

Data Defenders Privacy Policy

Effective Date: november 11, 2024

Introduction

Welcome to Data Defenders. This privacy policy explains how we collect, use, and protect your information when you play our game. Your privacy is important to us, and we are committed to safeguarding your personal information.

Information We Collect

1. Anonymous Gameplay Data:

We collect data related to your gameplay to improve the game experience. This includes information such as:

- Game progress and levels completed
- Gameplay duration and frequency
- In-game actions and decisions
- Device type and operating system.

2. No Personal Information:

We do not collect any personally identifiable information (PII), such as your name, email address, or phone number.

How We Use Your Information

We use the collected data for the following purposes:

- To analyze gameplay and improve game features
- To identify and fix bugs
- To enhance user experience and game balance.

Data Sharing

We do not sell, trade, or transfer your data to outside parties. Aggregated, anonymized gameplay data may be shared with partners to help us analyze and improve game performance; no personal information is ever disclosed.

Data Security

Data Defenders uses Unity Analytics to collect and analyze gameplay data. While we rely on Unity's data security measures, we recommend reviewing [Unity's Privacy Policy](#) for further information on their data protection practices.

Your Consent

By playing Data Defenders, you consent to our privacy policy and data collection practices. You may withdraw your consent at any time by uninstalling the game.

Changes to Our Privacy Policy

We may update this privacy policy periodically. Any changes will be posted on this page with an updated effective date. We encourage you to review this policy regularly for any updates.
