

Application Worksheet

Use this worksheet to complete all parts of your application

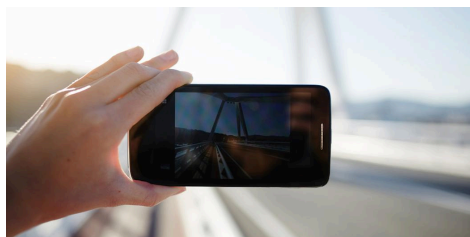

✓ **PRINT THIS WORKSHEET**

✓ **REQUEST/PREPARE YOUR TRANSCRIPTS:** You will need to upload an unofficial scanned/PDF copy of your most recent transcripts showing your last semester completed that shows your full name and identifies the institution. Find a way to get this! HINT: If you have a paper one, you can take a photo of it with your mobile device. That's all that is needed.

✓ **MAKE YOUR VIDEO:** Prepare an introduction video of NO MORE than 5 minutes introducing yourself, why you are applying to the mentorship program and what the phrase, "DRESS IN CONFIDENCE" means to you.

Be sure to also explain why you need to learn the art of creating a personal brand image so you can be visible to support and promote the ideas of a cause, organization, school or local community initiative that you are passionate about and that focuses on confidence, leadership, positive self-esteem and/or teamwork.

TIP: Film your video in "landscape" or movie screen style - it's easier to post!

✓ Upload Your Video Application To Your YouTube Account

Post your intro video to your YouTube account as UNLISTED which means only those with the link can see it - like the selection committee. You will share this link in your online application.

✓ **PART A:** COMPLETE THE ONLINE FORM: To make it easier, here are the questions on the online application. Prepare your answers to the questions below and then enter them when you are ready to submit your final application:
