ah, youth," Nelia says, grinning as she gets up from her stool.] "Alright, come with me. We'll get your measurements taken so you look nice and proper for your lover."

She spends a few minutes recording your body size, then nods and returns to the counter.

"I can get this done in a few days. It'll cost you about 900 electrum, though -- a full outfit is quite a lot of work," the goblin shopkeep tells you.

[900] [No thanks]

[900]

//tt:Pay up. The thought of Evelyn's reaction when she sees you in this is worth every coin.

"Sure," you say, handing the money over. "I'll be back in a few days, then."

"Pleasure doing business with you," Nelia says with a smile.

//starts a 72 hour timer

[No thanks]

//tt:That's a lot of money.

"I'll be back some other time," you say with a shake of your head.

"Sure, but I'll have to remeasure you the next time around," Nelia warns. "People tend to change a lot on their adventures..."

Receiving the costume

//on approach

"Ah! I have your costume," Nelia says when she spies you approaching, hopping off her stool. "One moment."

She hands you an outfit immediately recognizable as what might be called fetishwear by someone with less social acumen. Thanking the busty goblin, you tuck your new clothes carefully into your bag and step away. You'll borrow a duster from Garth, and then...

You can hardly wait.

[MaidCostume]

//tt:A costume that makes you look just like a maid, complete with some <i>very</i> appealing stockings. You'll wait until you're with Evelyn before you{not maidsexed: try it on for the first time/else: put it on}.
