FOND DU LAC – The Fond du Lac Cardinals Athletic Department is excited to share that Kyle Jefferson will begin the 2023-24 school year as our head track and field coach.

Coach Jefferson, a graduate of the University of Wisconsin in 2012, will oversee both the boys' and girls' track programs. During his time at Wisconsin, he excelled in both track and field and football. He was a letter winner from 2008 to 2012 and secured the Big 10 championship in track in 2012. Moreover, he earned a letter from 2007 to 2011 and clinched the Big 10 championship in football in 2010.

Coach Jefferson has been actively coaching since 2017, serving as an assistant football coach and head track coach at St. Mary's Springs Academy. At St. Mary's Springs, he had the privilege of working with numerous student-athletes who competed in the WIAA State Track and Field championships, with several of them making it to the state podium. His track coaching focus at St. Mary's Springs centered on sprinters and relay teams.

“I am excited about the opportunity to come to Fond du Lac High School and help those young men and women reach new heights on and off the track,” said Jefferson. “Let's Fly Cardinals and Let's Rock!”

Fond du Lac High School is pleased to have Coach Jefferson at the helm of the Cardinals' track and field program. As a former First-Team All-Big 10 member, his extensive background in track and field, along with coaching experience, will be a valuable asset to our student-athletes participating in the spring season. We eagerly anticipate the positive influence Coach Jefferson will have on the Cardinal student-athletes, both in competition and in their lives.
