Rights

- ❖ Clients may use my art for non-commercial purposes with credit.
 - My art will **not** be sold in any way.
 - My art **cannot** be claimed as your own.
 - I wish there were strict AI laws but, do **not** use my art to train AI.
 - My art **cannot** be edited by the client.
- ❖ If a client wants to use my work for commercial purposes, there is an extra fee stated below. Please contact me to discuss this!
- ❖ I have the right to refuse a commission for any reason.
- ❖ By commissioning me, you're also letting me use the watermarked commission for my social media! Please let me know if you'd like me not to post it on my socials.

Fees

- ❖ These are fees I calculate myself, not optional to the client:
 - A fee of \$5 to \$15 can be added for complexity.
 - A fee of \$5 to \$25 can be added to draw a simple or complex background (only on non-background commissions).
 - If you wish to use my work for commercial purposes, the flat fee can be up to +80%. Please discuss this with me via dms!
- ❖ Optional fees:
 - Rush fees are +20% from original price, this is for priority commissions, a deadline must be provided!
 - Extra characters are +50% each or so.

- Props start at \$5, the more details the more it will be charged.
