Bill's Joke 1

Now for some British humour -ADULT !!XXX

I once knew a dental nurse who loved giving blow jobs and smoking weed.

She was known as Oral High Jean.

XXXXXXXXXXXXXXXXXXXXX

Just had a parcel from Holland , when I opened it, it was a rubber fanny.

That's nice I thought, 'Two lips from Amsterdam !'

XXXXXXXXXX

My dad worked on the roadwork's for twenty years before he got fired for stealing !

At first I didn't believe it.... But when I got home all the signs were there.

XXXXXXXXXX

A recent survey reported that three quarters of men don't know how to turn on the dish washer.

I find that licking her nipples and a light gentle fingering usually does the trick

XXXXXXXXXX

My girlfriend says that a small penis won't affect our relationship.

Whether she's right or not, I'd prefer it if she didn't have one at all!

XXXXXXXXXX

A woman is walking down the street and sees a sign in the pet shop window reading, "PUSSY-LICKING FROG £25" ...

Curious the woman proceeds inside and says to the shop keeper, "I'd like to see the pussy-licking frog, please."

To which the shopkeeper replies, "Bonjour !"

XXXXXXXXXX

I was on a train this morning, in the loo, when a voice called out "Can I see your ticket please ?"

"Not right now." I replied, "I'm having a shit."

"I don't believe you." Said the voice. "Slide it under the door."

"No probs," I said. "The yellow bits are sweetcorn !"

Xxxxxxxxxxxx

My son asked me today "What's the difference between a crow and a blackbird ?"

I told him, "Crows have somewhat heavier beaks, fan-shaped tails and live on insects.

A blackbird has big rubbery lips, a fat arse and lives on benefits."

Everyone's a comedian nowadays.

Even the paramedic who was unable to resuscitate Whitney couldn't avoid a gag !

When he radioed dispatch he said "It's Houston, we have a problem !"

Bill's Joke 2

Two Aussie builders (Patrick and Eric) are seated either side of a table in a rough pub when a well-dressed man enters, orders a beer and sits on a stool at the bar. The two builders start to speculate about the occupation of the suit.

Pat: - I reckon he's an accountant.

Eric: - No way - he's a stockbroker.

Pat: - He ain't no stockbroker! A stockbroker wouldn't come in here!

The argument repeats itself for some time until the volume of beer gets the better of Pat and he makes for the toilet. On entering the toilet he sees that the suit is standing at a urinal. Curiosity and the several beers get the better of the builder.

Pat: - 'Scuse me.. No offence meant, but me and me mate were wondering what you do for a living?

Suit: - No offence taken! I'm a Logical Scientist by profession.

Pat: - Oh! What's that then?

Suit: - I'll try to explain by example... Do you have a goldfish at home?

Pat: - Err... Mmm . Well yeah, I do as it happens!

Suit: - Well, it's logical to follow that you keep it in a bowl or in a pond. Which is it?

Pat: - It's in a pond!

Suit: - Well then it's reasonable to suppose that you have a large garden.

Pat - As it happens, yes I have got a big garden!

Suit: - Well then it's logical to assume that in this town if you have a large garden then you have a large house?

Pat: - As it happens I've got a five-bedroom house...built it myself!

Suit: - Well given that you've built a five-bedroom house it is logical to assume that you haven't built it just for yourself and that you are quite probably married?

Pat: - Yes I am married, I live with my wife and five children.

Suit: - Well then it is logical to assume that you are sexually active with your wife on a regular basis?

Pat:- Yep! Five or six nights a week!

Suit: - Well then it is logical to suggest that you do not masturbate very often?

Pat: - Me? Never.

Suit: - Well there you are! That's logical science at work!

Pat: - How's that then?

Suit: - Well from finding out that you had a goldfish, I've told you about your sex life!

Pat: - I see! That's pretty impressive...thanks mate!

Both leave the toilet and Pat returns to his mate.

Eric: - I see the suit was in there. Did you ask him what he does?

Pat - Yep! He's a logical scientist!

Eric: - What's that then?

Pat: - I'll try and explain. Do you have a goldfish?

Eric: - Nope.

Pat: - Well then, you're a wanker.

Bill's Joke 3

**Sorry if this offends
anyone: I know that not
everyone appreciates
seafood.**

**This is much more fun than that old picture where you tried
to find the man's face in coffee beans. Every so often a
clever**

**picture comes along that camouflages something for us to
find.**

This is one such picture.

**Hidden within this picture, so I am told, are two lobsters. Go
ahead and try to find them.**

**If you find the lobsters in 5 minutes, the left side of your
brain
is normal.**

I looked for 15 minutes and couldn't locate them.

**I am told that women tend to find the lobsters much quicker.
It probably has something to do with the wiring in the brain.
Good luck with the puzzle below.....**

Frustrating isn't it? Keep looking...

Suggest this is Boys Only...
