"I had the pleasure inviting Noughty 90s to one of the events I have recently managed, and they truly exceeded my expectations. Their energy, talent, and stage presence captivated our participants, making the event an unforgettable experience. The band's ability to bring the vibrant spirit of the '90s to life was nothing short of spectacular. From their spot-on renditions of classic hits to their engaging interaction with the audience, Noughty Nineties ensured everyone had a fantastic time. I highly

recommend them for any event looking to add a dynamic and entertaining musical experience. Thank you, guys, for the fun time we shared!"

Superb, professional and talented band. I have seen them perform as a trio and their four piece and have had the crowd bouncing from their opening song!

Highly recommended.
