Presentation Information

Tracy Lee, CCC-SLP is a certified Speech-Language Pathologist with over 20 years of experience specializing in AAC for individuals across the lifespan with developmental and acquired disabilities. She is currently a member of the Gramon Family of Schools administrative team. She is also on the Board of Trustees for NJCART. Tracy has presented at numerous professional conferences on various topics and has conducted research on skills related to the development of communicative competence by AAC users. Her research findings have been published in professional journals and texts.

Contract Tracy by email at tlee@gramon.org
